Sideways Look At Time:

Pip Pip Jay Griffiths, 1999 An enthusiastic piece of pop anthropology on the one subject that has ousted sex and money from the top of the obsessions league Jay Griffiths takes the subject of time in her teeth and chews at it until it is a far more palatable item Her exploration of the passage of time includes our obsession with speed with overtaking motorways and their link to fascism war Mercury god of flight and the mythology of time and speed Diana and Marilyn Monroe flawed women who through their violent deaths have become timeless icons history and the heritage industry the meanness of Greenwich Mean Time the fast language we now have to go with fast food Aborigine dreamtime the difference between festivals and pageants May Day and the New Year

A Sideways Look at Time Jay Griffiths, 2004-03-08 A brilliant and poetic exploration of the way that we experience time in our everyday lives Why does time seem so short How does women's time differ from men's Why does time seem to move slowly in the countryside and quickly in cities How do different cultures around the world see time In *A Sideways Look at Time* Jay Griffiths takes readers on an extraordinary tour of time as we have never seen it before With this dazzling and defiant work Griffiths introduces us to dimensions of time that are largely forgotten in our modern lives She presents an infectious argument for other more magical times the diverse cycles of nature of folktale or carnival when time is unlimited and on our side This is a book for those who suspect that there's more to time than clocks Irresistible and provocative *A Sideways Look at Time* could change the way we view time forever

The Postnormal Times Reader Volume 2 Ziauddin Sardar, Shamim Miah, C Scott Jordan, 2024-01-01 The book updates the theory and methods offers new ways of developing scenarios and suggest ways and means to engage communities in polylogues It explores the notions of time knowledge ignorance and modernity and outlines potential futures beyond postnormal times based on decolonised creativity and mutually assured diversity The reader also showcases how postnormal times theory is being used in diverse disciplines from political science and international relations to science studies education museology and drama and theatre Postnormal times presents us with existential threats Understanding the postnormal condition the changing nature of accelerating change is key to our survival

Wit's End James Combs, 2010-08-11 This book is a study of the Great Movies that fluid category of feature films deemed by various authorities film societies critics academics and movie enthusiasts to be the enduring and memorable works of cinematic history But what are they about In *Wit's End* the author attempts to make sense of these films in order to understand their greatness in the context of their relation to other films and to the worlds they come from and recreate on screen To that end we employ the conceptual power of pragmatic social theory and the rich idea of aesthesis to explore and arrange these films as a means of understanding what they express about the universality of human life in our keen use of wit organization of social wont and direction of cultural way It is hoped that such an inquiry will illuminate the glory of the great films and contribute to the advance of film studies

The Nature of College James J. Farrell, 2010 Traces a day in the life of an American college student that challenges popular conceptions of ivy accented

campuses with images of culturally reflective t shirts keg parties and dormitory life to reveal how college represents opportunities for enabling a sustainable future **Reading the Times** Randall Stevenson,2018-02-01 Wartime British writers took to the airwaves to reshape the nation and the Empire **It's About Time** Liz Evers,2013-08-25 With time related anecdotes quotes and trivia this is an essential handbook for anyone fascinated by the fourth dimension In the Meantime Sarah Sharma,2014-02-07 The world is getting faster This sentiment is proclaimed so often that it is taken for granted rarely questioned or examined by those who celebrate the notion of an accelerated culture or by those who decry it Sarah Sharma engages with that assumption in this sophisticated critical inquiry into the temporalities of everyday life Sharma conducted ethnographic research among individuals whose jobs or avocations involve a persistent focus on time taxi drivers frequent flyer business travelers corporate yoga instructors devotees of the slow food and slow living movements Based on that research she develops the concept of power chronography to make visible the entangled and uneven politics of temporality Focusing on how people s different relationships to labor configures their experience of time she argues that both speed up and slow down often function as a form of biopolitical social control necessary to contemporary global capitalism I Woke Up One Day and I Was 40 Tony Vercillo,2005-04 I Woke Up One Day I Was 40 really makes you take a look at your eating habits your health your fitness regime and your overall attitude about life as you embark on mid life Speaking directly to men this book is a personal narrative about one man who woke up one day and was 40 and provides all the information and tips you need to be as healthy and fit as possible once you hit 40 and beyond It also reminds us that 40 is not old You re just beginning to reach the point in life where you can be truly confident about who you are and where you stand in life measured against all those other men on the planet It s a good thing You ve earned the right to be 40 Research shows that eating right and exercising regularly is especially effective for those men 40 and beyond I Woke Up One Day I Was 40 is divided into 3 easy to read sections including Checking In With Reality When You Hit 40 Getting Started Exercises to Keep You Young Written by Tony Vercillo he not only talks the talk but walks the walk when it comes to personal health and fitness I Woke up One Day and I was 40 is designed to help men who just turned 40 and beyond stay active and feel younger every day Distracted Masses Scott Albright,2014-06-24 Exploring myth illusion deception and distraction in the media underworld **Time's Up** Janey Mack,2015 Expelled from the police academy and forced to work as a meter maid Maisie follows the trail of conspiracy after she stumbles across the body of a City Hall staffer with two bullets in his chest *Vital Signs* Gregg Levoy,2015-12-29 Explores what inspires passion and what defeats it How we lose it and how we get it back And ultimately examines the endless yet endlessly fruitful tug of war between freedom and domestication the wild in us and the tame our natural selves and our conditioned selves **You Are Brahman, Not A Billiard Ball** Ramanathan S Manavasi,2024-03-07 The country India that is Bharath is changing its outlook From the Secular viewpoint to Sacred and Sacrosanct This Priyamvada the Hindu perception of excellence also embraces other religions The refreshing ambience

