Ode to the Front End Vol. 2 Charles Ford, 2023-04-26

This book is somewhat unique I am not the author although it was written through me He is the author not me Why I ended up being the one to be used by Him remains a complete baffling mystery I am simply His humble steward in this process Everyone living in America recognizes Home Depot They are a staple It is a poem containing 2 500 quatrains that contain life as a part time cashier in a small Home Depot store It is not always easy reading but it has appeal and value for anyone willing to read it What are the takeaways For me the greatest takeaway is humility The people portrayed in this writing are far superior to me I am not worthy to be the proverbial gum on their shoe Their trust and friendship provided me is more valuable than gold from Ophir They live very difficult lives in an extraordinary manner They never had a level playing field they must climb Mt Everest each day There is humor pathos and at times Upton Sinclair type muckraking all mixed into the writing The work shows the good and the bad of life work and in some ways America today
