A Sicilian Romance Ann Radcliffe, 1809 A Sicilian Romance Ann Radcliffe, 2018-05-15 Reproduction of the original A Sicilian Romance by Ann Radcliffe A Sicilian Romance Ann Ward Radcliffe, 2014-01-15 Strange moans and mysterious lights haunt the south wing of the Mazzini castle where Julia the beautiful younger daughter of the Marquis de Mazzini lives The terrors of the unknown fade to insignificance when Julia's father orders her to marry the cruel Duke de Luovo Julia flees the castle and is propelled into a series of adventures that eventually lead her back to the castle where she discovers an unspeakable crime This edition has been copyedited in accordance with current American practice in respect to punctuation In some places words and phrases have been reordered and in a very few cases altered or deleted to improve ease of comprehension The interspersed poems have been removed 278 pages 67 000 words Includes map A Sicilian Romance Ann Radcliffe, 2016-09-25 A Sicilian Romance A Gothic Novel by Ann Radcliffe On the northern shore of Sicily are still to be seen the magnificent remains of a castle which formerly belonged to the noble house of Mazzini It stands in the centre of a small bay and upon a gentle acclivity which on one side slopes towards the sea and on the other rises into an eminence crowned by dark woods The situation is admirably beautiful and picturesque and the ruins have an air of ancient grandeur which contrasted with the present solitude of the scene impresses the traveller with awe and curiosity During my travels abroad I visited this spot As I walked over the loose fragments of stone which lay scattered through the immense area of the fabric and surveyed the sublimity and grandeur of the ruins I recurred by a natural association of ideas to the times when these walls stood proudly in their original splendour when the halls were the scenes of hospitality and festive magnificence and when they resounded with the voices of those whom death had long since swept from the earth A Sicilian Romance is a gothic novel by Ann Radcliffe It was her second published work and was first published anonymously in 1790 The plot concerns the fallen nobility of the house of Mazzini on the northern shore of Sicily as related by a tourist who learns of their turbulent history from a monk he meets at the ruins of their once magnificent castle The Mazzini sisters Emilia and Julia are beautiful young ladies with many talents Julia quickly falls in love with the young and handsome Italian count Hippolitus de Vereza but to her dismay her father decides that she should marry Duke de Luovo instead After much thought Julia attempts to elope with Hippolitus on the night before her wedding However their escape had been anticipated and the Marquis Julia's father ambushes and seemingly kills Hippolitus whose body is carried away by his servants **A Sicilian Romance** Ann Ward Radcliffe, 2011-11 This book is part of the TREDITION CLASSICS series The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again worldwide At tredition we believe that a great book never goes out of style Several mostly non profit literature projects provide content to tredition To support their good work tredition donates a portion of the proceeds from each sold copy As a reader of a TREDITION CLASSICS book you support our mission to save many of the amazing works of world literature from

ANN RADCLIFFE, 2020-04-28 ANN RADCLIFFE **Ann Radcliffe** Robert Miles, 1995 To her contemporaries Ann Radcliffe was The Great Enchantress Her wild and stormy Gothic romances made her one of the most popular and successful writers of the later eighteenth century *A Sicilian Romance* Ann Radcliffe, 2013-02-02 The house of Mazzini is troubled stories of strange happenings ignite the countryside At the heart of the growing darkness is a hidden past ancient sins that could destroy a family a family already plagued with the ghosts of their past crimes **The Matrophobic Gothic and Its Legacy** Deborah D. Rogers, 2007 Although in recent years maternity has become a contested site of political discourse the matrophobia that characterizes many mother daughter bonds has hardly been theorized This book defines matrophobia as fear of mothers as fear of becoming a mother and as fear of identification with and separation from the maternal body Deborah D Rogers argues that matrophobia is the central metaphor for women s relationships with each other within a patriarchal culture Analyzing different contexts in which matrophobia problematizes feminism this book begins with matrophobic discourse in eighteenth century England Significantly the self sacrificing construction of motherhood emerges at the same time as the novel a genre that develops as a locus for the radical displacement of matrophobia Coining the term Matrophobic Gothic to describe works in which inadequately mothered heroines reconcile with maternal figures that the narrative has repressed Rogers focuses on this phenomenon in the works of Ann Radcliffe and Jane Austen Her consideration of matrophobia extends to early modern male authored texts including Samuel Richardson s representation of maternity and Sir Walter Scott s exploration of gender roles and identity These issues continue unabated in televised serial drama All told this book powerfully argues for the necessity of confronting the matrophobia at the heart of feminism *A Sicilian Romance* Ann Radcliffe, 2018-10-14 *A Sicilian Romance* Large Print By Ann Radcliffe Surprised at the lateness of the hour she rose in haste and was moving to her chamber when the beauty of the night attracted her to the window She opened it and observing a fine effect of moonlight upon the dark woods leaned forwards In that situation she had not long remained when she perceived a light faintly flash through a casement in the uninhabited part of the castle A sudden tremor seized her and she with difficulty supported herself In a few moments it disappeared and soon after a figure bearing a lamp proceeded from an obscure door belonging to the south tower and stealing along the outside of the castle walls turned round the southern angle by which it was afterwards hid from the view Astonished and terrified at what she had seen she hurried to the apartment of Madame de Menon and related the circumstance **A Sicilian Romance** Ann Ward Radcliffe, 2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **A Sicilian Romance Volume 1 of 2 (EasyRead Super Large 24pt Edition)** Ann Radcliffe, 1999 *Women Writers Dramatized* H. Reading Daughters' Fictions 1709-1834 Caroline Gonda,1996-03-14 It has been argued that the eighteenth century witnessed a decline in paternal authority and the emergence of more intimate affectionate relationships between parent and child In *Reading Daughters' Fictions* Caroline Gonda draws on a wide range of novels and non literary materials from the eighteenth and early nineteenth centuries in order to examine changing representations of the father daughter bond She shows that heroine centred novels aimed at a predominantly female readership had an important part to play in female socialization and the construction of heterosexuality in which the father daughter relationship had a central role Contemporary diatribes against novels claimed that reading fiction produced rebellious daughters fallen women and nervous female wrecks Gonda s study of novels of family life and courtship suggests that far from corrupting the female reader such fictions helped to maintain rather than undermine familial and social order *A Sicilian Romance Volume 2* Ann Ward Radcliffe,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free

scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1792 edition Excerpt the sate she dreaded she now turned from in sorrow and dejection She loved Hippolitus with a steady and tender affection which was still heightened by the gratitude he claimed as her deliverer but she considered it a prophanation of the memory of that brother who had suffered so much for her sake to mingle joy with the grief which her uncertainty concerning him occasioned She softened her refusal with a tender grace that quickly dissipated the jealous doubt arising in the mind of Hippolitus and encreased his fond admiration of her character She desired to retire foe a time to some obscure convent there to await the issue of the event which at present involved her in perplexity and for row Hippolitus struggled with his feelings and forbore to press farther the suit on which his happiness and almost his existence now depended He enquired at the village for a neighbouring convent and was told that there was none within twelve leagues but that near the town of Paling at about that distance were two He procured horses and leaving the officers to return to Palermo for a stronger guard he accompanied by Julia entered on the road to Palini Julia was silent and thoughtful Hippolitus gradually funk into the fame mood and he often cast a cautious look around as they travelled for some hours along the feet of the mountains They stopped to dine under the shade of some beech trees for fearful of discovery Hippolitus had provided against the necessity of entering many inns Having finished their repast they pursued their journey but Hippolitus now began to doubt whether he was in the right direction Being destitute however of the means of certainty upon this point he followed the road before him him which now

A Sicilian Romance Ann Radcliffe, 2014-04-23 Excerpts of a review from The Living Age Volume 226 published in 1900 Does any one now read Mrs Radcliffe or am I the only wanderer in her windy corridors listening timidly to groans and hollow voices and shielding the flame of a lamp which I fear will presently flicker out and leave me in darkness After reading with breathless haste through A Sicilian Romance and The Romance of the Forest in a single day it would ill become me to speak lightly of Mrs Radcliffe Like Catherine Morland I love this lady s tender yet terrific fancy Mrs Radcliffe does not always keep on her highest level but we must remember that her last romance The Italian is by far her best She had been feeling her way to this pitch of excellence and when she had attained to it she published no more The reason is uncertain Scott thinks that she may have been annoyed by her imitators or by her critics against whom he defends her in an admirable passage to be cited later Meanwhile let us follow Mrs Radcliffe in her upward course The Sicilian Romance appeared in 1790 when the author s age was twenty six The book has a treble attraction for it contains the germ of Northanger Abbey and the germ of Jane Eyre and the germ of Byron Like Joseph Andrews Northanger Abbey began as a parody of Mrs Radcliffe and developed into a real novel of character So too Byron s gloomy scowling adventures with their darkling past are mere repetitions in rhyme of Mrs Radcliffe s Schedoni This is so obvious that when discussing Mrs Radcliffe s Schedoni Scott adds in a note parallel passages from Byron s Giaour Sir Walter did not mean to mock he merely compared two kindred spirits A Sicilian Romance has its scene in the palace of Ferdinand fifth Marquis of Mazzini on the northern coast of Sicily The time is about

1580 but there is nothing in the manners or costume to indicate that or any other period Such local color was unknown to Mrs Radcliffe as to Clara Reeve Phenomena begin in the first chapter of A Sicilian Romance mysterious lights wander about uninhabited parts of the castle and are vainly investigated by young Ferdinand son of the Marquis Meanwhile Hippolitus the Chaste loved all in vain by the reigning Marchioness is adored by and adores her stepdaughter Julia Jealousy and revenge are clearly indicated But in chasing mysterious lights and figures through mouldering towers Ferdinand gets into the very undesirable position of David Balfour when he climbs in the dark the broken turret stair in his uncle s house of Shaws in Kidnapped Here is a fourth author indebted to Mrs Radcliffe her disciples are Miss Austen Byron Miss Bronte and Mr Louis Stevenson Ferdinand began the ascent He had not proceeded very far when the stones of a step which his foot had just quitted gave way and dragging with them those adjoining formed a chasm in the staircase that terrified even Ferdinand who was left tottering on the suspended half of the steps in momentary expectation of falling to the bottom with the stone on which he rested In the terror which this occasioned he attempted to save himself by catching at a kind of beam which suspended over the stairs when the lamp dropped from his hand and he was left in total darkness Can anything be more amazing horrid above all as there are mysterious figures in and about the tower Mrs Radcliffe s lamps always fall or are blown out in the nick of time an expedient already used by Clara Reeve in that very mild but once popular ghost story The Old English Baron 1777 All authors have such favorite devices and I wonder how many fights Mr Stanley Weyman s heroes have fought from the cellar to their favorite tilting ground the roof of a strange house
