Nelson, 1993-01-26 Publication of this sourcebook on important gay American fiction writers grants legitimacy and recognition to this rapidly emerging area of literary studies Though wary of canon formation in this groundbreaking work editor Nelson has selected fifty seven writers whose works have received serious critical acclaim and or have won large audiences or in a few cases are worthy of greater attention Included are representative writers of detective fiction and science fiction but not authors of erotic fiction or pulp novels Also excluded are a few novelists whose expressed wishes for privacy were respected Writers and their works are examined in the gay literary context and a majority of the contributing essayists are themselves gay male scholars and writers who bring with them a level of personal and political sensitivity that is generally lacking in non gay assessments of this literature Each entry begins with biographical information proceeds to an interpretive summary of major works and themes provides an overview of critical reception accorded the author and concludes with bibliographies of primary and secondary materials In a lively and perceptive introductory essay Bredbeck inquires into what we mean by gay literature and the inherent tensions in these terms Conceding the impossibility of speaking conclusively of gay literature he nevertheless stresses the importance of the task and ends with a survey of critical studies of the gay male novel and works of gay male criticism      *The Unreal Life of Sergey Nabokov* Paul Elliott

Russell, 2011-11-08 Presents a fictionalized portrait of the life of Serey Nabokov the gay brother of the writer Vladimir Nabokov and his struggles with his homosexuality and adventures in the salons and clubs of pre war Europe      **The Soho**

**Press Book of '80s Short Fiction** Dale Peck, 2016-06-07 In The Soho Press Book of 80s Short Fiction editor Dale Peck offers readers a fresh take on a seminal period in American history when Ronald Reagan was president the Cold War was rushing to its conclusion and literature was searching for ways to move beyond the postmodern unease of the 1970s Morally charged by newly politicized notions of identity but fraught with anxiety about a body whose fragility had been freshly emphasized by the AIDS epidemic the 34 works gathered here are individually vivid but taken as a body of work they challenge the prevailing notion of the 80s as a time of aesthetic as well as financial maximalism Formally inventive yet tightly controlled they offer a more expansive inclusive view of the era's literary accomplishments The anthology blends early stories from writers like Denis Johnson Jamaica Kincaid Mary Gaitskill and Raymond Carver which have gone on to become part of the American canon with remarkable and often transgressive work from some of the most celebrated writers of the underground including Dennis Cooper Eileen Myles Lynne Tillman and Gary Indiana Peck has also included powerful work by writers such as Gil Cuadros Essex Hemphill and Sam D Allesandro whose untimely deaths from AIDS ended their careers almost before they had begun Almost a third of the stories are out of print and unavailable elsewhere The Soho Press Book of

80s Short Fiction is a daring reappraisal of a decade that is increasingly central to our culture **Saints of Hysteria** David Trinidad, Denise Duhamel, Maureen Seaton, 2007-03-06 Collaborative poetry poems written by one or more people grew out of word games played by French surrealists in the 1920s It was taken up a decade later by Japan's Vou Club and then by Charles Henri Ford who created the chainpoem composed by poets who mailed their lines all over the world After WW II the Beat writers collaborative experiments resulted in the famous Pull My Daisy The concept was embraced in the 1970s by feminist poets as a way to find a collective female voice Yet for all its rich history virtually no collections of collaborative poetry exist This exhilarating anthology remedies the omission Featured are poems by two four even as many as 18 people in a dizzying array of forms villanelles to ghazals sonnets to somonkas pantoums to haiku even quizzes questionnaires and other nonliterary forms Collaborators notes accompany many of the poems giving a fascinating glimpse into the creative process
