Day Latisha had always admired Joyce Meyer's work and has read many of her books since she was only fourteen years old. Within each chapter Latisha talks about the daily struggles to become all that she feels God put her on this earth to be. She shares her deepest thoughts, ambitions, and desires in hopes that her life experiences and epiphanies will spark some truth and wisdom for anyone seeking to find their true life's purpose. Latisha started writing this book in March 2013, roughly six months before starting her now potentially multimillion-dollar company, La La Love Healthcare LLC. The Prayers of a Businesswoman started out as just a daily diary containing Latisha's secrets to creating a company that eight years later has positively affected hundreds of people. This book was the foundation and the strength that Latisha needed to pursue her dreams. Her main goals were to find the tools to take care of her family to be a blessing to others and ultimately to create a life that would be pleasing to God. What better and more effective way could Latisha care for her family, be a blessing to others, and please God than to start her own home healthcare business? Latisha's life and legacy is a wonderful example of God's grace, His mercy, and His many, many blessings.
