Shunra And The Schmetterling:

The Shunra and the Schmetterling Yoel Hoffmann, Peter Cole, 2004 Shunra is Aramaic for cat Schmetterling is German for butterfly In Yoel Hoffmann's new book these and numerous other creatures cultures and languages meet in a magical shimmering hymn to childhood Hoffmann traces his hero's developing consciousness of the ways and wonders of the world as though he were peering through a tremendous kaleidoscope all that was perceived all that is remembered is rendered in fluid fragments of color and light With remarkable delicacy and sweep Hoffmann captures childhood from the amazed inside out and without the backward looking wash of grown up sentiment Instead the boy s deadpan registration of the human comedy around him is offered up as strangely magical fact Beautifully translated by Peter Cole The Shunra and the Schmetterling is fiction for lovers of poetry and poetry for lovers of fiction a small marvel of a book and one of the author Contemporary World Fiction Juris Dilevko, Keren Dali, Glenda Garbutt, 2011-03-17 This much needed s finest to date guide to translated literature offers readers the opportunity to hear from learn about and perhaps better understand our shrinking world from the perspective of insiders from many cultures and traditions In a globalized world knowledge about non North American societies and cultures is a must Contemporary World Fiction A Guide to Literature in Translation provides an overview of the tremendous range and scope of translated world fiction available in English In so doing it will help readers get a sense of the vast world beyond North America that is conveyed by fiction titles from dozens of countries and language traditions Within the guide approximately 1 000 contemporary non English language fiction titles are fully annotated and thousands of others are listed Organization is primarily by language as language often reflects cultural cohesion better than national borders or geographies but also by country and culture In addition to contemporary titles each chapter features a brief overview of earlier translated fiction from the group The guide also provides in depth bibliographic essays for each chapter that will enable librarians and library users to further explore the literature of numerous languages and cultural traditions Against the Forgetting Hans Faverey, 2004 A stunning selection of poems from the great twentieth century Dutch poet Things on which I've Stumbled Peter Cole, 2008 Remarkable poetry by the widely acclaimed poet and translator of Hebrew and Arabic poetry Draw Me After Peter Cole, 2022-11-22 Cole's splendid ear orchestrates awakenings Forrest Gander author of Twice Alive Peter Cole s luminous new book is in many ways his freest and most moving to date In Draw Me After Cole evolves a supple singular music that charts regions of wonder and danger from Eden as a place of first response and responsibility to modern sites of natural and political catastrophe At the heart of the volume lie two remarkable series one translates drawings by Terry Winters into a textured language spun from the material abstractions of Winters s art the other winds through the book in dreamlike fashion offering prismatic and often haunting meditations on the letters of the Hebrew alphabet in kabbalistic tradition the building blocks of existence Inventive and receptive physical metaphysical and playful Cole's poetry disturbs and enchants with a quiet streaming power that leads the

reader back to it over and over again Ray Gonz lez The Bloomsbury Review Memoirs Tennessee Williams, 2015-06-22 For the old crocodile as Williams called himself late in life the past was always present and so it is with his continual shifting and intermingling of times places and memories as he weaves this story When Memoirs was first published in 1975 it created quite a bit of turbulence in the mediathough long self identified as a gay man Williams candor about his love life sexual encounters and drug use was found shocking in and of itself and such revelations by America's greatest living playwright were called a raw display of private life by The New York Times Book Review As it turns out thirty years later Williams look back at his life is not quite so scandalous as it once seemed he recalls his childhood in Mississippi and St Louis his prolonged struggle as a starving artist the overnight success of The Glass Menagerie in 1945 the death of his long time companion Frank Merlo in 1962 and his confinement to a psychiatric ward in 1969 and subsequent recovery from alcohol and drug addiction all with the same directness compassion and insight that epitomize his plays And of course Memoirs is filled with Williams amazing friends from the