Siddhartha-An Indian Tale Hermann Hesse,2002-04-22 In the shade of a banyan tree a grizzled ferryman sits listening to the river Some say he s a sage He was once a wandering shramana and briefly like thousands of others he followed Gotama the Buddha enraptured by his sermons But this man Siddhartha was not a follower of any but his own soul Born the son of a Brahmin Siddhartha was blessed in appearance intelligence and charisma In order to find meaning in life he discarded his promising future for the life of a wandering ascetic Still true happiness evaded him Then a life of pleasure and titillation merely eroded away his spiritual gains until he was just like all the other child people dragged around by his desires Like Hermann Hesse s other creations of struggling young men Siddhartha has a good dose of European angst and stubborn individualism His final epiphany challenges both the Buddhist and the Hindu ideals of enlightenment Neither a practitioner nor a devotee neither meditating nor reciting Siddhartha comes to blend in with the world resonating with the rhythms of nature bending the reader s ear down to hear answers from the river
