Raptures Rebel:

Rapture of the Deep Ray Troll, 2004 In addition to celebrating the extraordinary fish artist this beautiful book also pays tribute to the world of zoological and anthropological creatures he renders with a blend of biological accuracy and surreal offbeat humor

A Beginner's Guide to the Rapture Greg Legge, 2019-05-08 The Lord himself will come down from heaven We will hear a loud command We will hear the voice of the leader of the angels We will hear a blast from God's trumpet We will be taken up in the clouds We will meet the Lord in the air And we will be with him forever 1 Thessalonians 4:16-17 NIV Many are waiting for the return of Jesus Christ But what if it's already happened Rapture is the biblical prophecy of Christ's promise to physically return to the earth and gather his followers to meet him in the sky and be granted eternal life in heaven In *A Beginner's Guide to the Rapture: The History of Christ's Return* Greg Legge presents a thorough study of historical evidence to argue that Christ fulfilled this promise nearly two thousand years ago Legge makes a compelling argument that the rapture has come and gone by pairing history with relevant biblical scripture From analyzing the works of 19th century Adventists to detailing the lives of the 1st century leaders of the Roman Empire Legge proves that what society has come to assume about the Second Coming may be completely wrong

The Particulars of Rapture Avivah Gottlieb Zornberg, 2011-02-01 Avivah Zornberg grew up in a world of rabbinic tradition and scholarship and received a Ph.D. in English literature from Cambridge University *The Particulars of Rapture* the sequel to her award winning study of the Book of Genesis takes its title from a line by the American poet Wallace Stevens about the interdependence of opposite things such as male and female and conscious and unconscious To her reading of the familiar story of the Israelites and their flight from slavery in Egypt Avivah Zornberg has brought a vast range of classical Jewish interpretations and Midrashic sources literary allusions and ideas from philosophy and psychology Her quest in this book as she writes in the introduction is to find those who will hear with me a particular idiom of redemption who will hear within the particulars of rapture what cannot be expressed Zornberg's previous book *The Beginning of Desire: Reflections on Genesis* won the National Jewish Book Award for nonfiction in 1995 and has become a classic among readers of all religions *The Particulars of Rapture* will enhance Zornberg's reputation as one of today's most original and compelling interpreters of the biblical and rabbinic traditions

Lee W. Brainard,2021-11-18 The Greek word apostasia in 2 Thessalonians 2 3 has long been understood to be a reference to an exceptional apostasy or departure from the faith in the last days that comes to an explosive climax during the seventieth week under the tyranny of the antichrist Recently some prophecy teachers have advanced the idea that apostasia in this verse 3 does not refer to apostasy but the rapture They claim that the semantic range of apostasia is not limited to spiritual departure but includes physical departure They also insist that all of the early Bible versions translated apostasia in 2 Thessalonians 2 3 by departure which they regard as a reference to the church s physical departure for heaven Are they correct Is apostasia in 2 Thessalonians 2 3 a reference to the rapture Is it a reference to physical departure that should be translated by the word departure Are translations like falling away revolt and apostasy wrong In this volume I present a mountain of overlooked evidence from Koine Greek the Church Fathers and the Bible versions that shouts an emphatic No to all four questions Pure Rapture Aja James,2022-01-26 Their love is outlawed by both their Kinds Tal Telal the legendary General who led the Pure Ones to freedom paid the ultimate price for his people breaking the heart of his one True Love Her shattered heart continues to yearn Ishtar Anshar once royalty reigning over a vast ancient empire lost everything she held dear Deceived by those she trusted the most she blamed the one male who sacrificed all to protect her No matter the distance and time love is a renegade that
