Straight Answers to 35 Tough Questions Gordon Kainer, 2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowin in the wind but we've learned that really important answers don't come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God's Word That's the reason God's first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It's been

observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That s one reason we re not only to confront knotty questions but willingly accept God s unraveling answers *Increase Your Faith* Steve Bremner,2013-03-08 What would change in your life if you could speak to your mountain and cast it into the sea Have you ever wondered what Jesus was talking about when he told us we could do this Have you ever wondered the point of having faith like a mustard seed Hebrews 11 6 says that without faith it is impossible to please God yet so many of us have little idea what this means exactly Jesus said if we had faith as a mustard seed we could speak to our mountainous problems and cast them into the sea This book is for you if you are struggling to see a healing in your body you are struggling to see financial breakthrough you are waiting for a promise from God to come to pass you need more resilience in the storms and trials of life while waiting on the promises of God *Increase Your Faith* was written to provide you with spiritual guidance and usable insights to help you see the impossible come about in your life and is the perfect companion to the author s previous book *Six Lies People Believe About Divine Healing* Loaded with Scripture this quick read contains practical tips that you can immediately apply to your personal life and start casting your mountains into the sea **Quest - Promises Fulfilled - Answer Key** Explorer's Bible Study,1997-01-01 **Mission Shaped by Promise** Jukka A. Kaariainen,2012-10-03 Utilizing resources from Martin Luther and the Lutheran tradition this study offers an understanding of the gospel as promise as key to addressing the challenge of relating the missio Dei to a generous constructive approach toward the religious other In its construction of a Lutheran missiology it retrieves and reappropriates four resources from the Lutheran tradition the gospel as promise the law gospel distinction a theology of grace as promise of mercy fulfilled and a theology of the cross utilizing the hiddenness of God The law of God as accusing yet webbing humanity to its Creator the gospel as the comforting promise of mercy and the hiddenness of God as mystifying form the overarching framework within which the Lutheran missiology presented here seeks to engage the religious other by dialectically relating gospel proclamation and dialogue Such a view of mission shaped by promise offers the paradox of God being both revealed and hidden in the cross as a distinctive contribution to an interreligious dialogue centered on the ambiguity and hiddenness of God **Letter & Spirit, Vol. 8: Promise and Fulfillment: The Relationship Between the Old and New Testaments** Scott Hahn,Brant Pitre,Jeremy Holmes,Leroy Huizenga,Michael Barber,Edward Sri,John Bergsma,Sean Innerst,Jeffrey Morrow,Nathan Eubank,2014-01-01 *Promise and Fulfillment The Relationship Between the Old and the New Testaments* is the eight volume in the acclaimed series from Scott Hahn s St Paul Center for Biblical Theology *Letter Spirit* the most widely read journal of Catholic Biblical Theology in English seeks to foster a deeper conversation about the Bible The series takes a crucial step toward recovering the fundamental link

between the literary and historical study of Scripture and its religious and spiritual meaning in the Church's liturgy and Tradition. This volume features an all star lineup tackling one of the oldest questions in Christian biblical scholarship: the relationship between the Old and New Testaments. Highlights include Hahn's essay on the meaning of covenant in Hebrews 9 and Brant Pitre's reading of the parable of the Royal Wedding Feast (Matt 22:1-14) against the backdrop of Jewish Scripture and tradition. *Hope: Promise, Possibility, and Fulfillment* Edited by Richard Lennan and Nancy Pineda-Madrid, 2013. Crafting a theology of hope, this book addresses both the possibility that hope offers and the capacity of hope to respond to the challenges that life presents to us all. **The Faith**, 1913. *Answers to Tough Questions* J. Carl Laney, 2010-08-01. This volume deals with the varied forms of shame reflected in biblical, theological, psychological, and anthropological sources. Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior, recent scholarship has discovered the crucial relevance of social shame evoked by mental status, adversity, slavery, abuse, illness, grief, and defeat. Anthropologists, sociologists, and psychologists have discovered that unresolved social shame is related to racial and social prejudice, to bullying, crime, genocide, narcissism, post-traumatic stress, and other forms of toxic behavior. Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St. Mark's United Methodist Church in Lincoln, NE, in October 2010. Their essays explore the impact and the transformation of shame in a variety of arenas, comprising in this volume a unique and innovative resource for contemporary religion, therapy, ethics, and social analysis.

Telling about God: Promise and fulfillment William A. Van Roo, 1986 First a reflection on the key word in the title of the whole work telling It was occasioned by reflections on a verse of John s prologue which I translate thus No one has ever seen God the only Son who is in the bosom of the Father he has told us about him Jn 1 18 I have italicized the words in which I differ from the translation of the RSV NEB and JB he has made him known Eventually my choice of translation here suggested the title of the whole book To tell is to mention one by one relate in detail make known or manifest disclose divulge reveal inform report to Telling suggest all of the mystery of the revelation by which God told us of himself and Jesus told us of the Father It suggests too the mystery and the frustration of all subsequent telling about God as the message is passed on It suggests the limitations the eternal inadequacy of all divine human symbolizing God can tell us about himself only by some sort of human symbolizing and evidently we can pass on the word only by symbolizing which through it is taken up into the divine self manifestation is always human Jesus told about the Father He did so gradually by the words with which he spelled out the message He did so by all of the human actions and the whole of the human life which he lived In both word and action and by the whole of his human reality he could reveal only bit by bit Aquinas on Israel and the Church Matthew

Tapie, 2014-08-12 The question of whether or not Thomas Aquinas s theology is supersessionist has elicited deep disagreement among scholars Some maintain that Aquinas is the standard bearer of a supersessionist church that undermines Judaism while others hold that Aquinas avoids supersessionism altogether Yet the discussion over whether Aquinas s theology is supersessionist has not always carefully interrogated the term supersessionism nor has it taken into account some of Aquinas s most relevant texts on the subject of Israel and the Church his commentaries on Paul s letters Drawing upon the Pauline commentaries Aquinas on Israel and the Church argues that while Aquinas s most commonly articulated view is that Jewish worship is discontinued after the passion of Christ Aquinas also advanced views that set this into question and in ways that support contemporary Christian teachings that affirm the value of postbiblical Judaism