prompted the author to delineate Brahman with a warm hearted approach The ego limits itself to the body through error It sees itself as a wave that has missed its synonymity with the ocean Creator turned creature the God who is the experiencer Yet God and no less Wherever I am pulsates that is the proof of God the presence of God Aham Bramasmi I am Brahman The author has explored all possibilities of detailing the concept of Brahman He has illuminated the landscape of this book with the lovely expressions of luminaries like Ramana Maharishi Swami Dayananda Saraswati Spinoza Schrodinger and Wittgenstein He has showcased the brilliant books of some eminent authors which offer many remarkable insights If you first get established in the truth after that when you look at the world when you look at time when you look at manifestation you will not get carried by it In this context each page of this book is a treasure trove of information and every image is worth a thousand words You can be captivated by the vast range of interpretations Pick a book today explore and enjoy the reading

Third Time's the Bride! Merline Lovelace,2016-07-01 Third time lucky Take a vacation to Italy and land a husband Well at least fianc number three Dawn McGill s fear of marriage has halted two weddings but millionaire Brian Ellis and his adorable little boy might change all that After all a marriage based on convenience is less frightening than one based on love Brian will do anything for his young son and what Tommy wants even more than a puppy is a mom Dawn is great with his boy and she s even beginning to fill a void in his own heart Yet he can t shake the feeling that his bride to be is getting cold feet What will it take to get Dawn all the way down the aisle this time

Subjectivity In-Between Times Chenyang Wang,2019-09-19 This book is the first to systematically investigate how the notion of time is conceptualised in Jacques Lacan s work Through a careful examination of Lacan s various presentations of time Chenyang Wang argues that this notion is key to a comprehension of Lacan s psychoanalytic thinking and in particular to the way in which he theorises subjectivity This book demonstrates that time is approached by Lacan not only as consciously experienced but also as pre reflectively embodied and symbolically generated In an analysis that begins with Lacan s Logical Time essay Chenyang Wang articulates three temporal registers that correspond to Lacan s Real Symbolic Imaginary triad and also demonstrates how Lacan s elaboration of other major themes including consciousness body language desire and sexuality is informed by his original perspectives on time Filling a significant gap in contemporary Lacanian studies this book will provide essential reading for students and scholars of psychoanalytic theory continental philosophy and critical theory

Time for Peace Luc Reyhler,2015-10-01 For building sustainable peace and security the time is always now Violence in our world extends beyond armed conflicts it exists in our social and economic structures not to mention in our destruction of the environment How can we build more sustainable development and peace In this innovative ambitious book Dr Luc Reyhler argues that we must drastically change our temporament or the way we deal with time He surveys the vast temporal landscape and considers its many dimensions such as how time relates to emotions religion and conflict and how our time horizons affect the natural world Using examples such as Hurricane Katrina and regime change in Libya Reyhler shows how time is misused in conflicts be it the failure to

anticipate a disaster or the manipulation of time to create a false sense of urgency Ultimately he proposes a more adaptive attitude to time so that we can be proactive rather than reactive in our efforts at sustainable development and conflict resolution **The New Utopian Politics of Ursula K. Le Guin's The Dispossessed** Laurence Davis, Peter

Stillman, 2005-11-22 The Dispossessed has been described by political thinker Andre Gorz as The most striking description I know of the seductions and snares of self managed communist or in other words anarchist society To date however the radical social cultural and political ramifications of Le Guin s multiple award winning novel remain woefully under explored Editors Laurence Davis and Peter Stillman right this state of affairs in the first ever collection of original essays devoted to Le Guin s novel Among the topics covered in this wide ranging international and interdisciplinary collection are the anarchist ecological post consumerist temporal revolutionary and open ended utopian politics of The Dispossessed The book concludes with an essay by Le Guin written specially for this volume in which she reassesses the novel in light of the development of her own thinking over the past 30 years **Machine Times** Joke Brouwer, 2000 At least since Einstein s theory of relativity

and Bergson s conception of duration and especially since the advent of personal technology such as the iPod and the cellphone we have been aware that the modern experience of temporality is continually in redefinition Published on the occasion of the DEAF 2000 festival in Rotterdam Machine Times takes a close look at the role of time in the constitution of our technological reality investigating temporality through a variety of formats interactive image manipulation sound performances and virtual environments in art projects stage events essays and interviews A sequel to The Art of the Accident 1998 Machine Times includes essays interviews and projects by Francisco Varela Detlef Linke Isabelle Stengers Peter Weibel Perry Hoberman Cybernetic Culture Research Unit Helga Nowotny Woody Vasulka Eduardo Kac tx transform Atau Tanaka and several others Econarrative Arran Stibbe, 2023-12-14 Econarratives are all around us describing and shaping human
