A Touch of Love from Heaven Angel Love, 2005-11 Standing in the Great Room at my home I see a rainbow appearing between the mirrors on my living room wall I note that the six colors of the chakra system are in the correct sequence red orange yellow green blue and lilac at the top of the rainbow Looking at my watch the time is 5 50 p m The rainbow disappears and now none can be seen

The time is 5 55 p m Next almost immediately two rainbows appear The first one is on the back of the Great Room Wall to the right above the sofa while I stand there facing the mirrors The second rainbow appears on the lamp Both of them contain the six colors of the chakra system in the chronological order I am left wondering if these visuals are the light of God giving me the go ahead for putting my writings into the hands of the people Since the chakra system and the rainbow are both utilized in my writings I believe this sign is from God and no accident *Journal of the West China Border Research Society* ,1923

El Mesquite Elena Zamora O'Shea,2000 The open country of Texas between the Nueces River and the Rio Grande was sparsely settled through the nineteenth century and most of the settlers who did live there had Hispanic names that until recently were rarely admitted into the pages of Texas history In 1935 however a descendant of one of the old Spanish land grant families in the region a woman no less found an ingenious way to publish the history of her region at a time when neither Tejanos nor women had much voice She told the story from the perspective of an ancient mesquite tree under whose branches much South Texas history had passed Her tale became an invaluable source of folk history but has long been out of print Now with important new introductions by Leticia M Garza Falc n and Andr s Tijerina the history witnessed by El Mesquite can again inform readers of the way of life that first shaped Texas Through the voice of the gnarled old tree Elena Zamora O Shea tells South Texas political and ethnographic history filled with details of daily life such as songs local plants and folk medicines foods and recipes peone patron relations and the Tejano ranch vocabulary The work is an important example of the historical folkloristic literary genre used by Mexican American writers of the period Using the literary device of the tree s narration O Shea raises issues of culture discrimination and prejudice she could not have addressed in her own voice in that day and explicitly states the Mexican American ideology of 1930s Texas The result is a literary and historic work of lasting value which clearly articulates the Tejano claim to legitimacy in Texas history *The Dublin university magazine* University magazine,1877 [The Dublin University Magazine](#) ,1877 **University Magazine** ,1877 **Dublin**
