Nadal Ph. D.,Kevin L. Nadal,2010 Filipino Americans are projected to become the largest Asian American population by 2010 As the second largest immigrant group in the country there are approximately 3 million documented and undocumented Filipino Americans in the US Filipino Americans are unique in many ways They are

descendants of the Philippines a country that was colonized by Spain for over three centuries and by the US for almost 50 years They are the only ethnic group that has been categorized as Asian American Pacific Islander Hispanic and even as their own separate ethnicity Because of diverse phenotypes they are often perceived as being Asian Latino multiracial and others And contrary to the Model Minority Myth Filipino Americans have experienced several health psychological and educational disparities including lower college graduation rates and higher levels of cardiovascular disease diabetes obesity teen pregnancy HIV AIDS substance abuse depression and suicide Despite these disparaging statistics Filipino Americans have made significant contributions to the US ever since their first arrivals in October 1587 from their involvement in the United Farmworkers Movement to their roles in hip hop culture and their presence in medicine education and the arts However Filipino Americans have also been referred to as the Forgotten Asian Americans because of their invisibility in mainstream media academia and politics Filipino American Psychology A Collection of Personal Narratives offers an intimate look at the lives of Filipino Americans through stories involving ethnic identity colonial mentality cultural conflicts and experiences with gender sexual orientation and multiraciality Writers courageously address how they cope with mental health issues including depression anxiety post traumatic stress and suicide Theories and concepts from the book's predecessor Filipino American Psychology A Handbook of Theory Research and Clinical Practice can be applied through the voices of a diverse collection of Filipino Americans

Hap and Hazard and the End of the World Diane DeSanders, 2018-01-09 Diane DeSanders's genius lies in her ability to capture the intimate interiority of a very particular childhood while at the same time interrogating larger questions of class race and religion *Hap and Hazard and the End of the World* is a gorgeous profoundly original novel Dawn Raffel author of *Carrying the Body* and *The Secret Life of Objects* Rollicking tilted and transporting As the young narrator tries to manage her fraying family war wounded father suffering mother misbehaving relatives galore DeSanders takes us deeper always with such tenderness and beautiful observation into the ways we shape a narrative that keeps us whole

Victoria Redel author of *Loverboy* and *Before Everything* For Dick and Jane Dallas after World War II is a place of promise and prosperity the first home air conditioners are making summertime bearable and Dick's position at his father's business the Cadillac dealership is assured Jane has help with the house and the children and garden parties and holiday celebrations are spirited social affairs For the oldest of their three daughters however life is full of frustrating mysteries The stories the adults tell her don't make sense Too curious for comfort she finds her questions only seem to annoy them Why won't they tell the truth about Santa What is that Holy Spirit business and what is the difference between an angel and a ghost Why is her mother often so tense and sad And why does her father keep flying into violent rages

Hap and Hazard and the End of the World is an intimate finely crafted novel about the innocence and vulnerability of childhood and the dangers posed by adults who cannot cope with life's complexities It is also about the ingenuity born of loneliness and neglect and the surprising strange beauty of the world A fifth generation Texan Diane DeSanders is a history buff theater lover poet mother and

grandmother Between careers as a history teacher and antiques dealer she has worked in regional theater in almost every capacity She now writes gardens and sings in Brooklyn New York This is her first novel **We Are All Differently the Same** Darren Hobden,2013-05 As far back as Darren Hobden can remember he has always had a specific memory As a small child he understood the importance of it but kept it concealed After 44 years of keeping this memory to himself due to the fear of being ridiculed or being shunned Darren decided to share this very enlightening and powerful experience With support from family and friends Darren has put into words the amazing knowledge insights and learnings from his memory We are all Differently the Same explains the teachings from Darren s memory and how we may all learn to accept one another regardless of any perceived differences among us as we did Prior Life It can be helpful to those who have lost loved ones or anyone who may be afraid of dying themselves as we learn about the special and wondrous place that Darren calls The Room This book is not about a previous life but instead educates us on the missing link in the chain of life Prior Life Please open your mind in reading this book as Darren has opened his mind in writing it sharing with you a lifelong memory that is secret no more Keeping Love Alive as Memories Fade Gary Chapman,Edward G. Shaw,Deborah Barr,2016-09-16 Across America and around the world the five love languages have revitalized relationships and saved marriages from the brink of disaster Can they also help individuals couples and families cope with the devastating diagnosis of Alzheimer s disease AD Coauthors Chapman Shaw and Barr give a resounding yes Their innovative application of the five love languages creates an entirely new way to touch the lives of the five million Americans who have Alzheimer s as well as their fifteen million caregivers At its heart this book is about how love gently lifts a corner of dementia s dark curtain to cultivate an emotional connection amid memory loss This collaborative groundbreaking work between a healthcare professional caregiver and relationship expert will Provide an overview of the love languages and Alzheimer s disease correlate the love languages with the developments of the stages of AD discuss how both the caregiver and care receiver can apply the love languages address the challenges and stresses of the caregiver journey offer personal stories and case studies about maintaining emotional intimacy amidst AD Keeping Love Alive as Memories Fade is heartfelt and easy to apply providing gentle focused help for those feeling overwhelmed by the relational toll of Alzheimer s Its principles have already helped hundreds of families and it can help yours too
