## **Should Be Soldiers An Army Combat Battalion Medical Aid Station During The Korean War:**

*Should Be Soldiers* John Benton, 2003-11-01      *The Korean War* Keith D. McFarland, 2009-12-04 The Korean War is the most comprehensive and detailed bibliography compiled to date on the American involvement in The Forgotten War In this revised and expanded second edition Keith D McFarland s clearly written annotations provide concise descriptions of more than 2 600 of the most important books articles and documents written in English on the conflict in Korea Key topics include origins of the war the political and military roles of North and South Korea the United States the Soviet Union China Great Britain Canada Australia South Africa Turkey and other United Nations members campaigns and battles weapons and uniforms and the military and diplomatic aspects of the war Specific subjects are easy to find using the index organized by topic and author making *The Korean War* a necessity for every academic or research library      *US Army Psychiatry in the Vietnam War: New Challenges in Extended Counterinsurgency Warfare* Norman M. Camp, 2015-03-15 NOTE NO FURTHER DISCOUNT FOR THIS PRODUCT OVERSTOCK SALE Significantly reduced list price During Vietnam War 1965 1973 the US Army suffered a severe breakdown in soldier morale and discipline in Vietnam matters that are not only at the heart of military leadership but also ones that overlap with the mission of Army psychiatry The psychosocial strain on deployed soldiers and their leaders in Vietnam especially during the second half of the war produced a wide array of individual and group symptoms that thoroughly tested Army psychiatrists and mental health colleagues there This book seeks to consolidate a history of the military psychiatric experience in Vietnam through assembling and synthesizing extant information from a wide variety of sources documenting the success and failure of Army s psychiatry in responding to the psychiatric and behavioral problems that changed and expanded as the war became protracted and bitterly controversial Mental health professionals especially psychiatrists in both military and civilian professions as well as military historians researching the Vietnam era may be interested in this volume Related products *A Shared Burden The Military and Civilian Consequences of Army Pain Management* Since 2001 can be found here <https://bookstore.gpo.gov/products/sku/008/000/01151/6> *Mild Traumatic Brain Injury Rehabilitation Toolkit* can be found here <https://bookstore.gpo.gov/products/sku/008/020/01632/2> *Textbooks of Military Medicine Pt 1 Warfare Weaponry and the Casualty* *Military Psychiatry Preparing in Peace for War* can be found here <https://bookstore.gpo.gov/products/sku/008/023/00112/0>      ***US Army Psychiatry in the Vietnam War*** Norman M. Camp, 2014 NOTE NO FURTHER DISCOUNT FOR THIS PRODUCT OVERSTOCK SALE Significantly reduced list price This book tells the mostly forgotten story of the accelerating mental health problems that arose among the troops sent to fight in South Vietnam especially the morale discipline and heroin crisis that ultimately characterized the second half of the war This situation was unprecedented in U S military history and dangerous and reflected the fact that during the war America underwent its most divisive period since the Civil War and as a result the war became bitterly controversial The author is a career Army psychiatrist who led a psychiatric unit in Vietnam In the years following his return he was dismayed

to discover that the Army had conducted no formal review of this alarming situation including from the standpoint of military psychiatry and had lost or destroyed all of the pertinent clinical records In addition to permitting a study of the psychological wounds and their treatment in Vietnam these records would have been priceless in the treatment of the legions of veterans who presented serious adjustment problems and Post traumatic Stress Disorder As a consequence Dr Camp has been relentless in combing the professional civilian and surviving military literature including unpublished documents to construct a compelling narrative documenting the successes and failures of Army psychiatry and the Army leadership in Vietnam in responding to these psychiatric and behavioral challenges The result is a book that is both scholarly and intensely personal includes vivid case material and anecdotes from colleagues who also served there and is replete with illustrations and correspondence It presents the story of Vietnam in a fresh manner through the psychiatrist s eyes and sensibilities

