Evangelical Parallel Bible Hendrickson Bibles Staff,Hendrickson Publishers,2013-02 Students of Scripture love to compare how translators have understood the ancient Hebrew and Greek texts to see if they can discover deeper meanings or simply ask more pertinent questions Four of the most popular versions have been placed in parallel columns KJV NKJV NIV and NLT so all can take copious notes Preachers Bible study leaders and participants students of the Scriptures and general readers who are curious about how different translations render their favorite verses will delight in this volume The same set of verses for all four translations is located on facing pages two translations to a page making text comparison a snap King James Version The dignified poetic language of this word for word translation has made it the favorite of countless readers for over four centuries New King James Version A completely updated translation that s faithful to the accuracy and beauty of the KJV while using contemporary and readable language New International Version 2011 Update Text Scholarly accuracy and easy readability combine to help readers understand and apply the intended meaning of the biblical text New Living Translation Second Edition Includes marginal notes that explain word choices plus a more consistent rendition of ancient terms into their modern English equivalents Life with a Capital L Matt Heard,2014-10-21 Matt Heard writes winsomely and compellingly answering that quiet aching so many people yes even Christians have that there must be more to life I highly recommend Life With a Capital L Joni Eareckson Tada Joni and Friends International Disability Center What is it that you long for Dream about Hunger after We all desire more than just the endurance of our daily routines But often we feel limited and stuck like we re merely existing instead of living That s not the way it was meant to be God intends the humanity in each of us to be deeply experienced lavishly enjoyed and exuberantly celebrated In fact this is what the gospel is all about Yes the gospel Contrary to conventional thinking inside and outside the church following Jesus is not about denying our humanness but embracing it Rather than acting more spiritual or being more religious we re called and enabled to become more fully human and alive Matt Heard escorts us on a journey of discovery that Jesus didn t come to save us from our humanity Christ instead yearns to restore it to what God originally intended Matt then explores ten key areas where everyday life can become extraordinary Life Christ promised we could live life to the full He didn t just mean eventually Life with a Capital L is the Life you are longing for Now **Family Pictures** Laura Duhan Kaplan,1998 This series of intimate snapshots of family life shows how the ordinary journey through marriage maturity and parenting is fraught with extraordinary questions about ethics knowledge and metaphysics Humorous and poignant depictions of family members are presented in the context of classical philosophical questions The reality of family life brings these questions down to earth while the author s imaginative use of philosophy deepens the reader s understanding of what is at stake for an individual enclosed in the sphere of the family The author s romantic vision of love as a spiritual anchor gives way to mock horror at discovering her new husband s philosophy of life A respectful description of her mother in law s attempts to stave off death

by clinging to physical possessions is followed by an outrageous account of her mother's ability to constructively ridicule the foibles of others. A meditation on the importance of learning from children about the value of human life is juxtaposed with the record of a futile attempt to learn from an art exhibit while chasing a wriggling infant. Family Pictures brings philosophy to a wider audience by showing how philosophical questions arise in ordinary experience and how practical philosophy can be in understanding personal and spiritual transformation.

Proverbs (Baker Commentary on the Old Testament Wisdom and Psalms) Tremper III Longman, 2006-06-01 With Proverbs veteran Old Testament scholar Tremper Longman III offers an accessible commentary on one of Scripture's most frequently quoted and visited books. With his deft exegetical and expositional skill, the resulting work is full of fresh insight into the meaning of the text. In addition to the helpful translation and commentary, Proverbs considers theological implications of these wisdom texts as well as their literary, historical, and grammatical dimensions. Footnotes deal with many of the technical matters, allowing readers of varying interest and training levels to read and profit from the commentary and to engage the biblical text at an appropriate level. This built-in versatility has application for both pastors and teachers. This is the second volume in the Baker Commentary on the Old Testament Wisdom and Psalms series.
