during training and from the trenches in some of the war's bloodiest battles The letters also deal with the war's political context including conscription and the Union government as well as social issues such as the emerging role of women the role of the growing middle class nativism and the use of liquor overseas R B Fleming the collection's editor contends that Leslie Frost's military experiences and hospitalization affected his policies as premier of Ontario 1949-1961 especially those related to medicare and liquor control laws Frost's government was the first to pass laws providing penalties for racial ethnic and gender discrimination on private property creating a movement that led to the Ontario Human Rights Code The Wartime Letters of Leslie and Cecil Frost 1915-1919 makes a significant contribution to military history and social history Fleming places the letters in context and shows the value of their commentary This book will be of interest to the general reader as well as scholars of military history and social history *The International Military Digest Annual* Edwin Roy Stuart, 1918
