and Demi Moore his filmography has come to represent both a genre of film and an era of pop culture In Brat McCarthy focuses on that singular moment in time The result is a revealing look at coming of age in a maelstrom reckoning with conflicted ambition innocence addiction and masculinity 1980s New York City is brought to vivid life in these pages from scoring loose joints in Washington Square Park to skipping school in favor of the dark revival houses of the Village where he fell in love with the movies that would change his life Filled with personal revelations of innocence lost to heady days in Hollywood with John Hughes and an iconic cast of characters Brat is a surprising and intimate story of an outsider caught up in a most unwitting success
