Oregon Historical Quarterly June 1925:

Oregon Historical Quarterly Oregon Historical Society,1929 **Oregon Historical Quarterly** ,1926 The Washington Historical Quarterly ,1926 **The Canadian Historical Review** ,1927 *The Commonwealth Review of the University of Oregon* ,1928 **The Rogue River Indian War and Its Aftermath, 1850-1980** E. A. Schwartz,1997 From 1855 to 1856 in western Oregon the Native peoples along the Rogue River outmaneuvered and repeatedly drove off white opponents In *The Rogue River Indian War and Its Aftermath 1850 1980* historian E A Schwartz explores the tribal groups resilience not only during this war but also in every period of federal Indian policy that followed Schwartz s work examines Oregon Indian people s survival during American expansion as they coped with each federal initiative from reservation policies in the nineteenth century through termination and restoration in the twentieth While their resilience facilitated their success in adjusting to white society it also made the people known today as the Confederated Tribes of Siletz Indians susceptible to federal termination programs in the 1970s efforts that would have dissolved their communities and given their resources to non Indians Drawing on a range of federal documents and anthropological sources Schwartz explores both the history of Native peoples of western Oregon and U S Indian policy and its effects **The Commonwealth Review of the University of Oregon** University of Oregon,1929 *Commonwealth Review of the University of Oregon* ,1926 *The Quarterly Journal of the New York State Historical Association* ,1926 **Historical Outlook** ,1924 *Illuminative Moments in Pacific Northwest Prose* Richard W. Etulain,2024-03-12 Richard W Etulain examines the emergence of Pacific Northwest prose beginning in the early nineteenth century up to the present The book provides an introductory overview to a vast subject through illuminative moments that illustrate major shifts in the literary history of the region The book s focus is on novels histories and other nonfiction works that trace Pacific Northwest prose in chronological order through three periods the frontier regional and post regional eras Etulain provides extensive coverage of the writings of notable authors including novelists Frederic Homer Balch and Mary Hallock Foote offering an understanding of frontier romantic and Local Color Writers He also explores the works of H G Merriam and novelist H L Davis illustrating regional prose writings Finally Etulain includes a panoply of writers who exemplify an emphasis on gender race and ethnicity and environmental texts from the post WWII period *Illuminative Moments in Pacific Northwest Prose* delivers a first time overview of the region s literary contributions that will interest both scholars and general readers alike The Spokane Indians Robert H. Ruby,John Arthur Brown,2006 This tribal history of the Spokane Indians begins with an account of their early life in the Pacific Northwest central plateau region It then describes in harrowing detail the U S government s encroachment on their lands and the subsequent enforced settlement of Spokane people on reservations The volume concludes with a presentation of twentieth century developments This edition of *The Spokane Indians* features a new foreword and introduction which provide up to date information on the Spokane people and their most recent efforts to recover and strengthen their historical and cultural

heritage **"Hang Them All"** Donald L. Cutler, 2016-07-15 Col George Wright's campaign against the Yakima Spokane Coeur d'Alene Palouse and other Indian peoples of eastern Washington Territory was intended to punish them for a recent attack on another U.S. Army force. Wright had once appeared to respect the Indians of the Upper Columbia Plateau but in 1858 he led a brief war noted for its violence, bloodshed, and summary trials and executions. Today many critics view his actions as war crimes but among white settlers and politicians of the time Wright was a patriotic hero who helped open the Inland Northwest to settlement. **Hang Them All** offers a comprehensive account of Wright's campaigns and explores the controversy surrounding his legacy. Over thirty days Wright's forces defeated a confederation of Plateau warriors in two battles, destroyed their food supplies, slaughtered animals, burned villages, took hostages, and ordered the hanging of sixteen prisoners. Seeking the reasons for Wright's turn toward mercilessness, Cutler asks hard questions: If Wright believed he was limiting further bloodshed, why were his executions so gruesomely theatrical and cruel? How did he justify destroying food supplies and villages and killing hundreds of horses? Was Wright more violent than his contemporaries, or did his actions reflect a broader policy of taking Indian lands and destroying Native cultures? Stripped of most of their territory, the Plateau tribes nonetheless survived and preserved their cultures. With Wright's reputation called into doubt, some northwesterners question whether an army fort and other places in the region should be named for him. Do historically based names honor an undeserving murderer or prompt a valuable history lesson? In examining contemporary and present-day treatments of Wright and the incident **Hang Them All** adds an important informed voice to this continuing debate. Indians of the Pacific Northwest Robert H. Ruby, John Arthur Brown, 1988 **NORTHWEST** *The American Historical Review* John Franklin Jameson, Henry Eldridge Bourne, Robert Livingston Schuyler, 1925 *American Historical Review* is the oldest scholarly journal of history in the United States and the largest in the world. Published by the American Historical Association, it covers all areas of historical research. **The Social Studies**, 1925 *Proceedings of the New York State Historical Association with the Quarterly Journal* New York State Historical Association, 1926 *Steel Valley Klan* William D. Jenkins, 1990 Jenkins history Youngstown State suggests that the success of the Ku Klux Klan in the Youngstown, Ohio area in the 1920s was due to its appeal to a much broader social strata than is generally thought, with its call for a conservative Protestant moral society. Its decline, he says, was due to people doubting the organization's commitment to those ideals. Annotation copyrighted by Book News Inc., Portland, OR. *Native American in the Land of the Shogun* Frederik L. Schodt, 2013-06-15 The true story of a half-Chinook, half-Scot adventurer who entered feudal Japan in 1848 and helped pave the way for its modernization. How Japan, after 250 years of self-imposed isolation, began the process of modernization is in part the story of Ranald MacDonald. In 1848 this half-Scot, half-Chinook adventurer from the Pacific Northwest landed on an island off Hokkaido. Although promptly arrested and imprisoned for seven months in Nagasaki, the intelligent, well-educated MacDonald fascinated the Japanese and became one of their first teachers of English and Western ways. Based on primary research in Japan and North

America this book chronicles the events leading to MacDonald's journey and his later struggle to obtain recognition at home
Historical Outlook, 1926
