Ordained Of The Lord H A Ironside A Biography:

ORDAINED OF THE LORD E. SCHUYLER ENGLISH, H.A Ironside, Rev Terry Kulakowski, Editor, 2015-12-02 That the life story of this servant of Christ should be chronicled for others was inevitable for there is so much in that life Equally certain though the author was the only one who knew it then was the fact that it should be written by me For a period of five or more years I had prayed that when the time should come for Dr Ironside s biography to be recorded I might be the one selected for the task There is doubtless much that I have overlooked in chronicling the lifework of Harry Ironside What I have written has been done to the end that Christ in all His power and beauty and faithfulness may be seen in what has been wrought through His servant and that men and women may be encouraged along life s path and incited to fuller yieldedness to the Lord through the record of a faithful steward E S E Ordained of the Lord Eugene Schuyler English, Henry Allan Ironside, 1979

Searching for the True Church Roger N. Shuff, 2007-01-01 Roger Shuff holds that the influence of the Brethren movement on wider evangelical life in England in the twentieth century is often underrated This book records and accounts for the fact that Brethren reached the peak of their strength at the time when evangelicalism was at its lowest ebb immediately before World War II However the movement then moved into persistent decline as evangelicalism regained ground in the postwar period Accompanying this downward trend has been a sharp accentuation of the contrast between Brethren congregations who engage constructively with the non Brethren scene and at the other end of the spectrum the isolationist group commonly referred to as Exclusive Brethren Besides being the first scholarly study of Brethrenism in England for nearly forty years the book will find a wider audience among present and former adherents of the Brethren movement in its various guises It also offers useful insights for Christian leaders and other professionals who find themselves with pastoral care for people upon whom their encounter with the Brethren has had a profound psychological impact

One Lord, One Faith, Second Edition Rex A. Koivisto, 2009-01-01 One Lord One Faith is a plea and plan to re envision the Church as a broad cross denominational community with a shared faith in the Christ of the Gospel It both affirms the place and inevitability of individual denominational traditions and also provides a grid from which to distinguish those denominational traditions from the core of historical orthodoxy shared by the entire Christian community The book seeks to distinguish denominationalism from sectarianism and identifies sectarianism as the true enemy of historic catholicity

Death of the Church Victorious Ovid Need, Death of the Church Victorious traces with abundant documentation the roots and modern growth of Protestant Zionism and dispensational theology i e God working in different ways in different periods of time from its roots in the late 1700 s to the late 1900 s The new and unique ideas presented during that time were considered unorthodox even heresy But through dedication and hard work men such as John Darby George Muller Hudson Taylor and Dwight Moody changed Christianity from victory to defeat and exalted Zionism over the Gospel Church Now non dispensational theology is considered unorthodox Moody s Northfield conferences the Civil War and the publication of Scofield s popular Reference Bible allowed Zionism and dispensationalism to become legitimate Biblical doctrines in America If Protestants find a monk s retreat from the world wrong is their otherworldliness any the less objectionable Ovid Need s study of Death of the Church Victorious Tracing the Roots and Implications of Otherworldliness is a work of major importance A false spirituality and an otherworldliness of anti Biblical characters have long plagued the Christian Church and hobbled its progress Pastor Need

A Pastor Must Be a Stephen Ed Garrett, 2021-05-06 In a time when the clergy is considered a vocation rather than a calling the aspiring pastor must take heed to biblical guidelines set for the office God s Word sets clear qualifications for the ministry Although not a pastor the deacon Stephen of the Book of Acts was an exemplar of true pastoral directives A Pastor Must Be a Stephen is a study of the characteristics exhibited by Stephen in Acts 6 8 7 60 The directives of successful preaching and powerful leadership shown by this man of God must be a trademark of the contemporary pastorate Stephen s zeal fervor and knowledge of biblical truth is indicative of godly fear and responsibility incumbent upon the gospel ministry The walk of life of a pastor must be a holy convocation The life of Stephen is a paradigm of a gospel minister *Catalogue of Title Entries of Books and Other Articles Entered in the Office of the Register of Copyrights, Library of Congress, at Washington, D.C.* Library of Congress. Copyright Office, 1946 **Lectures On Acts** H.A. Ironside, 2015-07-07 The book of Acts is the story of early Christianity This book gives us a great many principles that should guide us in Christian effort at the present time One is reminded of the Lord s word to Moses when He commanded him to build the tabernacle Look that thou make them after their pattern which was showed thee in the mount Exodus 25 40 God has given us in the book of Acts a pattern of Christian testimony missionary effort world evangelism and building of Christian churches a pattern which we

would do well to follow Certainly we can be assured of this the closer we come to following this holy pattern the greater blessing will attend our efforts The title of this book as given in our English Bibles is of course not inspired These titles have been added to the books by editors Sometimes they seem to have been given with great exactness in other cases we may question their appropriateness Actually this book does not contain the acts of the apostles as a whole The fact of the matter is very few of the apostles are even mentioned in it The book is largely limited to the ministry of two of them Peter who was one of the twelve and Paul who was an apostle of a different order altogether and not one of the twelve He did not know our Lord on earth but received his commission directly from Heaven Actually the book might be called as others have suggested The Acts of the Holy Spirit or if you will The Acts of the Risen Christ through the Holy Spirit Working in the Church on Earth In this book we have brought before us in a wonderful way the work of that promised Comforter who came to earth to witness to the glory of our Lord Jesus Christ and to convince men of sin and of righteousness and of judgment **FULL**

ASSURANCE - H. A. IRONSIDE H. A. IRONSIDE, 2014-12-04 This is a very helpful book for professing Christians who struggle for assurance of salvation The author's own words describe its contents perfectly In writing the following pages I have had but one outstanding object before me to make as plain as I possibly can just how any troubled soul may find settled peace with God I am thinking particularly of those people who believe the Holy Scriptures to be divinely inspired and who recognize that salvation is only to be found in Christ but somehow have missed the peace of a perfect trust and though earnestly desiring to know the LORD are floundering in perplexity of mind May all who read this discover that through Christ's finished work we can have full assurance of sins forgiven and a home in heaven
