## **Showstopper Black And Red Cover:**

**Unbirthday** Liz Braswell, 2020-09-01 What if Wonderland was in peril and Alice was very very late Alice is different than other eighteen year old ladies in Kexford which is perfectly fine with her She d rather spend golden afternoons with her trusty camera or in her aunt Vivian s lively salon ignoring her sister s wishes that she stop all that nonsense and become a respectable member of society Alice is happy to meander to Miss Yao s teashop or to visit the children playing in the Square She s also interested in learning more about the young lawyer she met there but just because she s curious of course not because he was sweet and charming But when Alice develops photographs she has recently taken about town familiar faces of old suddenly appear in the place of her actual subjects the Queen of Hearts the Mad Hatter the Caterpillar There s something eerily off about them even for Wonderland creatures And as Alice develops a self portrait she finds the most disturbing image of all a badly injured dark haired girl asking for Alice s help Mary Ann Returning to the place of nonsense from her childhood Alice finds herself on a mission to stop the Queen of Hearts tyrannical rule and to find her place in both worlds But will she able to do so before the End of Time

**Running on Red Dog Road** Drema Hall Berkheimer, 2016-04-12 Mining companies piled trash coal in a slag heap and set it ablaze The coal burned up but the slate didn t The heat turned it rose and orange and lavender The dirt road I lived on was paved with that sharp edged rock We called it Red Dog My grandmother always told me Don t you go running on that Red Dog road But oh I did Gypsies faith healers moonshiners and snake handlers weave through Drema s childhood in 1940s Appalachia after Drema s father is killed in the coal mines her mother goes off to work