worlds of stage screen and literature as heoften hilariously sometimes fondly sometimes notremembers them Laurette Taylor Gore Vidal Truman Capote Elia Kazan Marlon Brando Vivian Leigh Carson McCullers Anna Magnani Greta Garbo Elizabeth Taylor and Tallulah Bankhead to name a few And now film director John Waters well acquainted with shocking the American public has written an introduction that gives some perspective on the various reactions to Tennessee's Memoirs while also paying tribute to a fellow artist who inspired many with his integrity and endurance Terrestrial Intelligence Barbara Epler, 2006 New Directions the discoverer of the greatest of the great contemporary world writers uch as W G Sebald and Roberto Bolano Inger Christensen and Bei Dao Victor Pelevin and Javier Mariasnow puts them on display in a showcase anthology Terrestrial Intelligence gathers the best new ground breaking fiction from around the world from W G Sebald one of the most gripping writers imaginable The New York Review of Books and Roberto Bolano his generation's premier Latin American writer his reputation and legend are in meteoric ascent The New York Times to the Russian enfant terrible Victor Pelevin and the astonishing Yoko Tawada Not to be missed are the pleasures of Antonio Tabucchi the most original voice in the new generation of Italian writers The Harvard Book Review Javier Marias Spain's best bait for the Nobel Prize The New York Sun and Yoel Hoffmann Israel's avant garde genius Forward These are just a few of the two dozen fascinating new writers brought to you in wonderful translations all on one plate in Terrestrial Intelligence Take a trip around the worldArgentina Brazil Cape Verde Chile China Denmark France Germany Guatemala Hungary India Israel Italy Japan Russia and Spainand sample the intelligence we guarantee you will never look at these countries the same way again New Directionslong struggling and long astonishing as Richard Eder put it in The New York Timesis always busy presenting what people in other countries are reading these are riches which resonate in Terrestrial Intelligence from story to story like art hanging in an international biennale These two showcase anthologies are convenient samplers designed to push the wealth of the New Directions list as a whole into a more public view It would

be nice to think as James Laughlin founder of New Directions wrote to Ernest Hemingway in 1950 that virtue met its reward **Secularism in Question** Ari Joskowicz, Ethan B. Katz, 2015-06-30 For much of without exterior pushes but it just ain t so the twentieth century most religious and secular Jewish thinkers believed that they were witnessing a steady ongoing movement toward secularization Toward the end of the century however as scholars and pundits began to speak of the global resurgence of religion the normalization of secularism could no longer be considered inevitable Recent decades have seen the strengthening of Orthodox movements in the United States and in Israel religious Zionism has grown and radically changed since the 1960s and new and vibrant nondenominational Jewish movements have emerged Secularism in Question examines the ways these contemporary revivals of religion prompt a reconsideration of many issues concerning Jews and Judaism from the early modern era to the present Bringing together scholars of history religion philosophy and literature this volume illustrates how the categories of religious and secular have frequently proven far more permeable than fixed The contributors challenge the problematic assumptions about the development of secularism that emerge from Protestant European and American perspectives and demonstrate that global Jewish experiences necessitate a reappraisal of conventional narratives of secularism Ultimately Secularism in Question calls for rethinking the very terms that animate many of the most contentious debates in contemporary Jewish life and far beyond Contributors Michal Ben Horin Aryeh Edrei Jonathan Mark Gribetz Ari Joskowicz Ethan B Katz Eva Lezzi Vivian Liska Rachel Manekin David Myers Amnon Raz Krakotzkin Andrea Schatz Christophe Schulte Daniel B Schwartz Galili Shahar Scott Ury Hoffmann, 2015-06-02 Yoel Hoffmann Israel s celebrated avant garde genius The Forward supplies the magic missing link between the infinitesimal and the infinite Part novel and part memoir Yoel Hoffmann's Moods is flooded with feelings evoked by his family losses loves the soul s hidden powers old phone books and life in the Galilee with its every scent breeze notable dog and odd neighbor Carrying these shards is a general tenderness accentuated by a new dimension brought along by that great big pill of Prozac Beautifully translated by Peter Cole Moods