The Rapture Code Craig S. Luchin, 2010-03-03 Can there only be one Rapture The Rapture Code Part One of an Eight Book Coded Series This is the first book of an Eight Book Coded Series concerning Christian living I've been a Christian for 34 yrs and for over 30 of those years I have tried to augment the Rapture of the Church with additional biblical evidence I started out all those years ago to accomplish this one task Well God has greatly blessed me in that I found not one code concerning the Rapture but a coded series of eight codes total Thus each one relating to the Christians walking out their salvation in one aspect or another Doctrinally this first book pertains to the Rapture of the Church in a Pre Millennial position that promotes as true The Seven year Tribulation the Millennial Reign of Jesus Christ here on earth the little season of Satan and then the New Heavens and Earth What I have uncovered is a deeper answer that gives good reasons for all three rapture positions which are Pre Mid and Post Tribulation being three different raptures all taking place during this 7 year time period Thus there being three separate raptures instead of just one I see there are three raptures of three different groups of peoples in the Tribulation Period Instead of the one group of the one Rapture of the Church in only one of the three rapture positions offered us Namely the rapture positions of Pre or Mid or Post Tribulation Thus again I see three different raptures taking place as follows Rapture of the Church Rapture of the Two Witnesses Rapture of the Elect of Israel Pre Tribulation Mid Tribulation Post Tribulation Israel is always the key to proper biblical prophecy Without Israel in existence today as a nation there would be no final End Times Israel and the Church are separate in the Scriptures and so it only makes sense especially after seeing the evidence that I have accumulated in this book that Israel would have its OWN rapture Further Christians are making the same error of judgment pertaining to Christ's Rapture of the Church seeing only one rapture that Israel made concerning Christ's First Coming Israel perceived wrongly that there was only one Coming of Christ which they were sorely mistaken and we now know that there are two Comings of the LORD one 2 000 yrs ago and one in the near future But Christians are making the same error in thinking that there is only one rapture of one major group of people The Rapture of the Church When in fact there are two raptures of two major groups of peoples as noted above Note The Two Witnesses are not a group though I feel with some Scriptural evidence that the 144 000 may go up with the Witnesses In which the Left Behind notion will be proved wrong Also I have found a word pattern order exclusive to the KJB that shows forth this order in many OT verses as well as the NT I have found the threefold pattern of these three raptures in the Breastplate of the High Priest in the Seven Feasts of Israel in the books of Daniel and Revelation in the books of Matthew Mark and Luke and in many other places In addition these truths will strengthen the Eternal Security of any Believer Finally I have discovered many new study aids for advance studies that only appear in the KJB which will strengthen the Christian for the ongoing battle for the Bible The King James Bible in which these study aids can and will be demonstrated throughout this Eight Book Coded Series by which these eight codes are based in Acts 3 The

codes are there in this chapter four times in a four times over repeating order perfectly This co **21: 12: 2012 The Day of the Rapture** Ken Jackson,2010 *Will Planet X Signal the Rapture?* David Meade,2016-01-13 My inspiration for this book was a vision that I m aware of where it was revealed that in October of 2017 I know the day but I d rather not mention it at this point but it is in October and in the very latter part that Russia China and North Korea would use a combination of drone submarines and unmarked container ships to engage in a nuclear attack on the US coast The attack will occur between midnight and dawn and they will attack both Britain and the U S simultaneously God told him that as soon as the missiles appeared on the horizon the rapture of the church would occur The Russians are planning this at a compartmentalized high and secret level and the reason for the date they have chosen is that it commemorates the 100th anniversary of the Russian Revolution Afterwards with Israel s protectors neutralized they will invade the Middle East as Israel has a warm water port and the largest oil and gas fields on the planet now known as the Leviathan gas fields The book chapter by chapter goes into the Biblical basis for this event and its precise timing It explains what will happen afterwards It most of all explains how an astronomical object called by some Nibiru and also known as Planet X will create the very environment from which such events occur **They Lied to You About the Rapture** Alan DiDio,2025-04-01 Decode the Rapture Discern the Signs Embrace Your End Time Assignment Are you confused frightened or indifferent toward end times teachings about the rapture You re not alone The end time teaching of the rapture has sparked controversy misunderstandings and debates among Christians Some misrepresent it as an excuse to disengage from worldly affairs and await heavenly rescue Others mock it as escapist theology reject it outright or live blissfully ignorant of the glory and crisis that will unfold on earth in the last days Alan DiDio pastor influential podcaster and seasoned end times teacher exposes false teachings and misinterpretations about the rapture reconnecting you to a life of purpose meaning and Kingdom impact in these last days Through clear teachings and profound truths you ll discover how to Discern prophetic signs of the times pointing to the coming rapture Live every day fueled by a clear sense of purpose and meaning Avoid being caught off guard by prophecies being fulfilled around you Occupy your sphere of influence by living as a representative of the Kingdom until Jesus returns The world may be caught off guard by the return of Jesus but you are called to discern the times and seasons Open your eyes to the reality of Jesus imminent return and live every single day filled with a sense of divine purpose and Kingdom assignment *Trapped by the Pre-Trib Rapture* , Revelations of the Rapture Beverley-Anne Bear,2017-06-06 On my search for finding the meaning of life I made the most amazing discovery which is what this book is all about I discovered how to remember who we truly are and how to reconnect to God Creator of all that is the source of all life Life is a journey As we travel along the road discovering life we realize that there is no road map for life just a moment by moment discovery of selfdiscovering who we are and more excitingly who we want to be or become This book has taken me over ten years to write since I had a powerful prophetic dream in August 2005 I have been on a personal journey of discovery and of immense

