The Devil's Jail John Ivor Mitchell,2011-09-09 Phil a downtrodden journalist is rested and ready to move on to the next village When the proprietor of the inn hands him a mysterious envelope and asks him to open it only after he leaves town Phil stuffs it into his glove compartment without another thought Phil has no idea that in a short time the innkeeper and his wife will be dead and his own life will have changed forever In a village nestled in the Appalachian Mountains John Abbott has just captured a dark force that had wreaked a terrible vengeance upon the town s unlucky population As the residents celebrate their victory over evil they have no idea of the tumultuous events that had been set in motion Meanwhile Phil becomes entangled in a series of attacks that baffle police While struggling with his own inadequacies he unwittingly becomes the target of evil intent No one knows if it is just bad luck or fate but one way or the other the Devil is determined to get his way In this gripping thriller events quickly escalate until a cataclysmic showdown becomes inevitable Turns out Phil may just be the only one who can stop the Devil before it is too late Seasons of Love Jack Mooney,2021-10-20 Seasons of Love is a collection of poems centered around love God and pain that is associated with being in love All of the poems are written in the early morning hours before work under candlelight my favorite part of the day There is one central theme or element within the poems that you will identify with which is the moon I believe that when you are in love the moon changes It becomes the one that you are in love with It is something that you can both share while holding hands on a park bench or five

hundred miles apart You are never alone at this time because she is always there ever present for you to see From distant doors you can both share the moon as if she is standing next to you whispering in your ear Love is about two inseparable hearts it is about her being the only one in a crowded room and the feeling you are overcome with when she touches your hand The poems are written in the first person to pull you in and bring these elements to life Cover to cover I want the reader to see love from a new perspective where God is always present and love is unabridged So when completed grab her hand and look at the moon and make it yours make it personal The moon will change and your love will grow deeper and God ever present Love becomes more than just a word used to express our feelings It becomes an emotion that will overwhelm you when you touch her stare at the moon look into her eyes and watch her sleep     Violence in Popular Culture Laura L.