is fiction for lovers of poetry and poetry for lovers of fiction a small marvel of a book and with its pockets of joy a curiously cheerful book by an author who once compared himself to a praying mantis inclined to melancholy World Beat Eliot Weinberger, 2006 The poets are presented in ample selections so that each may be heard clearly and biographical and bibliographical notes invite further investigation From cover to cover themes ebb and flow and boundaries blur as verses converse in a harmony unusual for the twenty first century Nightwood Djuna Barnes, 2014-01-01 The fiery and enigmatic masterpiece one of the greatest novels of **BOOK JACKET** the Modernist era Nightwood Djuna Barnes strange and sinuous tour de force belongs to that small class of books that somehow reflect a time or an epoch Times Literary Supplement That time is the period between the two World Wars and Barnes novel unfolds in the decadent shadows of Europe's great cities Paris Berlin and Vienna a world in which the boundaries of class religion and sexuality are bold but surprisingly porous The outsized characters who inhabit this world are some of the most memorable in all of fiction there is Guido Volkbein the Wandering Jew and son of a self proclaimed baron Robin Vote the American expatriate who marries him and then engages in a series of affairs first with Nora Flood and then with Jenny Petherbridge driving all of her lovers to distraction with her passion for wandering alone in the night and there is Dr Matthew Mighty Grain of Salt Dante O Connor a transvestite and ostensible gynecologist whose digressive speeches brim with fury keen insights and surprising allusions Barnes depiction of these characters and their relationships Nora says A man is another persona woman is yourself caught as you turn in panic on her mouth you kiss your own has made the novel a landmark of feminist and lesbian literature Most striking of all is Barnes unparalleled stylistic innovation which led T S Eliot to proclaim the book so good a novel that only sensibilities trained on poetry can wholly appreciate it Now with a new preface by Jeanette Winterson Nightwood still crackles with the same electric charge it had on its first publication in 1936

Stand Still Like the Hummingbird Henry Miller, 2014-06-10 One of Henry Miller's most luminous statements of his personal philosophy of life Stand Still Like the Hummingbird provides a symbolic title for this collection of stories and essays Many of them have appeared only in foreign magazines while others were printed in small limited editions which have gone out of print Miller's genius for comedy is at its best in Money and How It Gets That Way a tongue in cheek parody of economics provoked by a postcard from Ezra Pound which asked if he ever thought about money His deep concern for the role of the artist in society appears in An Open Letter to All and Sundry and in The Angel is My Watermark he writes of his own passionate love affair with painting The Immorality of Morality is an eloquent discussion of censorship Some of the stories such as First Love are autobiographical and there are portraits of friends such as Patchen Man of Anger and Light and essays on other writers such as Walt Whitman Thoreau Sherwood Anderson and Ionesco Taken together these highly readable pieces reflect the incredible vitality and variety of interests of the writer who extended the frontiers of modern literature with Tropic of Cancer and other great books Literary Essays of Ezra Pound Ezra Pound, 1968 For this definitive collection of Pound's Literary Essays his friend and English editor T S Eliot chose material from five earlier volumes Pavannes and Divisions 1918 Instigations 1920 How to Read 1931 Make It New 1934 and Polite Essays 1937 33 pieces are arranged in three groups The Art of Poetry The Tradition and Contemporaries Eliot wrote in his introduction I hope that this volume will demonstrate that Pound's literary criticism is the most important contemporary criticism of its kind perhaps the kind we can least afford to do without the refreshment the revitalization and making new of literature in our time Mister Paradise and Other One-Act Plays Tennessee Williams, 2016-02-25 Thirteen previously unpublished short plays now available for the first time Tennessee Williams had a distinct talent for writing short plays and not surprisingly this remarkable new collection of never before published one acts includes some of his most poignant and hilarious characters the indefatigable witty and tough drag queens of And Tell Sad Stories of the Deaths of Queens the strange little man behind the nom de plume Mister Paradise and the extravagant mistress who cheats on her married man in The Pink Bedroom Most
