1.0 AIMS AND OBJECTIVES

This unit will introduce you to statistics and its uses and importance. After completing the unit you will be able to:

- define statistics
- identify the types of statistics
- know the benefits of managerial statistics.

1.1 INTRODUCTION

Governments, businesses, researchers and scientists in the Natural or Social science need information for their activities. Most of these information requirements are quantitative and need a scientific approach or technique to gather and use.

1.2 STATISTICS DEFINED

The word statistics is an Italian word composed of two words, stato, which means the state and statista-refers to a person involved with the affairs of the state. Therefore statistics was meant the collection of facts useful to the state.

Nowadays statistics is not restricted to information about the state. It extends to almost every realm of human endeavor.
