Random House Historical Dictionary of American Slang Jonathan E. Lighter, 1999 A collection of American slang which Historical Dictionary of American Slang Jonathan E. Lighter, 2007-07-01 includes both present day and historical terms Random House Historical Dictionary of American Slang ,1994 Random House Historical Dictionary of American Random House Historical Dictionary of American Slang Jonathan E. Lighter, 2007 **Random House** Historical Dictionary of American Slang ,2002 A historical dictionary of American slang: Vol. I Jonathan Evan A Historical Dictionary of American Slang Jonathan Evan Lighter, 1983 RANDOM HOUSE HISTORICAL DICTIONARY OF AMERICAN SLANG; V. 4: T-Z., 2004 An Encyclopedia of Swearing Geoffrey Hughes, 2015-03-26 This is the only encyclopedia and social history of swearing and foul language in the English speaking world It covers the various social dynamics that generate swearing foul language and insults in the entire range of the English language While the emphasis is on American and British English the different major global varieties such as Australian Canadian South African and Caribbean English are also covered A Z entries cover the full range of swearing and foul language in English including fascinating details on the history and origins of each term and the social context in which it found expression Categories include blasphemy obscenity profanity the categorization of women and races and modal varieties such as the ritual insults of Renaissance flyting and modern sounding or playing the dozens Entries cover the historical dimension of the language from Anglo Saxon heroic oaths and the surprising power of medieval profanity to the strict censorship of the Renaissance and the vibrant modern language of the streets Social factors such as stereotyping xenophobia and the dynamics of ethnic slurs as well as age and gender differences in swearing are also addressed along with the major taboo words and the complex and changing nature of religious sexual and racial taboos Words Dale D. Johnson, 2018-04-17 Written by respected authorities in the fields of education and literacy studies Words The Foundation of Literacy is a groundbreaking book for teachers administrators and education students Dale and Bonnie Johnson present a fresh inspiring reminder of why studying language from word origins to word structure is such a vital first step in the development of students vocabulary literacy writing skills and overall ability to learn At a time when high stakes testing has squeezed substance from many curricula Johnson and Johnson provide ways to enhance students understanding interest and appreciation of language and all its subtleties Words explores how meaning in language is created by the use and interrelationships of words phrases and sentences their denotations connotations implications and ambiguities From birth most children exhibit a natural interest in language its sounds nuances and unpredictable qualities It is important to sustain stimulate and recapture that natural interest in the classroom and Words provides a multitude of creative and practical techniques for doing so American English(es) Anna Belladelli, Roberto Cagliero, 2013-05-24 American English es focuses on the manifold nature of a macro regional variety of English which is better described in the plural form thus enhancing the

endless contribution of most diverse ethnic groups such as those kidnapped from Africa to be employed as slaves survivors of native American tribes systematically exterminated in the past and later on European Jews escaping from pogroms Europeans and Asians escaping from poverty and more recently Central and South Americans mostly Spanish speakers emigrating to the USA in search of supposedly better living conditions By tackling the notions of minority variety and dialect this book singles out three language related phenomena which are currently relevant to the academic and cultural debate concerning US society namely the obsolescent representation of minority vs hegemonic varieties of English the latest developments of the Spanish vs English controversy and the increasing exposure of slang in public contexts The multiple points of view on American Englishes offered by the essays included in the present volume draw on diverse and often contrasting approaches ranging from corpus linguistics to cultural studies from lexicography lexicology to discourse analysis

Language in the USA Edward Finegan, John R. Rickford, 2004-06-24 This textbook provides a comprehensive survey of current language issues in the USA Through a series of specially commissioned chapters by leading scholars it explores the nature of language variation in the United States and its social historical and political significance The book is divided into three sections Part I American English explores the history and distinctiveness of American English and regional and social varieties Part II Other Language Varieties looks at multilingualism and linguistic diversity Part III The Sociolinguistic Situation in the USA includes chapters on attitudes to language language and education Rap and Hip Hop and adolescent language It also explores issues such as the Ebonics controversy and the English Only movement Clear accessible and broad in its coverage this book will be welcomed by students across the disciplines of English Linguistics Communication American Studies and Popular Culture as well as anyone interested more generally in language related issues Garner's Modern American Usage Bryan A. Garner, 2003 Painstakingly researched with copious citations from books newspapers and news magazines this new edition has become the classic reference work praised by professional copy editors Same-Sex Dynamics Among Nineteenth-Century Americans D. Michael Quinn, 2001-06-15 Winner of the Herbert Feis Award from the American Historical Association and named one of the best religion books of the year by Publishers Weekly D Michael Quinn s Same Sex Dynamics among Nineteenth Century Americans has elicited critical acclaim as well as controversy Using Mormonism as a case study of the extent of early America's acceptance of same sex intimacy Quinn examines several examples of long term relationships among Mormon same sex couples and the environment in which they flourished before the onset of homophobia in the late 1950s The Politics of Proverbs Wolfgang Mieder, 1997 Demonstrates how proverbs and to a lesser extent proverbial expressions have played a significant role in political life during the 20th century Takes as major examples the speeches and writings of Adolf Hitler Winston Churchill and Harry Truman to show how proverbs can be brought into the service of most any ideology Also traces the use of proverbs and their cartoon analogues during the five decades of Cold War propaganda and proverbial slurs against Native Americans and Asian Americans Paper edition unseen