Therapeutic Revolutions Martin Halliwell,2013-04-19 Therapeutic Revolutions examines the evolving relationship between American medicine psychiatry and culture from World War II to the dawn of the 1970s In this richly layered intellectual history Martin Halliwell ranges from national politics public reports and healthcare debates to the ways in which film literature and the mass media provided cultural channels for shaping and challenging preconceptions about health and illness Beginning with a discussion of the profound impact of World War II and the Cold War on mental health Halliwell moves from the influence of work family and growing up in the Eisenhower years to the critique of institutional practice and the search for alternative therapeutic communities during the 1960s Blending a discussion of such influential postwar thinkers as Erich Fromm William Menninger Erving Goffman Erik Erikson and Herbert Marcuse with perceptive readings of a range of cultural text that illuminate mental health issues among them Spellbound Shock Corridor Revolutionary Road and I Never Promised You a Rose Garden this compelling study argues that the postwar therapeutic revolutions closely interlink contrasting discourses of authority and liberation *Review of Current Military Literature* ,1991 **Military Review** ,2012

**Professional Journal of the United States Army** ,1991 *The United States Air Force in Korea, 1950-1953* Robert Frank Futrell,1991 Journal of Special Operations Medicine ,2003 **The Encyclopedia of the Korean War** Spencer C. Tucker,Paul G. Pierpaoli Jr.,2010-04-09 A multidimensional multidisciplinary work on one of the least understood but most important conflicts in modern history A cornerstone work in ABC CLIO s distinguished list of reference works on military history The Encyclopedia of the Korean War A Political Social and Military History is a comprehensive resource on the confrontation that became the first shooting war of the Cold War the first limited conflict of the Atomic Age and the war that led to a dramatic escalation of the national security state while foreshadowing U S involvement in Vietnam Encyclopedia of the Korean War offers complete coverage of strategies weapon systems and clashes that marked the course of events on the battlefield But this authoritative multidisciplinary work expands beyond the military perspective to portray the overall culture of the era addressing a variety of political economic social and popular culture topics as well Incorporating a wealth of recent

research the new edition adds more than 130 entries and updated coverage throughout plus more bibliographic listings an expanded historiographical essay and a documents volume **Hospital Corpsman** ,2000 **Medical Department, Army: Wound Ballistics** United States. Army Medical Service,1962 *Fundamentals of Military Medicine* Francis G. O'Connor, Eric B. Schoomaker, Dale C. Smith, 2019-06-03 An introduction to military medicine for medical students new to the military Military medicine is the application of medical art and science in a military setting for the benefit of the military organization through optimal care of the combatant Topics include the history of military medicine leadership the management and treatment of trauma and mass casualties in frequently austere field and ship environments the humane clearing of the battlefield vaccines and protection against exotic global pathogens both manmade and naturally occurring unique psychological stressors of war biodefense against chemical and nuclear weapons facilitating return to duty and the eventual return and reintegration home of valuable human resource This first of its kind textbook offers both authoritative scholarship and the experience of high level medical officers for the new medical officer within any of the armed services ranging from medical surgical nursing dental veterinary and more It also provides health education and research for the military health professional s deployed to save enlisted military lives and helps to educate medical students with military medical practices and leadership The Medical Department of the United States Army in World War II. United States. Army Medical Service, 1962 **The Korean War** Stanley Sandler, 2014-01-14 First major clash with a communist army The Korean War was America s first ideological conflict and the first large scale clash between U S UN forces and a Communist army More than any other event it signaled the beginning of Cold War mobilization for the U S and NATO and even though the specter of international communism had since faded away the animosities of The Forgotten War threaten to flare up even today Focuses on military topics The Korean War contains articles of varying lengths on key topics that range from the origins of the conflict ground naval and air operations and tactical planning to the Truman MacArthur face off the POW issue and armistice negotiations The bulk of the Encyclopedia focuses on such military topics as the use of artillery the pioneering concept of helicopter evacuation of wounded new infantry tactics dictated by Communist POW riots civil affairs larger military units and communications There are also articles on civilian and military leaders including President Eisenhower General Ridgeway Kim Il Sung Chou En lai Syngman Rhee and others Special features Articles written by experts in the field Useful to librarians scholars researchers and students alike Includes 48 maps and photographs Covers an extraordinary range of key topics A chronology extensive bibliography and a subject index are included U.S. Army Medical Department Journal ,2010 **Soldiers** ,1997 *Skirmish Red, White and Blue* Edward C.
