Magic Valley Murders Jack W Horvath, 2019-10-28 David Garza did not set out to be a serial killer The first victim fell into an accident because David did not know that his father s pistol had a hair trigger With that under his belt it seemed natural in a rage to take the life of one who had offended him The third victim a law officer fell to a vicious cutthroat attack made in what he perceived to be self defense It just got easier each time

The Underdogs Mariano Azuela, 2022-05-28 Mariano Azuela s The Underdogs is a seminal work that intricately captures the tumultuous essence of the Mexican Revolution through the eyes of its protagonists The novel employs a realist narrative style characterized by its stark unembellished prose and vivid

depictions of the struggles faced by the marginalized during this pivotal historical period Azuela masterfully intertwines themes of betrayal heroism and the often harrowing complexities of revolutionary fervor providing readers with a profound look at the motivations and disillusionments of those who fought for change in a society rife with corruption and inequality Azuela himself was a key figure in the revolution having witnessed firsthand the societal upheaval that shaped Mexico in the early 20th century A physician by profession his experiences caring for wounded soldiers and his participation in revolutionary activities fueled his desire to illuminate the plight of the disenfranchised through literature His unique perspective as both a participant and an acute observer offers authenticity and depth to his narrative solidifying his status as a chronicler of his nation's struggles For readers seeking to understand the human cost of historical upheaval *The Underdogs* serves as an essential text Azuela's poignant exploration of loyalty identity and the very fabric of social justice resonates not just within the context of Mexican history but universally making this powerful novel a timeless reflection on the fight against oppression

Tafari Herwig Baumgartner, 2024-06-10 The author combined real events from his own memory with fictional scenes and tells the story from his *Agenda de Liaison* However the central characters even if someone thinks they recognize themselves are almost exclusively the product of the author's imagination with the exception of historical figures Anyone who thinks they can find more between the lines than in the text is welcome to join The dead poets club Anyone who suspects that the places named and scenes described belong to other periods should congratulate themselves Those who nevertheless persevere to the end

must be considered consistent Have fun
