Teenagers Iris Clark,2016-12-30 The teen years are terribly challenging for parents Think about it the once little bundle of joy who could tell mommy and daddy anything starts withdrawing and doing all manner of things that as may just seem to be out rightly annoying and challenging your authority as a parent It s as bad as the toddler years of the terrible twos or even worse especially because unlike the terrible twos teenagers can hold grudges and consistently act in a manner that makes you cringe as a parent It is quite obvious that as your children reach the teenage level they begin changing both physically and behaviour wise Sometimes the kids seem hell bent on doing the exact opposite of what you may be asking as their parent However just as you as a parent may think your child has turned for the worst or are afraid they may the truth is that the child is going through so many things If you use the same old parenting ways of dealing with toddlers you just may lose your teenager to whatever it is you are trying so hard to keep him her away from Your child is not exactly the little kid you once knew they are now teens who need to be treated as teens and if you don t get it right you probably may be setting yourself up

for failure and unnecessary headaches One of the biggest problems that many of us parents have is our approach to teen parenting With the many horror stories that we may have come across regarding teen parenting we end up approaching parenting teenagers as an ordeal that we are very much incapable of handling That s why we feel that we can only helplessly watch as our teens turn into some unpredictable monsters Well raising teens does not have to be that way You can parent them in a way that increases the chances of turning out well If you are looking for information on how to go about it this book has all the information you need to bring them up in a way that guarantees less friction and increases their chances of becoming responsible adults after making it through their teenage years successfully Raising Successful Teens Jeffrey Dean,2019-09-03 This revised and updated edition of The Fight of Your Life features a new title refreshed design and 70% new content From every side the Internet social media interactions with friends in both their public and private lives teens are persuaded to follow the world s way over God s every day Culture s mantra live for today has become the slogan of this generation But one thing remains true mom and dad are still the greatest influence in the life of their child Based on timeless biblical truths Raising Successful Teens equips parents with positive encouraging and practical advice A family and teen culture expert with more than 25 years of ministry experience Jeffrey Dean gives parents the street level approach they need to help their teens wisely and safely navigate technology friendships dating relationships social media and more Parents will learn how to keep the lines of communication open and stay involved in their teens lives Raising Teenagers John S.
