Trans-Siberian Railway Simon Richmond,Mara Vorhees,2002 Including maps covering routes as well as major cities this guide provides all the details for enjoying an epic journey on this classic rail route It also has special features on the history and wildlife of the railway route British railway enthusiasm Ian Carter,2017-10-03 Now available in paperback this is the first academic book to study railway enthusiasts in Britain Far from a trivial topic the post war train spotting craze swept most boys and some girls into a passion for railways and for many ignited a lifetime s interest British railway enthusiasm traces this post war cohort and those which followed as they invigorated different sectors in the world of railway enthusiasm train spotting railway modelling collecting railway relics and then in response to the demise of main line steam traction Britain s now huge preserved railway industry Today this industry finds itself riven by tensions between preserving a loved past which ever fewer people can remember and earning money from tourist visitors The widespread and enduring significance of railway enthusiasm will ensure that this groundbreaking text remains a key work in transport studies and will appeal to enthusiasts as much as to students and scholars of transport and cultural history **The Republics and Regions**

of the Russian Federation: A Guide to the Politics, Policies and Leaders Robert W. Orttung,East West Insitute,2019-08-08 Russia is divided into seven federal districts encompassing 89 units regions oblasts territories krais and republics As central power has weakened the importance of these units and their local leadership has increased commensurately This work brings together in one volume all basic political economic and demographic data on every territorial unit of the Russian Federation its local government structure and electoral history current through the spring 2000 elections and the summer 2000 reorganization Each entry includes an extensive profile of the president governor or prime minister and an overview of local political trends policies economy and business conditions *International Cases in Tourism Management* Susan Horner,John Swarbrooke,2004-02-18 International Cases in Tourism Management includes Profiles of individual companies Case studies on destination management and marketing Material on different management functions in tourism such as marketing and human resource management Case studies of particular types of tourism such as ecotourism and cultural tourism The case studies are supplemented by exercises and questions which ensure that for students and tutors alike the book is the ideal accompaniment to all tourism courses *Trans-Siberian Handbook* Bryn Thomas,1991 Britannica Guide to Russia Encyclopaedia Britannica, Inc.,2009-03-01 The Britannica Guide to Russia offers a panoramic view of Russia telling the history of the nation since 1917 as well as the story of its culture religion arts and literature in the twentieth century and beyond Russia is one of the fastest growing economies in the world attracting billions of dollars of investment every year As the nation re emerges from the Cold War it is increasingly important to know where it is heading Russia is a land of superlatives it is also a country of extremes and by far the world s largest country it extends

across the whole of northern Asia and the eastern third of Europe spanning eleven time zones The guide also covers the major places to visit such as Moscow St Petersburg and Kiev as well as a particular focus on the contemporary nation since the fall of the Berlin Wall in 1989 Out of the ashes of the cold war a new super power has emerged including the rise of the Oligarchs the presidency of Vladimir Putin and the role of Russia in the new world order **Siberian Railways** Linda Hill, AI, 2025-03-21 Siberian Railways examines the transformative impact of the Siberian railway network on Russia s imperial expansion and economic development This book explores how the construction of railways particularly the Trans Siberian Railway facilitated Russia s resource extraction and military reach across Eurasia It highlights how the railway was far more than just a transportation system it was a strategic tool for consolidating Russian power in Siberia The book delves into the engineering challenges of building railways across the vast Siberian landscape and analyzes the economic and military consequences One intriguing aspect is how the railway played a crucial role in conflicts like the Russo Japanese War underscoring its strategic importance Another insight is the railway s impact on population migration and agricultural development in Siberia The book progresses through the historical context construction phases and the economic and military effects culminating in an analysis of the lasting impact on modern Russia By examining the railways from multiple angles engineering economics social impact and military strategy the book provides a comprehensive understanding of their influence Using archival materials engineering reports and economic statistics it offers a fresh perspective on the railways as an integrated system of economic and military power projection This approach sets it apart from previous scholarship offering valuable insights for readers interested in World History History and History World **The Trans-Siberian Rail Guide** Robert Strauss, 1993 **The Railway Magazine** , 2002 **ICCEES International Newsletter** , 1993 *Lake Baikal* Marc Di Duca, 2010 This is the only English language guide to the Lake Baikal area It covers the major cities towns and sites in the area as well as local culture wildlife history religion and cuisine
