neighborhood and the state poverty and precarity gender politics and ethical living and resistance to and accommodation of party state authority Evans contends that residents assertion of belonging to their neighborhood signifies not a nostalgic clinging to the past but a rejection of their marginalization and a desire for recognition Foregrounding the experiences of the last of Dashalar s older denizens as key to understanding Beijing s recent history Evans complicates official narratives of China s economic success while raising crucial questions about the place of the subaltern in history **China Tourism**

**Adventures of the Mad Monk Ji Gong** Guo Xiaoting,2014-08-26 Follow the brilliant and hilarious adventures of the Zen Buddhist monk who became one of China s greatest folk heroes During the Song Dynasty 960 1279 Ji Gong studied at the renowned Ling Yin monastery nestled in the steep hills above Hangzhou The Chan Zen Buddhist masters of the temple tried to instruct Ji Gong in the spartan practices of their sect but the young monk following in the footsteps of other great ne er do wells distinguished himself mainly by getting expelled He left the monastery became a wanderer with hardly a proper piece of clothing to wear and achieved significant renown in seedy wine shops and drinking establishments That could have been where Ji Gong s story ended But his unorthodox style of Buddhism soon made him a hero for storytellers of his era Audiences delighted in tales where the mad old monk ignored or even mocked authority defied common sense and never neglected the wine yet still managed to save the day Ji Gong remains popular in China even today where he regularly appears as the wise drunkard in movies and TV shows In these 89 stories you ll read about Ji Gong s rogue s knack for exposing the corrupt and criminal while still pursuing the twin delights of enlightenment and intoxication This literary classic of a traveling martial arts master will entertain readers of all ages

**Sevyns Life: A Story About The First Black Billionaire Transgender Woman** MarthaK Sayz,Ka'milla Harris,2024-04-06 This story provides an intriguing glimpse into the life of its protagonist Sevyn from her humble beginnings growing up in the Cabrini Green housing projects of Chicago all the way to her current status as a billionaire transgender businesswoman living in an opulent mansion in Dubai The narrative seamlessly jumps between the present and flashes back to Sevyn s childhood painting a picture of how she has risen from

nothing to achieve immense success against all odds From the very first chapter the author establishes Sevn as a strong driven woman who hasn't let her past hold her back We find her waking up beside her loving husband Rich in their sprawling Dubai estate but even amid this life of luxury the scent of coffee and bacon takes her back to memories of her grandmother's kitchen in Cabrini Green These glimpses into Sevn's childhood highlight the grit and resilience she developed early on traits that would serve her well on her journey Despite everything she endured growing up in such an impoverished environment she has never stopped believing in herself or her ability to make her dreams a reality After reconnecting with memories of her family and upbringing over breakfast Sevn begins to open up to Rich about her history hinting at secrets from her past that will alter their understanding of who she is This sets the stage for what is sure to be a revealing tale of Sevn's journey of self discovery and empowerment I'm eager to learn more about the obstacles she had to overcome to reach her current position of wealth and influence Her determination to keep striving despite facing adversity serves as an inspiration That night Sevn has another taping of her show *SS Diaries* though she neglects practicing her monologue as ghosts from her past resurface Through the description of her silhouette dancing in the mirror fragments cast by the chandelier the author builds an evocative sense of the inner turmoil Sevn feels as her demons emerge But she is able to channel her memories of poverty and homelessness into finding her voice and delivers a passionate speech touching on themes of perseverance that resonates with her massive global audience After filming Sevn and Rich retreat to the secret cellar chamber of their mansion where in addition to cannabis and music they keep priceless works of art family portraits and evidence of their philanthropic ambitions Sevn's successful career has clearly provided rich material comforts but her history still haunts her as she gazes at photos reminding her of harsher times Rich remains devotedly by her side supporting her through the resurfacing of painful recollections Their loving relationship established family and hopes for the future offer rays of light amid the shadows of Sevn's past that continue emerging I'm left wanting to know more about the specific hardships she faced and how she was finally able to overcome them Her journey seems sure to inspire with its message of empowerment and achieving the impossible through grit resilience and an unbreakable spirit The author provides vivid sensory details that transport the reader directly into Sevn's lavish yet conflicted world From the scents and sounds that transport her back to her childhood to the reflection of her quivering form in the mirrors as trauma resurfaces one can feel the visceral experience of Sevn's memories and emotions The interweaving of flashbacks with the present day also builds engaging dramatic tension making me eager to watch as more of Sevn's history is revealed piece by piece Both Sevn and Rich come across as complex multilayered characters and I appreciate the glimpses into Rich's background and support of Sevn that help balance the focus on her experiences Their caring partnership serves as a strong foundation that clearly played a role in helping Sevn achieve all she has Her determination to keep growing in her philanthropy work despite struggles with her past shows an evolved character who wants to use her platform to help others facing similar adversity In summary this novel introduction

draws the reader deeply into Sevyn's intriguing world through vivid sensory storytelling and bits of mystery surrounding her past. Both the present day scenes of luxury and the historical flashes back to harder times feel richly realized. Sevyn emerges as a compelling protagonist whose journey of perseverance through challenge upon challenge promises to hold inspiration. I look forward to seeing how the author continues to peel back the layers on Sevyn's history while advancing the engaging plotlines of her marriage, career, and philanthropic ambitions. This shows great promise as a story of empowerment and overcoming the odds through grit and resilience.

Tarnished Rings Stephen Wenn, Robert Barney, Scott Martyn, 2022-06-02

In late 1998 and the early months of 1999 the International Olympic Committee (IOC) was an organization in crisis. Revelations of a slush fund employed by Salt Lake City officials to secure votes from a number of IOC members in support of the city's bid for the 2002 Olympic Winter Games invited intense scrutiny of the organization by the international media. The IOC and its president Juan Antonio Samaranch staggered through the opening weeks of the scandal but ultimately Samaranch and key actors such as IOC vice president Richard Pound, marketing director Michael Payne, and director general François Carrard weathered the storm. They also safeguarded the IOC's autonomy and subsequently spearheaded the push for reforms to the Olympic Charter intended to better position the IOC for the twenty-first century. In *Tarnished Rings* the authors delve into this fascinating story, exploring the genesis of the scandal and charting the IOC's efforts to bring stability to its operations. Based on extensive research and unparalleled access to primary and source material, the authors offer a behind-the-scenes account of the politics surrounding the IOC and the bidding process. Wenn, Barney, and Martyn's potent examination of this critical episode in Olympic history and of the presidency of Samaranch, who brought sweeping changes to the Olympic Movement in the 1980s and 1990s, offers valuable lessons for those interested in the IOC, the Olympic Movement, and the broader concepts of leadership and crisis management.

*Valerii Pereleshin* Olga Bakich, 2015-03-27

Olga Bakich's biography of Valerii Pereleshin (1913-1992) follows the turbulent life and exquisite poetry of one of the most remarkable Russian migrants of the twentieth century. Born in Irkutsk, Pereleshin lived for thirty years in China and for almost forty years in Brazil. Multilingual, he wrote poetry in Russian and in Portuguese and translated Chinese and Brazilian poetry into Russian and Russian and Chinese poetry into Portuguese. For many years he struggled to accept and express his own identity as a gay man within a frequently homophobic migrant community. His poems addressed his three homelands, his religious struggles, and his loves. In *Valerii Pereleshin: The Life of a Silkworm*, Bakich delves deep into Pereleshin's poems and letters to tell the rich life story of this underappreciated writer.
