Days to a Healthier Church Karl Vaters, 2020-03-03 A 100 Day Plan That s Practical Realistic and Actually Works You see the problems in your church and you truly believe it could be better Not perfect but healthier If you want more for your church but aren t quite sure how to get there 100 Days to a Healthier Church was written for you It teaches you how to Identify your church s current level of health using the Church Health Continuum Make big changes through small nudges rather than giant leaps Grow your strengths and tackle your weaknesses one at a time After years of trial and error pastor and author Karl Vaters developed a tested and proven 15 week process that s manageable adaptable and effective It won t fix everything overnight but it will help you figure out what to do next Great for individual pastors perfect for church leadership teams **The More-with-Less Church** Eddy Hall, Ray Bowman, J. Skipp Machmer, 2014-10-28 In our challenging economic times it is no surprise that churches must get creative with their resources But the authors of The More with Less Church believe pastors leadership teams and planning committees should look on times such as these not as hurdles to overcome but as opportunities to reconsider entrenched but inefficient ministry practices that are siphoning time money and energy from their churches Drawn from time and field tested strategies this practical resource helps church leaders avoid costly mistakes and maximize the return on their investment in four areas of church life ministries staffing facilities and finances

GROWING A HEALTHY CHURCH DANN. SPADER, 1999 The Unstuck Church Tony Morgan, 2017-05-16 Acclaimed church leader blogger founder and chief strategic officer of The Unstuck Group Tony Morgan unpacks the lifecycle of a typical church identifies characteristics of each phase and provides practical next steps a church can take to move towards sustained health Think about your church for a moment Is it growing Is it diminishing Is it somewhere in between Acclaimed church leader blogger and founder and chief strategic officer of The Unstuck Group Tony Morgan has identified the seven

stages of a church's lifecycle that range from the hopeful and optimistic days of launch to the stagnating last stages of life support. Regardless of the stage in which you find your church, it carries with it the world's greatest mission to go and make disciples of all the nations. With eternity at stake, the Church should be doing most everything within its power to see lives changed forever. The Church should strive for the pinnacle of the lifecycle where they are continually making new disciples and experiencing what Morgan refers to as sustained health. In *The Unstuck Church*, Morgan unpacks each phase of the church lifecycle and offers specific and strategic next steps the church leader can take to find its way to sustained health and finally become unstuck. *The Unstuck Church* is a call for honest assessment of where your church sits on the lifecycle and a challenge to move beyond it.

Intentional Churches Doug Parks, Bart Rendel, 2020-03-24 Do you want to reignite your passion for the local church and see your congregation live out the Great Commission by growing and making disciples? If so, implementing the revolutionary Intentional Growth Planning operating system will benefit you, your church, and your community. Just as laptops and smart phones have an operating system, the church needs a biblically based operating system where its various programs and activities can effectively plug in to. In *Intentional Churches*, Doug Parks and Bart Rendel combine their 35 years of executive church leadership experience and unveil a proven and practical operational system that will help you clarify your unique vision, filter trends and new ideas through your mission, improve implementation abilities, maintain unity and alignment around what matters most. This is a repeatable and transferable process any church can learn. Start today and be ready to go and grow through God's power for God's glory.

Healthy Church Dna® Larry E Webb, Rel D, Glen Rediehs, Ph D, 2008-09-25 Some Protestant churches are in decline. A major mind shift is needed to create healthier and more effective congregations. Healthy Church DNA provides a new powerful way to transform congregations and keep them healthy. A radical departure from past models, this new appreciative and solution-focused approach can open the hearts of all those involved. Healthy Church DNA and DISCERNPlus, its seven-step change process, gives instruction on how to break free from fixing weaknesses, do God's work from the gifts provided to the congregation, turn problems into solutions, focus on the future and the possibilities to which God is calling the congregation, unite the congregation around a spiritually discerned vision of a faithful future and a compelling action plan to fulfill that vision, generate a self-fulfilling congregational conversation around stories of faith, community at its present and future best, strengthen the congregation's sense of community, build resilience, and mobilize the gifts of pastor, staff, and members. Guide transformational change with a sensitivity to transitions, resistance, church size, readiness for change, and stages in the church life cycle. Healthy Church DNA: Transforming the Church for Effective Ministry can help churches guide change by mirroring the sensitivity Jesus exhibited for those he touched.