growth since then resulting in all the beliefs that I had since a young girl to be turned upside down If anybody had told me what I know today ten years ago I would have argued with them and told them that they were being misled and would have considered it heresy An age old parable talks about an old beggar who was sitting on a box at the side of the road When a stranger came walking past the beggar asked the stranger for some spare cash The stranger replied that he had no money to give him but then asked the beggar what was inside the box that he was sitting on The beggar replied that it was an old box that he had been sitting on for as long as he could remember and that he had never looked inside as it was surely empty The stranger encouraged him to open the box and to look inside which the beggar duly did only to find that the box was filled with gold All these years this beggar has been begging for money and eating scraps of food or any morsel that he could find while if he had only looked inside he would have realized that he was extremely wealthy The first few chapters of this book are written with an extremely religious tone due to the fact that I was writing from my belief at that time However this is not a religious book You will notice how my beliefs change as the book unfolds This book has been written from my belief which I believe God revealed to me through many hours of studying the Bible praying and listening to the still small voice within I had many hours of quiet time with God I am sharing information with you that I have gathered on my personal journey but what you do with this information is up to you as you always have a choice

Ancient Aliens, the Rapture and the Return of Christ Chet Cataldo, 2011-05-24 Many cultures around the world have records of ancient aliens who visited them gave them knowledge and left Who are these aliens This book will identify these ancient aliens and describe a coming day when these aliens will return to the earth The day of the aliens return to the earth will be integrated into the idea of the Rapture and the Return of Christ

Tennyson's Rapture Cornelia D. J. Pearsall, 2008-01-29 This book explores Tennyson's representation of rapture as a radical mechanism of transformation theological social political or personal and as a figure for critical processes in his own poetics Offering a new approach to reading Victorian dramatic monologues Pearsall probes the complex aims of these performances showing how speakers' ambitions are both articulated in and attained through their consequential speech

The Lady of Rapture Sarah Raughley, 2025-04-29 Penny Dreadful meets The Gilded Wolves in this breathtaking finale to the young adult historical fantasy Bones of Ruin trilogy For years the elite secret society called the Enlightenment Committee has waited for the apocalyptic force known as Hiva to destroy the world as it has so many times before What the Committee didn't know however was that Hiva wasn't an event it was a person Iris Marlow An African tightrope dancer with no memories of her past A girl who cannot die At least she couldn't die Until her own friends discovered her one weakness and murdered her once and for all The world ending threat she posed should be gone too but there's one more Hiva out there and unlike Iris this one has no love for humanity In her absence this Hiva has taken it upon himself to judge if humanity deserves to live But when it comes to Hiva's the judgment is always the same The ending is always total destruction And while Iris is dead she's not gone and after the betrayal that ended her life as Iris she is now out

for revenge The world s days are numbered The Cataclysm has begun
