*Young Sidney Hook* Christopher Phelps, 2005 In the first biography of philosopher Sidney Hook since his death in 1989 Christopher Phelps vividly describes the neglected early thought and political history of this important New York intellectual Phelps chronicles Hook's early years and explores the contributions young Hook made to social theory ethics politics epistemology and discussions of scientific method 12 photos

**Sidney Hook** Cornelie Kunkat, 2000 [Checklist of Writings about John Dewey](#) Jo Ann Boydston, Kathleen Poulos, 1978 Since the first edition of this work Checklist of Writings about John Dewey 1887-1973 appeared in 1974 more than three hundred new works published and unpublished about John Dewey have been written In addition many items from the years covered by the first edition have been discovered All these writings are listed here in the Supplement to the First Edition which like the earlier edition is thoroughly indexed by author and by title As the first exhaustive compilation of information about such works the Checklist now comprising more than twenty-five hundred entries will be the indispensable starting point for future scholarly study of any facet of Dewey's career

**American Philosophy and the Intellectual Migration** Sander Verhaegh, 2025-01-27 How did immigrant scholars such as Rudolf Carnap Max Horkheimer and Alfred Schütz influence the development of American philosophy Why was the US community more receptive to logical empiricism than to critical theory or phenomenology This volume brings together fifteen historians of philosophy to explore the impact of the intellectual migration In the 1930s the rise of fascism forced dozens of philosophers to flee to the United States Prominent logical empiricists acquired positions at prestigious US universities Critical theorists moved their Frankfurt School to Columbia University And a group of phenomenologists taught at the New School for Social Research Though many refugee scholars acquired some American following logical empiricism had the biggest impact on academic philosophy The exiled empiricists helped the country turn into a bastion of analytic philosophy after the war Phenomenology and critical theory became prominent schools from the 1970s onwards and continue to be influential in American philosophy today This is the first book to investigate the migration from an integrated perspective bringing together historians of American philosophy logical empiricism phenomenology and critical theory

**Checklist of Writings**

**about John Dewey, 1887-1973** Jo Ann Boydston, Kathleen Poulos, 1974 Grown out of the process of planning and publishing Dewey's collected works at the Center for Dewey Studies Southern Illinois University this checklist provides the first exhaustive compilation of works about Dewey It is an indispensable starting point for future scholarly study of any facet of Dewey's career It contains well over two thousand entries It is structured in four major sections published items about Dewey unpublished items about Dewey reviews of Dewey's works and reviews of works about Dewey The checklist not only gives the student easy access to writings about Dewey but also reveals the major shifts and interests of modern scholarship

*Biographical Dictionary of Twentieth-Century Philosophers* Stuart Brown, Diane Collinson, Robert Wilkinson, 2012-09-10 Prestigious board of advisory editors and contributors **Works about John Dewey, 1886-1995** Barbara Levine, 1996 Although she has devised a new format for this bibliography Barbara Levine has included most of the materials published in the two editions of the Checklist of Writings about John Dewey Material new to this volume includes recently discovered items published during the ninety years covered by the Checklist as well as items published since 1977 Because certain studies at best have only marginal value or because they can be obtained through ordinary library research tools Levine has deleted some classes of material that appeared in the 1974 and 1978 Checklist editions primary sources with only brief references to Dewey the entire section entitled Unpublished Works about Dewey which included theses dissertations and

papers presented at meetings and Educational Resources Information Center ERIC documents Levine has included all of the material published about Dewey during the 108 years between 1886 and 1994 and has included many 1995 items as well She has verified all items and whenever possible obtained copies She has discovered hundreds of items omitted from the second edition of the Checklist and has augmented the current bibliography by nearly two thousand items published since 1977 The bibliography is divided into four parts The first Books and Articles about Dewey lists works alphabetically by author Replies and responses to articles immediately follow the work cited The Reviews of Dewey s Works lists titles alphabetically Reviews are grouped alphabetically by journal under the Dewey work reviewed The Author Index includes multiple authors and editors authors of replies and responses and reviewers of works both by and about Dewey The Title Key Word Index lists key words from most titles and subtitles The CD ROM version of Works about John Dewey contains both Windows and Macintosh formats and provides increased search capabilities

**Presidential Addresses of the American Philosophical Association, 1951-1960** American Philosophical Association, 2006 The American Philosophical Association APA was founded in 1900 to promote the exchange of ideas among philosophers to encourage creative and scholarly activity in philosophy to facilitate the professional work and teaching of philosophers and to represent philosophy as a discipline Having grown from a few hundred members to over 10 000 the American Philosophical Association is one of the largest philosophical societies in the world and the only American philosophical society not devoted to a particular school or philosophical approach In 1999 in anticipation of its centennial the APA authorized philosopher Richard T Hull to begin collecting and publishing the presidential addresses delivered over the course of the twentieth century

**Illinois Documents List** , 1989      **Checklist of Books and Pamphlets in the Social Sciences** New York State Library, 1956      *First Things* , 1991      **Publications of the State of Illinois 1987** , 1988      **Human Affairs** , 2000      **Publications of the State of Illinois** , 1989      **World Authors, 1900-1950** , 1996 Provides almost 2700 articles on twentieth century authors from all over the world who wrote in English or whose works are available in English translation

*American Philosophy* Barbara MacKinnon, 1985-01-01 This anthology demonstrates the richness and diversity of the American intellectual heritage In it we see how Jonathan Edwards grapples with the problem of how to reconcile freedom and responsibility with Calvinist religious beliefs how Franklin and Jefferson exemplified American enlightenment thought and how the Transcendentalists Ralph Waldo Emerson and Henry David Thoreau formulated their particular romantic idealist beliefs A second and significant portion of the anthology is devoted to Pragmatism Substantive excerpts from Peirce James and Dewey as well as Royce are collected here A third part is devoted to other Twentieth Century American philosophies No other collection of writings in this field includes the breadth of coverage that this one does Among the chapters in this third part of the book are those on early Process Philosophy Phenomenology Positivism and Language Philosophies Selections from such philosophers as Whitehead Weiss Buchler Gurwitsch Sellars Quine Davidson and Rawls along with many others are included in this part A final chapter is devoted to twentieth century

American Moral Philosophy The book is specifically designed to be used as a text for courses in American philosophy A substantive introduction that emphasizes the historical setting as well as major interests and ideas of the philosophers accompanies each chapter Extensive bibliographies and study guide questions follow each chapter The selections include more than any one course will cover but in their completeness also allow individual teachers and readers to select what they want American Philosophers, 1950-2000 Philip Breed Dematteis, Leemon B. McHenry, 2003 Essays on American philosophers engaged with philosophical topics focuses on the rise of analytic philosophy as the dominant philosophical movement in the English speaking world for most of the twentieth century Also covers libertarianism a political philosophy that holds that individuals are the sole legitimate owners of their own minds and bodies and that they should be free to do as they please
