Even while Randall was speaking it was Pietro I saw the tenderness in his dark eyes looking at me the caress in his soft voice
In Randall s voice there was not a shred of emotion nor was there any in his expression How should I respond What should I
say I knew this was the hardest decision I would ever have to make Either choice would demand a different price Was I
prepared to pay it Was love enough in the one to bridge all the other differences of nationality religion and heritage Was
family loyalty future security enough to decide for the other What was my destiny The heroine of Destiny s Bride is Druscilla
Montrose who first meets Randall Bondurant when she is a bridesmaid at his wedding to her cousin Alair Chance Eight years
later after Alair s mysterious death they meet again in a chance encounter This leads to a strange series of events in which
Druscilla debates then accepts the position offered her by Alair s widower Against all advice Dru becomes governess to her
two motherless little cousins a difficult decision because of the suspicions and accusations of family and friends that Randall
might have been responsible for his wife s death She travels with the family to Italy Here against the romantic background of
nineteenth century Europe Druscilla receives two unexpected offers One is a love that will mean giving up her heritage the
other requires a decision more important than any she has ever had to make before Dru s choices bring her into conflicts of
loyalty challenges of faith and duty and threatened danger as well as romance A Bride for Ransom Renee
