knock Peter out from behind his tree I yank him back of course Both of us are trying to be wafer thin not an easy feat that so both of us can fit behind the tree In less than four seconds the buffalo storm past on either side of our measly cover These hunting stories abound in thrills and merry moments yet remain truthful to life The author invites the reader to an enchanted world where anything can happen around the next bush and where often a decision must be made in the blink of an eye Each event described here becomes instantly tangible and sharply conveys the scents and colors the sheer magic of the African wilderness The photos stand as witness of the author's love and dedication to the African continent I recommend this book to everyone who wants to experience the unrivalled spell of Africa Koos Pienaar big game PH HUntafrica Namibia Safaris
