Bauman,2019-05-14 Winner of the 2023 Southern Jewish Historical Society Book Award Essays from a prolific career that challenge and overturn traditional narratives of southern Jewish history Mark K Bauman one of the foremost scholars of southern Jewish history working today has spent much of his career as he puts it rewriting southern Jewish history in ways that its earliest historians could not have envisioned or anticipated and doing so by specifically targeting themes and trends that might not have been readily apparent to those scholars A New Vision of Southern Jewish History Studies in Institution Building Leadership Interaction and Mobility features essays collected from over a forty year career including a never before published article The prevailing narrative in southern Jewish history tends to emphasize the role of immigrant Jews as merchants in small southern towns and their subsequent struggles and successes in making a place for themselves in the fabric of those communities Bauman offers assessments that go far beyond these simplified frameworks and draws upon varieties of subject matter time periods locations tools and perspectives over three decades of writing and scholarship A New Vision of Southern Jewish History contains Bauman s studies of Jewish urbanization acculturation and migration intra and inter group relations economics and business government civic affairs transnational diplomacy social services and gender all complicating traditional notions of southern Jewish identity Drawing on role theory as informed by sociology psychology demographics and the nature and dynamics of leadership Bauman traverses a broad swath often urban of the southern landscape from Savannah Charleston and Baltimore through Atlanta New Orleans Galveston and beyond the country to Europe and Israel Bauman s retrospective volume gives readers the opportunity to review a lifetime of work in a single publication as well as peruse newly penned introductions to his essays The book also features an Additional Readings section designed to update the historiography in the essays A House of David In the Land of Jesus Robert Lewis Berman,2007-01-01 Two Covenants Eliza McGraw,2005-07-01 Jews have long occupied visible roles in the South Jewish families have owned establishments ranging from dry goods stores to Thomas Jefferson s Monticello and some of the region s most important writers and scholars have been Jewish Yet surveys of southern culture rarely assess the contributions of Jews while histories of Jews in America virtually exclude those living in the South Eliza R L McGraw s multifaceted study fills both gaps and in doing so expands how we define the South In Two Covenants McGraw mines eclectic representations of Southern Jewishness as varied as the Carolina Israelite newspaper the Mardi Gras Krewe du Jieus southern Baptist conversion instruction pamphlets and the film Driving Miss Daisy She also considers literary representations of southern Jews in the works of both Jewish and non Jewish writers including Thomas Wolfe Robert Penn Warren Walker Percy Lillian Hellman David Cohn Louis Rubin Jr Eli Evans James Weldon Johnson Jean Toomer and Charles Chesnutt While concerned with established concepts such as ethnicity and region McGraw raises many questions that illustrate the complexity of southern

Jewishness Can one individual straddle two identities How do race class and gender influence southern Jewishness What are the differences between southern Jews and other southerners or between southern Jews and other Jews Does anti-Semitism manifest itself differently or with unique effects in the South In suggesting answers to these and other questions McGraw ranges widely over the southern cultural landscape and reveals that although southern Jewishness remains a marginal identity due to the small size of its constituency it nevertheless inhabits and helps to form the South at large The very presence and vitality of southern Jewishness demonstrate that southern identity like national identity is a fluid cultural experience

Religion in the American South Beth Barton Schweiger, Donald G. Renaissance in Charleston James M. Hutchisson, Harlan Greene, 2003 The essays tell how these and other individuals faced the tensions and contradictions of their time and place While some traced their lineage back to the city's first families others were relative newcomers Some broke new ground racially and sexually as well as artistically others perpetuated the myths of the Old South Some were censured at home but praised in New York London and Paris The essays also underscore the significance and growth of such cultural institutions as the Poetry Society of South Carolina the Charleston Museum and the Gibbes Art Gallery
