David F. Wright

Should Infants Be Baptized:

Infant Baptism and the Covenant of Grace Paul King Jewett, 1978 This is a print on demand book and is therefore non returnable Paul Jewett author of the creative and highly provocative book *Man As Male and Female* here turns his critical attention to the practice of infant baptism Jewett does not accept the traditional covenant argument for baptizing infants and this book explains why he believes this argument fails Infant baptism is not a subject which can be isolated For as Jewett would have his readers understand one s view on this issue is integrally related to one s view of the sacraments in general and thereby to the whole doctrine of the church and salvation Thus it is understandable that what appears to be a minor theological question has had such divisive effects on the church A discussion of the historical source of infant baptism begins Jewett s critique and introduces such issues as the distinction between infants and children the silence of certain early church fathers on the subject infant communion and catechetical instruction The second and major portion of this book examines the theological issue focusing specifically on the covenant argument which suggests that baptism replaces circumcision as the sign of the covenant and thereby is given to infants This argument Jewett claims fails to take into account the historical character of revelation and contains certain contradictions Jewett concludes with a creative defense of believer baptism one which is theologically responsible and which recognizes the profound truths of covenant theology

Infant Baptism John P. Sartelle, 1985-07 **It Takes a Church to Baptize** Scot McKnight, 2018-08-21 The issue of baptism has troubled Protestants for centuries Should infants be baptized before their faith is conscious or does God command the baptism of babies whose parents have been baptized Popular New Testament scholar Scot McKnight makes a biblical case for infant baptism exploring its history meaning and practice and showing that infant baptism is the most historic Christian way of forming children into the faith He explains that the church s practice of infant baptism developed straight from the Bible and argues that it must begin with the family and then extend to the church Baptism is not just an individual profession of faith it takes a family and a church community to nurture a child into faith over time McKnight explains infant baptism for readers coming from a tradition that baptizes adults only and he counters criticisms that fail to consider the role of families in the formation of faith The book includes a foreword by Todd Hunter and an afterword by Gerald McDermott

SHOULD I GET MY BABY BAPTIZED Ben Kniskern, 2013-03-31 Should I get my baby baptized Is christening a baby the right thing to do If you are asking these questions it shows that you have a genuine concern for your child s future a future that will be in serious jeopardy if you as a parent are not careful to make wise decisions on your child s behalf The fact is infant baptism is only the first in a long line of critical choices that you will have to make in the foreseeable future These decisions will determine what kind of person this little baby you are holding in your arms will ultimately become as well as their eternal destiny Having a child makes you a parent and parents in God s eyes are responsible for training their child in the teachings of the Lord This book first helps you understand God s teaching on the subject of baptism and then moves on from there to

Infant Baptism God's Ordinance Michael Harrison,C. Matthew McMahon,2016-05-30 Is this just another book on infant baptism No It is possibly the best succinct yet comprehensive work on the subject ever written by a puritan It was originally a longer series of sermons that Harrison preached to his congregation many of whom were Baptist at the time At their request he placed his thoughts into a concise treatise that covers all the main points needful in understanding the biblical position of infant inclusion in the Covenant of Grace and infant baptism Harrison s work is so acute in its biblical presentation of the truth of Scripture that the reader cannot be but left in awe of his masterful exactitude to God s mind on the issue of infant inclusion in the Covenant of Grace and the application of the sign of the covenant to every visible member in the church He gives the reader an introductory lesson on the Covenant of Grace and those parties involved by way of its membership and then proceeds to teach the reader why infants are to be baptized Harrison deals hermeneutically with 9 biblical arguments on the issue two of which are his most important foundational chapters setting the stage for the rest of the book He also shows the danger of shutting infants out of the kingdom of heaven and answers all the main objections to Antipaedobaptist theology on the issue He ends the work with a chapter on the right mode in which baptism should take place along with a chapter on applying the truths of the study to the life of the members of the covenant community Without sounding clichéd this work is among the top works ever written on the subject and in my estimation is irrefutable The unbiased reader will have no issues with Harrison s biblical exposition and logic driven inference It is a powerhouse puritan work that every Paedobaptist ought to read for support and every Antipaedobaptist ought to read to untangle their dispensational theology Harrison says that Antipaedobaptism is to be justly abhorred as false doctrine and proves this to the reader beyond a reasonable doubt This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions *Should I Get My Baby Baptized?* Ben Kniskern,2013-03 Should I get my baby baptized Is christening a baby the right thing to do If you are asking these questions it shows that you have a genuine concern for your child s future a future that will be in serious jeopardy if you as a parent are not careful to make wise decisions on your child s behalf The fact is infant baptism is only the first in a long line of critical choices that you will have to make in the foreseeable future These decisions will determine what kind of person this little baby you are holding in your arms will ultimately become as well as their eternal destiny Having a child makes you a parent and parents in God s eyes are responsible for training their child in the teachings of the Lord This book first helps you understand God s teaching

on the subject of baptism and then moves on from there to share proven Christian child raising techniques that will help you raise a child that will bring you joy as a parent Ben Kniskern was born on November 25 1954 in Albany New York He was raised nearby in Delmar New York where he graduated from Bethlehem Central High School in 1972 Over the past eighteen years he has spent time as a Christian school teacher teen and adult Sunday school teacher Awana T T leader Word of Life teen leader church guest speaker author and since 2001 he has been a summer volunteer at the Word of Life Family Campground in Pottersville New York Besides his own personal daily Bible study since 1995 Ben has taken classes through Liberty Home Bible Institute and has profited from some of the finest Bible teaching in America during his summers at the Word of Life Family Campground

Should Infants Be Baptized Introduction

In today's digital age, the availability of Should Infants Be Baptized books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Should Infants Be Baptized books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Should Infants Be Baptized books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Should Infants Be Baptized versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Should Infants Be Baptized books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Should Infants Be Baptized books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Should Infants Be Baptized books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Should Infants Be Baptized books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Should Infants Be Baptized books and manuals for download and embark on your journey of knowledge?
