Dickens, Journalism, Music Robert Terrell Bledsoe,2012-02-23 Dickens Journalism Music presents the first full analysis of the articles on music published in the two journals conducted by Charles Dickens Household Words and its successor All the Year Round Robert Bledsoe examines the editorial influence of Dickens on articles written by a range of writers and what it reveals about his own developing attitude to music and its social role in parks community singing groups music halls and on the streets The book also looks at the difference between the two journals and how the greater coverage of classical music and opera in All the Year Round reflects the increasing importance of music to Dickens in his later life      *Called Upstairs* Tom Gordon,2023-05-15 A silent clapboard church on a barren Arctic landscape is more than just a place of worship it is a

symbol that can evoke fraught reactions to the history of Christian colonization In the Inuit homeland of Northern Labrador however that church is more likely to resonate with the voices of a well rehearsed choir accompanied by an accomplished string orchestra or spirited brass bands The Inuit making this music are stewards of a tradition of complex sacred music introduced by Moravian missionaries in the late 1700s a tradition that over time these musicians transformed into a cultural expression genuinely their own Called Upstairs is the story of this Labrador Inuit music practice It is not principally a story of forced adoption but of adaptation mediation and agency exploring the transformation of a colonial artifact into an expression of Inuit aesthetic preference spirituality and community identity Often overlaying the Moravian traditions with defining characteristics drawn from pre contact expressive culture Inuit musicians imbued this once alien music with their own voices Told through archival documents oral histories of Inuit musicians and the music itself Called Upstairs tracks the emergence of this Labrador Moravian music tradition across two and a half centuries Tom Gordon presents a chronicle of Inuit leadership and agency in the face of colonialism through a unique lens In this time of reconciliation this story offers a window into Inuit resilience and the power of a culture s creative expressions

Bledsoe,2018-12-21 First published in 1998 this book focuses on the once celebrated but now neglected musical journalism of Henry Forthergill Chorley For nearly forty years he effectively used his acerbic pen and idiosyncratic critical judgments to celebrate the works of Rossini Mendelssohn Meyerbeer Gounod and Sullivan and to scorn those of Schumann Verdi and Wagner This book also discusses his friendships with literary figures such as Charles Dickens Elizabeth Barrett Browning and Felicia Hemans as well as his ongoing efforts to establish himself as a novelist as well as a journalist **A Second**

**Carl Maria von Weber and the Search for a German Opera** Stephen C. Meyer,2003-01-17 Stephen C Meyer details the intricate relationships between the operas Der Freischütz and Euryanthe and contemporary discourse on both the Germany of the imagination and the new nation itself In so doing he presents excerpts from a wide range of philosophical political and musical writings many of which are little known and otherwise unavailable in English Individual chapters trace the multidimensional concept of German and foreign opera through the 19th century Meyer's study of Der Freischütz places the work within the context of emerging German nationalism and a chapter on Euryanthe addresses the opera's stylistic and topical shifts in light of changing cultural and aesthetic circumstances As a result Meyer argues that the search for a new German opera was not merely an aesthetic movement but a political and social critique as well The Companion,1828 The Musical World ,1841 **Catalogue of music and musical literature** London St. Martin's hall, libr,1850
