Our God Reigns:

Our God Reigns Earl Wesley Morey, 2003 **Our God Reigns** Phil Christensen, Shari MacDonald, 2000-10 What prompted the writers of popular worship choruses to write lyrics that would come to touch the heart of believers around the world The unique insights and inspirations of Kregel Publications best selling stories behind our great Christian songs series now extends to include today s praise songs Book comes with stereo CD featuring each song *Our God Reigns* John Coventry, 1995 **Our God Reigns** Ray MCCAULEY, 1991 **Our God Reigns** , 1981 *Our God Reigns: Piano Duets* Stephen Nielson, Ovid Young, 2005-11 Fred Bock Publications Nielson and Young tour worldwide presenting their popular arrangements of hymns choruses and gospel songs This collection features 6 fabulous duets including the brand new addition *Our God Reigns* as well as such standards as Joyful Joyful We Adore Thee and a stirring patriotic medley Hymns of God and Country Medley **The Complete Book of Hymns** William Petersen, Ardythe Petersen, 2015-01-12 The Complete Book of Hymns brings to life the stories behind more than 600 hymns and worship songs With background on the composer the inspiration behind the lyrics scriptural references for devotional consideration and a sampling of the song lyrics this book brings forth the message of these great songs of the faith like never before *Hymns Psalms & Worship* Irving Risch, As I thought about writing this book I had no idea where I was going to start When you are overwhelmed by so much talent and love for the Lord where do you start My thoughts are of all the Hymn writers past present and future that love the Lord and it shows in the writing of their hymns we have available to us today I have always looked at music and in this case hymns they are speaking to our souls True Soul Music Hymns have always been a big part of worship they get our minds tuned and thoughts focused on the Lord and his great wonders I find that they sometimes put praise on my lips and thanksgivings in my heart I hope they do the same for you Music moves the emotions Some will make you cry while others will put joy in your heart I took a ride this morning on my Trike my three wheel bike and just enjoyed the lovely spring morning with all its newness New leaves on the trees Tulips in full bloom The air even smelled fresh and I have the beauty of living alongside the Mississippi River in a small town in Southeast Minnesota With this beauty it put a song in my heart and makes me want to praise the Lord for his creation You see Worship can be done anywhere at any time you don t have to be in buildings with other Christians but there is also a time for that as well It is called corporate Worship where not just one voice goes up to the throne of grace but many join as one It was this beautiful ride that gave me the inspiration to write this book and if you have decided to read it my hope is that you enjoy it as much as I will in writing it Since becoming a Christian about 38 years ago I just love reading and writing about the Lord The joy of every Christian should be getting to know Him in a more intimate way and that is my hope of doing in this book Think of it a devotional to help you do exactly that There might be some instructions along the way as well A good way to start this writing would be to quote the famous Protestant Reformer Martin Luther I would allow no man to preach or teach God s people without a proper knowledge of the use and power of sacred song

Open Heavens A DEVOTIONAL PRACTICAL AND RELEVANT FOR OUR TIME Enoch A Adeboye Praying in God's Theater Joel L. Watts, 2014-03-10 Much like the book of Revelation Joel L Watts Praying in God's Theater aims to pull readers into a deeper spirituality to confront the daily struggles of Christian life Drawing from the rich well of Christian mystics and theologians from across the ecumenical experience Watts uses the Apocalypse to build a series of prayers and devotions aimed at increasing what he identifies as the contemplative unity and the certain unity between the individual and Christ He urges a radical vision of the prayer and the sacrament of the Eucharist Each chapter of Revelation is considered explored and finally used as a basis to draft prayers Added to this is an application commentary that explores ancient liturgical practices similar to the scenes in Revelation while looking at Revelation in a mystical manner Watts offers Revelation as an early liturgy using this proposition as a catalyst for building prayers and a vision of life based on the Eucharist as the emblem of how we are to approach God What emerges is a profound view on how we envision Scripture prayer and the book of Revelation

the world via my email network Our God is so awesome I've had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I'm led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn't include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you

My Romance with God Peter Christian Lee, 2013-05-20 Our relationship with God tends to be complicated because He knows us only too well while we are limited in our knowledge and to our ignorance of God As a result our bond with Him strains as it weaves in and out of an ambivalent and whimsical love hate relationship This book is for Christians who are confused lost and entangled in this intricate web with God Having our faith constantly challenged we find ourselves tired and mired in a relationship that seems to be running out of steam The daily battles we fight to survive are more than we can handle let alone having to deal with an unpredictable and unfathomable God My Romance with God chronicles an episode in my life that reveals a glimpse of God It captures pieces of an intangible portrait that paints an enigmatic yet

vibrant relationship that can prove overwhelming and yet quenching the thirst and satisfying the hunger of our spirit Knowing the Word is good Understanding it is even better But living it is best because it is only by living the Word that one can truly believe I know that God spoke to me through these pages I know that He will also speak to those who read it but those who hope in the Lord will renew their strength They will soar on wings like Eagles they will run and not grow weary they will walk and not be faint Isaiah 40 31

Sparks of Divine Glory: A Practical Study of the Attributes of God C. Matthew McMahon,2022-03-16 Is there a good reason to study the doctrine of God Knowing God or not knowing God has eternal consequences to it The Savior came to explain the Father John 1 18 and he said that eternal life is knowing God and knowing Jesus Christ whom God sent John 17 3 Such a knowledge must include something more than a mere knowledge of facts It must show a relationship of those facts one to another and how they relate as a whole to the life of the believer Such a study must show what the spiritual benefits are to the redeemed which then turns to the spiritual experience they have as they grow in Christ This volume deals with the application of the knowledge of God and how the

doctrine of God should be a practical every day consideration in the life of the redeemed believer McMahon covers all the revealed Biblical attributes and perfections of God which also include some not generally considered He covers that God is incomprehensible Trinitarian glorious a pure spirit self sufficient simple unified impassible immutable infinite omnipresent eternal invisible omniscient all wise light truth free holy good faithful love gracious merciful longsuffering sovereign omnipotent righteous just wrathful jealous and eminently beautiful He ends with a concluding chapter on how the Christian should always be rejoicing in God s majesty
