he is clever enough to arrange things so that the king is defeated yet keeps his throne and his head But the king won't listen until Bib crushes some traitors for him Faced with rebellious nobles mystical killers and allies he can't control Bib finds that cleverness needs a sword and some vicious magic to back it up Because if he fails the gods have torture death and even destruction beyond death waiting for him They may even point and laugh Struggling across a landscape of brutal armies immortal vengeance and a highly aggravated ex lover Bib does what he does best mock the pretentious take no crap and murder people who almost certainly deserve it Death's Collector Void Walker is the fourth novel in the darkly irreverent Death Cursed Wizard series which follows Bib the lethal sorcerer as he strives against cruel villains bad sorcerers petty gods and his inner demons which like a fool he feeds regularly
