David A. Weddle, 2025-03-25 It Is Written It Is Finished is a book whose main content I have chosen to write in the form of a letter just as the original text of the New Testament was written minus verses or chapters to divide it The New Testament is authored by God through men He personally chose and inspired to write His New Covenant with man after Jesus life blood death and resurrection to certain individuals who were to share with the churches being established throughout the land Jesus always reminded the devils in His response to their temptations and challenges of His authority over them with It is written He added the response It is finished at the end of John s Gospel to further expound and put a final exclamation point on the fact that not only did It is written apply in Jesus response but It is finished now forever sealed its truth in all of man s personal lives as well when spoken in faith unquestioning belief of that truth Jesus was sealing with those Words the end of the devil s reign over His created man history was repeating itself man was now once again placed in authority and dominion over satan and all the fallen angels as in the beginning If we can believe it man is back in control as it was with Adam and Eve over themselves and everywhere they are in the world becomes their garden of Eden We are right back at square one Genesis 1 26 31 is now in play once again Only unbelief diminishes what Jesus paid for once and for all God s Word followed by It is written it is finished sealed with the name of Jesus is the accentuation to our proclamation and decree of authority and dominion as God s stamp of approval due to who we have become in Christ large and in charge The blood of Jesus the name of Jesus and the written Word of God have become our spiritual signet rings as a stamp of authority granted to us from God Himself here and now the land of the living The Southwestern Reporter ,1921
