

Core of My Heart

The love of field and coppice
Of green and shaded lanes
Of ordered woods and gardens
Is running in your veins --
Strong love of grey-blue distance
Brown streams and soft dim skies...
I know but cannot share it,
My love is otherwise.

I love a sunburnt country,
A land of sweeping plains
Of ragged mountain ranges
Of droughts and flooding rains.
I love her far horizons
I love her jewel-sea,
Her beauty and her terror --
The wide brown land for me!

The stark white ringbarked forests
All tragic 'neath the moon
The sapphire-misted mountains
The hot gold rush of noon --
Green tangle of the bushes
Where lithe lianas coil
And orchid-laden tree-ferns
Smother the crimson soil.

Core of my heart, my country --
Her pitiless blue sky,
When sick at heart, around us
We see the cattle die...
And then the grey clouds gather
And we can bless again,
The drumming of an army,
The steady, soaking rain.

Core of my heart, my country,
Young Land of Rainbow Gold --
For flood and fire and famine
She pays us back three-fold...
Over the thirsty paddocks
Watch, after many days
A filmy veil of greenness
That thickens as you gaze...

An opal-hearted country,
A wilful, lavish land --
Ah, you who have not loved her
You cannot understand...
...The world is fair and splendid
But whoso'er I die
I know to what brown country
My homing thoughts will fly!

DiSanto, 2016-11-01 An eminent Canadian man of letters, scholar, naval officer, and secret intelligence agent, CBC scriptwriter, musician, biographer, and translator George Whalley (1915-1983) was also a gifted poet whose work spans five decades. Along with his major critical work *Poetic Process* and his superb biography *The Legend of John Hornby*, Whalley's poetry is an important contribution to the emergence and development of twentieth-century modernism. *The Complete Poems of George Whalley* is the first collection of Whalley's entire poetic oeuvre. It contains the previously published work from his two books of poetry, *Poems* (1939-1944) and *No Man An Island*, as well as pieces that appeared in periodicals and edited collections. It gathers all his unpublished poems found in public archives and his personal papers, letters, and journals. This collection reinforces Whalley's place as the foremost Canadian poet of the Second World War, during and immediately after which the majority of these works were written. It also emphasizes the humour and playfulness of his early and late poems. Michael DiSanto's introduction provides an overview of Whalley's life and career and examines the relationship between his poetics and criticism by consulting his essays, letters, and unpublished papers. Restoring Whalley's poetry and literary contributions to their rightful place in the Canadian canon, this comprehensive collection opens new chapters on mid-twentieth-century modernism and war poetry. *Shelley: Selected Poems* Kelvin Everest, 2023-03-23

Percy Bysshe Shelley (1792-1822) was one of the major Romantic poets and wrote what is critically recognised as some of the finest lyric poetry in the English language. In this volume, the editors have selected the most popular, significant, and frequently taught poems from the six-volume Longman Annotated edition of Shelley's poems. Each poem is fully annotated, explained, and contextualised, along with a comprehensive list of abbreviations, an inclusive bibliography of material relating to the text, and interpretation of Shelley's poetry, plus an extensive chronology of Shelley's life and works. Headnotes and footnotes furnish the personal, literary, historical, and scientific information necessary for an informed reading of Shelley's richly varied and densely allusive verse, making this an ideal anthology for students, classroom use, and anyone approaching Shelley's poetry for the first time. However, the level and extent of commentary and annotation will also be of great value for researchers and critics. **The**

Harper* Frances Ellen Watkins Harper, 1988 Frances Harper was renowned in her lifetime not only as an activist who rallied on behalf of black women and the poor but as a pioneer of the tradition of protest literature whose immense popularity did much to develop an audience for poetry in America This collection of her poems is drawn from ten volumes published between 1854 and 1901 Their main issues are oppression Christianity and social and moral reform Consolidating the oral tradition and the ballad form and merging dramatic details and imagery with a strong political and racial awareness Harper's poetry represented a distinctly Afro-American discourse that was to inspire generations of black writers *The Oxford Handbook of British and Irish War Poetry* Tim Kendall, 2007-02-22 Thirty-seven chapters written by leading literary critics from across the world describe the latest thinking about twentieth-century war poetry The book maps both the uniqueness of each war and the continuities between poets of different wars while the interconnections between the literatures of war and peacetime and between combatant and civilian poets are fully considered The focus is on Britain and Ireland but links are drawn with the poetry of the United States and continental Europe The Oxford Handbook feeds a growing interest in war poetry and offers in toto a definitive survey of the terrain It is intended for a broad audience made up of specialists and also graduates and undergraduates and is an essential resource for both scholars of particular poets and for those interested in

wider debates about modern poetry This scholarly and readable assessment of the field will provide an important point of reference for decades to come
