Magsaysay Allyn C. Ryan, 2007-11-28 World War II had left the Philippines reeling from poverty unrest and lawlessness Rampant graft and corruption characterized the government of President Elpidio Quirino The farmers in Central Luzon resentful and angry over agrarian problems swelled the ranks of the Hukbalahap a contraction of the name in the vernacular Hukbong Bayan Laban sa Hapon literally translated to National Army Fighting the Japanese They were a rag tag guerrilla force that fought the Japanese occupation in 1941 1945 At the height of the Huk power the Philippine military weak and undisciplined was unable to counter the Huk attacks throughout the country The Huks relentless drive to bring down the government in the early 1950s threatened the Philippines with a communist takeover RM is the story of an extraordinary man who faced these problems against all odds His integrity and perseverance in trying to ameliorate the plight of the downtrodden and the helpless in Philippine society cast him in the limelight As a result he was elected on November 10 1953 as the third president of the Philippines after the United States had granted independence on July 4 1946 RM was the seventh elected leader since June 12 1898 when Emilio Aguinaldo became the first leader after the Filipino revolution against Spain in 1898 and the United States in 1899 1902 RM takes the reader back to his unpretentious beginnings in Zambales where all towns face the China Sea The province was generally poor and the people predominantly Ilocanos except for the northern and southern areas In the north lived a smattering of natives that spoke Zambal and to the south Tagalog because of the proximity to Bataan a Tagalog province RMs great grandparents were not Ilocanos however On his fathers side his great grandmother Paulina Toleido she was blonde with blue eyes was a peninsular Castilian who lived in Makati Rizal Her husband Gregorio Magsaysay an educated man worked as a clerk in an early American firm Smith Bell Co One of their sons became the father of Exequiel Ramons father On his mothers side the del Fierro families were mestizos an admixture of Spanish and native from Catbalogan Samar The Moro pirate attacks during the early part of the nineteenth century drove the del Fierro family northward where they settled in Zambales The Spanish mestizo Juan del Fierro and Maria Quimzon of Cavite became the parents of Perfecta the mother of Ramon RM was a target of several assassination attempts After Bataan and Corregidor fell April 9 and May 6 1942 the Japanese Kempei Tai secret police wanted him dead because of his guerrilla activities He worked closely with the USAFFE U S Armed Forces in the Far East and was subsequently appointed by General Charles P Hall as the military governor of Zambales Because of his sincerity in dealing with his guerrilla followers and what

he did for the people during the war years everyone recognized his leadership abilities This paved the way for his entry into politics Monching as people came to call him saw and felt what poverty can do to peoples lives compounded by what politicians promised and never lived up to The shenanigans of RM and his political friends leading up to his nomination as the Nacionalista Party standard bearer could be construed by his foes as machiavellian In many ways he was an uncommon politician who drew the ire of friend and foe alike the infighting of senators and congressmen in the Philippine Congress and the paradoxical support of people who wanted the status quo to continue during his administration As Secretary of Defense under President Elpidio Quirino he fought the Huk menace on all fronts resulting in blood and tears for the people of Zambales During the Huk insurrection their assassins stalked his every move Lack of security p

San Ramon Chronicles Beverly Lane, Museum of the San Ramon Valley, 2015-09-21 Though a relatively young city San Ramon has history stretching back to California s founding Ohlone Indians first inhabited the area before rancheros

grazed the land more than a century ago Drawn by the Gold Rush pioneers and prospectors settled the place promoters labeled a Garden of Eden Diversified farming of the valley full of orchards and plentiful fields sustained the rural population Sitting in the shadow of historic Mount Diablo San Ramon is a growing city recognized for its extraordinary parks schools and active citizenry Local author Beverly Lane brings to life San Ramon's vibrant past *Bradford's World's Fair Bulletin*, 1902 Ilan Ramon Tanya Lee Stone, 2003-01-01 A biography of Israeli astronaut Ilan Ramon who died in the explosion of the space shuttle Columbia on February 1 2003 **Homage to Ramon Margalef, Or, Why There is Such Pleasure in Studying Nature** Ramón Margalef, 1992 When a scientific journal like *Oecologia Aquatica* reaches its tenth issue it is perhaps not an occasion for extraordinary celebration However if it turns out that this coincides with a series of unusual circumstances then the perspective changes somewhat Moreover if the editors hasten to confess that this modest milestone of issue no 10 was really taken as an excuse to pay tribute to Professor Ramon Margalef who was the founder the first director and the driving force behind the journal we can be forgiven for waiting to celebrate **Taxonomies of Knowledge** Emily Steiner, Lynn Ransom, 2015-11-03 *Taxonomies of Knowledge Information and Order in Medieval Manuscripts* examines the role of the manuscript book in organizing and classifying knowledge The essays demonstrate how the technologies of the book allow scholars to determine what medieval readers and writers thought information was and how it could be transmitted to others Ramon Novarro Allan R. Ellenberger, 2015-07-11 Ramon Novarro was Ben Hur to moviegoers long before Charlton Heston The 1926 film made Novarro known as Ravishing Ramon one of Hollywood's most beloved silent film idols His bright and varied career spanning silents talkies the concert stage theater and television came to a dark conclusion with his murder in 1968 This comprehensive work details both the private and public aspects of Novarro's life to return him to his rightful place in film history Includes a complete filmography and numerous photos **Reading the World** Mary Franklin-Brown, 2012-09-01 The thirteenth century saw such a proliferation of new encyclopedic texts that more than one scholar has called it the century of the encyclopedias Various referred to as a *speculum* *thesaurus* or *imago mundi* the term encyclopedia was not commonly applied to such books until the eighteenth century these texts were organized in such a way that a reader could easily locate a collection of authoritative statements on any given topic Because they reproduced rather than simply summarized parts of prior texts these compilations became libraries in miniature In this groundbreaking study Mary Franklin Brown examines writings in Latin Catalan and French that are connected to the encyclopedic movement Vincent of Beauvais's *Speculum maius* Ramon Llull's *Libre de meravelles* *Arbor scientiae* and *Arbre de filosofia d'amor* and Jean de Meun's continuation of the *Roman de la Rose* Franklin Brown analyzes the order of knowledge in these challenging texts describing the wide ranging interests the textual practices including commentary compilation and organization and the diverse discourses that they absorb from preexisting classical patristic and medieval writing She also demonstrates how these encyclopedias like libraries became heterotopias of knowledge spaces where many possible ways of knowing are

juxtaposed But Franklin Brown's study will not appeal only to historians she argues that a revised understanding of late medievalism makes it possible to discern a close connection between scholasticism and contemporary imaginative literature She shows how encyclopedists employed the same practices of figuration narrative and citation as poets and romancers while much of the difficulty of the imaginative writing of this period derives from a juxtaposition of heterogeneous discourses inspired by encyclopedias With rich and innovative readings of texts both familiar and neglected *Reading the World* reveals how the study of encyclopedism can illuminate both the intellectual work and the imaginative writing of the scholastic age
