*Short Takes* Elizabeth Penfield,1990      The Modern Essay in French Charles Forsdick,Andy Stafford,2005 As a textual form the *essai* predominates in modern and contemporary literature in French Emerging from an earlier tradition and distinguished from its English language counterpart the French language essay ranges from St phane Mallarm to Colette Victor Segalen to Aim C saire Jean Grenier to Pierre Michon The *essai* remains however one of the most hazily identified of textual forms its definition often depending on the progressive elimination of all other generic possibilities Excluded from the archigenres theatre poetry r cit it can even be seen as a hold all category whose role is to absorb the anarchic extremes of writing It is perhaps this very lack of pretension to orthodoxy that has drawn so many writers to the *essai* The conventional understanding of the term as a tentative unsystematic exploration stresses the genre s provisional nature its refusal of any claims to comprehensiveness The *essai* exploits the devices of anecdote illustration and humour it is addressed to a wide and often general audience it is also intricately linked to the performance of ideological and writerly strategies often reordering the classical art of rhetoric and persuasion As the contributions to this volume show there is a need to outline an ethics and politics as well as poetics of essayism      **Write Moves: A Creative Writing Guide and Anthology** Nancy Pagh,2016-08-04 Write Moves is an invitation for the student to understand and experience creative writing in the larger frame of humanities education The practical instruction offered comes in the form of moves or tactics for the apprentice writer to try But the title also speaks to a core value of this project that creative writing exists to move us The book focuses on concise human voiced instruction in poetry the short story and the short creative nonfiction essay Emphasis on short forms allows the beginning student to appreciate lessons in craft without being overwhelmed by lengthy model texts diverse examples of these genres are offered in the anthology      **Proceedings of the High School Conference** University of Illinois.
