## **Ranchers Proposition:**

**The Rancher's Proposal** Paula Altenburg, 2019-09-12 She said she'd never rely on a man again Never say never When meek and mild Posey Davies calls it quits on her toxic marriage she grabs her two year old daughter and runs Her flight lands her in Grand Montana a community happy to take her in and even happier to nose about in her life and her unfortunate past The cowboy next door Zack McGregor has good time written all over him He's only home for a year to help out his older brother who's guardian of their sister's children Zack is kind funny and oh so easy on the eyes He'd be perfect but the practical Posey predicts Zac will disappear as soon as winter sets in Zack's not as laid back and fun loving as he seems He's all about family and doing what's right When Posey's deadbeat ex husband begins making demands Zack insists on playing protector Posey's never had anyone stand up for her before and soon realizes that perhaps relying on this man and trusting in love is well worth the risk *The Rancher's Baby Proposal* Barbara White Daille, 2017-05-01 HER SECRET COWBOY

CRUSH Ally Martinez has always been known as a fun and flirty kind of gal But deep down she's never forgotten the cowboy who left town When her crush Reagan Chase comes home after a seven year absence Ally knows this is her big chance The guy I've always wanted Only Reagan has something different in mind Still reeling from his last relationship Reagan needs a babysitter for his month old son With Ally's help he can get his family's ranch ready for sale and get out of Cowboy Creek The problem Ally is one seriously cute distraction But Reagan will do whatever it takes to keep his heart safe Even if it means losing the only place and the only woman he can call home *The Nebraska Sand Hills* Charles Barron

McIntosh, 1996-01-01 Charles Barron McIntosh has devoted a lifetime of scholarship to the history of human activity on Nebraska's Sand Hills the spare beautiful land that occupies much of western Nebraska From carefully deciphering Native American occupancy through rigorous analysis of thousands of arrowheads to patiently combing through decades of courthouse land title transaction records McIntosh has mastered the sweep of centuries of human interaction with the land We learn how the land shapes humankind far more than pride would have us believe and we see that perhaps our real success lies in learning how to live with the land rather than attempting to master it The Nebraska Sand Hills reflects McIntosh's lifetime of learning reading questioning analyzing in short everything it means to be a scholar seldom are these efforts so well demonstrated His affection for this unique landscape is present on every page *The Rancher's Christmas Proposal* Sherri Shackelford, 2015-11-01 In this inspirational historical romance a cowboy with kids and a woman on the run

strike a marriage bargain and discover love on the western prairie A Mother for His Children Single father Shane McCoy has his hands full trying to run a ranch while raising two year old twins His children clearly need a mother's guiding hand An encounter with a lovely stranger on a train platform offers an unconventional answer to his predicament when she suggests a marriage of convenience Tessa Spencer needs a fresh start far from her con man father's schemes His latest scrape has made her the target of a vengeful outlaw Shane's isolated ranch provides refuge and his children easily win Tessa's affections

Sheridan, 2012-02-01 Hailed as a model state history thanks to Thomas E Sheridan's thoughtful analysis and lively interpretation of the people and events shaping the Grand Canyon State Arizona has become a standard in the field Now just in time for Arizona's centennial Sheridan has revised and expanded this already top tier state history to incorporate events and changes that have taken place in recent years Addressing contemporary issues like land use water rights dramatic population increases suburban sprawl and the US Mexico border the new material makes the book more essential than ever It successfully places the forty eighth state's history within the context of national and global events No other book on Arizona history is as integrative or comprehensive From stone spear points more than 10 000 years old to the boom and bust of the housing market in the first decade of this century Arizona A History explores the ways in which Native Americans Hispanics African Americans Asians and Anglos have inhabited and exploited Arizona Sheridan a life long resident of the state puts forth new ideas about what a history should be embracing a holistic view of the region and shattering the artificial line between prehistory and history Other works on Arizona's history focus on government business or natural resources but this is the only book to meld the ethnic and cultural complexities of the state's history into the main flow of the story A must read for anyone interested in Arizona's past or present this extensive revision of the classic work will appeal to students scholars and general readers alike The Dairy World, 1927 **American Sugar Industry and Beet Sugar Gazette**, 1903 Montana Wilderness United States.
