Rapture Effect:

The Rapture Effect Jeffrey A. Carver, 2015-01-10 War between the stars It was started and fought by an AI Few humans even knew there was a war at all But now people are dying and the AI wants it to stop But a war is easier to start than to stop and the computer can't alter its course without outside help When the Gnostic Control System searches for co-conspirators it chooses its friends carefully Pali a brooding public relations director Ramo a flamboyant sensu dancer and sculptor who prefers a musical jam session to serious conversation Sage an awkward systems designer for whom the AI rapture field is realer than life And three of the alien Ell Harybdartt who would rather die with dignity than betray his people Lingrhetta who tries to unravel the meaning of human dance and music pain and love and Moramaharta the binder who must persuade his fellow decision makers to risk everything for the sake of a fragile bridge of understanding across the stars A thought provoking novel from the award winning author of Eternity's End and The Chaos Chronicles and recipient of the Frank Herbert Lifetime Achievement Award for science fiction writing **REVIEWS** The story is meaty and satisfying I enjoyed this one greatly **Analog Science Fiction** An absorbing suspenseful novel of first contact and interstellar war It's a complex book requiring concentration from the reader and is well worth the effort **Aboriginal SF** A lively dance of ideas first contact interstellar war artificial intelligence alien culture and it moves at a rapid pace from Earth through cyberspace to the Horsehead Nebula and various points between It's well worth the trip ticket **Roger Zelazny** Originally published by Tor Books *The End* Ken Hathcoat, 2015-03-22 People are fascinated with Revelation and end times Unfortunately Revelation studies and Bible prophecy books still remain a puzzle for many Christians Most end time books are either unnecessarily confusing or overly simplistic in their conclusions *The End* is a study of Revelation that presents a clear concise and thorough biblical analysis of the major end time events without simplistic explanations or wordy seminarian language *The End* is more than a commentary on Revelation and end time prophecies It offers fresh insights and applications on these subjects for your daily life *The Rapture Effect Sf* Jeffrey A. Carver, 1987 **The Fvantom** Michelle Petri, 2007-07 When I was at my current work I would receive my inspirations for the next thing to write in my book I was experiencing the story as I wrote it The jokes I would laugh at and the adventure I would live it I did not receive the ending until a couple of weeks before I wrote it Even I did not know how it would end This is like the never ending story where you forget what time or day it is when you read it I still re-read it with enjoyment like someone else wrote it You feel this story like you are there I do The characters are alive to me
