Shri Guru Gita Mark Griffin, 2008-09-02 The daily recitation of the Shri Guru Gita is one of the practices of the Hard Light Center of Awakening for one simple reason as Mark Griffin says I am teaching you this about the Guru because I believe it's your best chance for Awakening in this lifetime The Guru Gita is the core section of 352 sutras in the latter portion of the ancient Indian text known as the Skanda Purana Gita means song and indeed these sutras are a song in praise of the Guru and in recognition of the power of contemplating the Guru's nature especially through the vehicle of the repetition of these verses Mark Griffin has selected 108 of these verses for the use of serious seekers those who are sincerely interested in spiritual training This fresh original translation from the Sanskrit is specifically designed for the contemporary seeker It's important to note that the recitation is in English as Mark feels that the meaning of these sutras is most important These 108 verses focus on the universal nature of the Guru When the word Guru is used here it is known to be more than an individual person Rather it is a universal principle a catalyst for enlightenment like no other It is referred to in the text as the Guru Tattva tattva translating as principle This 5.5 x 8.5 perfect bound book is 174 pages and contains the English verses in large print so it is easy to read and recite It also includes the Sanskrit Devanagari text the Sanskrit transliteration a guide how to pronounce the Sanskrit transliteration Mark's full introduction and a in depth 30 page glossary [Shree Guru Gita](#) Swami Muktananda, 1981-01-01
