Rat Bohemia:

Rat Bohemia (Large Print 16pt) Sarah Schulman, 2010-07 First published in 1995 this award winning novel written from the epicentre of the AIDS crisis is a bold achingly honest story set in the rat bohemia of New York City whose huddled masses include gay men and lesbians who bond with one another

Queer Constellations Dianne Chisholm, Queer Constellations investigates the dreams and catastrophes of recent urban history viewed through new queer narratives of inner city life The gay village gay mecca gai Paris the lesbian flaneur the lesbian boheme these and other urban phantasmagoria feature paradoxically in this volume as figures of revolutionary utopia and commodity spectacle as fossilized archetypes of social transformation and ruins of haunting cultural potential Dianne Chisholm introduces readers to new practices of walking seeing citing and remembering the city in works by Neil Bartlett Samuel Delany Robert Gluck Alan Hollinghurst Gary Indiana Eileen Myles Sarah Schulman Edmund White and David Wojnarowicz Reading these authors with reference to the history sociology geography and philosophy of space particularly to the everyday avant garde production and practice of urban space Chisholm reveals how and how effectively queer narrative documentary resembles and reassembles Walter Benjamin's constellations of Paris capital of the nineteenth century Considering experimental queer writing in critical conjunction with Benjamin's city writing the book shows how a queer perspective on inner city reality exposes contradictions otherwise obscured by mythic narratives of progress If Benjamin regards the Paris arcade as a microcosm of high capitalism wherein the unmaking of industrial society is perceived retrospectively in contemporary queer narrative we see the sexually charged and commodity entranced space of the gay bathhouse as a microcosm of late capitalism and as an exemplary site for excavating the contradictions of mass sex In Chisholm's book we discover how looking back on the ruins of queer mecca queer authors return to Benjamin to advance his dialectics of seeing how they cruise the paradoxes of market capital blasting a queer era out of the homogeneous course of history

Queer Jewish Strangers in American Popular Culture Amy Tziporah Karp, 2023-12-19 Queer Jewish Strangers in American Popular Culture Life Between Assimilation and Otherness explores LGBTQIA Jewish American identity in the United States and the queer Jewish stranger figures who live in between incorporation and estrangement Amy Tziporah Karp establishes that despite the near ubiquitous portrayal of Jewish American assimilation as a finished project completed in the wake of World War II in academic disciplines and throughout popular culture many LGBTQIA Jewish figures in contemporary popular culture inhabit stranger positionalities In these stranger spaces characters are forced to either perpetually attempt to assimilate or inhabit this interstitial stranger identity that is often viewed as a nowhere or homeless space Those who pursue assimilating endlessly try to fit in to no avail such as Jenny Schecter from Showtime's popular The L Word who is ultimately killed off on the show possibly murdered by her LGBTQIA community of friends Karp shows that those who attempt to make a home in a stranger positionality align themselves with other estranged and othered peoples such as characters throughout Sarah Schulman's novels and that this

constitutes an ethical stance against the ways in which assimilation often inadvertently supports the workings of violent hegemonies in the United States Rat Bohemia Sarah Schulman,1996 **The Advocate** ,1995-10-31 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States Sissy! The Queer Renaissance Robert McRuer, 1997-06-01 Before the 1969 Stonewall Riots ushered in the contemporary gay liberation movement overt representations of same sex desire in American literature and the arts were few and far between Even in the 1970s when gay and lesbian cultures began to register on our national consciousness such work was still quite rare In the 1980s and 90s however all that changed The Queer Renaissance puts a name to the unprecedented outpouring of creative work by openly lesbian and gay novelists poets and playwrights in the past two decades This volume is one of the first to analyze critically this cultural awakening and is one of the only books to consider the work of gay male and lesbian writers together Most importantly The Queer Renaissance is the first book to consider how this wave of creative activity has worked in tandem with a flourishing of radical queer politics The Queer Renaissance explores the work of such important figures as Audre Lorde Edmund White Randall Kenan Gloria Anzalda Tony Kushner and Sarah Schulman to question the dichotomy between art and activism In addition The Queer Renaissance interrogates the ways queer theory deploys intersects with and contests contemporary theoretical movements such as cultural studies feminist theory African American theory and Chicano a theory
