Peekaboo You:

Peek-A-Boo, You're Dead! Drac Von Stoller, Darren and his friends Stacy Tom and Julie liked to hang out at the old abandoned plantation home just a mile from the town s cemetery on Halloween night They liked to party and tell ghost stories until dawn Darren decided the next time they went back to the plantation do what they have always done for years surprise his friends with an Ouija board and maybe this time would be different He could not have been more right The following Saturday was Halloween so Darren called his three friends on the phone and said he had a surprise that he would tell them about when they all arrived at the plantation tonight at midnight Darren and his friends all piled in their cars with excitement on their faces barreling down the old country gravel road while a storm was brewing out in the distance The closer they got to the plantation the more intense the storm got Darren s friends arrived about ten minutes before midnight but Darren wanted to be the first one there to set up the Ouija board so he arrived fifteen minutes before his friends did Darren placed the Ouija board on the dusty floor of the plantation with candles lit around the Ouija board Stacy Tom and Julie finally arrived right on time just as the rain was pouring down on their cars Everyone got their umbrellas out and dashed out of their vehicles up the steps to the plantation Darren heard his friend s cars pull up to the plantation so he greeted them all at the front door to let them in for the big surprise Stacy Tom and Julie shook off their umbrellas and Darren said Come on in and I ll show you my surprise for you all They all approached the study and went inside Lying in the middle of the dusty floor with candles lit around it was the Ouija board Darren said Well what do you all think Julie chimed in and said An Ouija board is just a dumb stupid game that doesn t make ghosts appear If I d known in advance I would have just stayed home and watched TV Tom and Stacy agreed with Julie and they all headed to the front door of the plantation to leave but the door locked as they approached it Darren said Humor me and I ll make a deal with you if this Ouija board can t bring forth any ghosts we ll break out a window and leave Everyone agreed and came back into the study and sat around the Ouija board ready for a night they will never live to tell about Question after question was asked to the Ouija board but just as Stacy was ready to get up and leave Julie chimed in and said Let me ask it this question Was someone murdered in the plantation

caring individual in his beach community The three cases in this book span almost twenty years of his life Along the way Dave meets the most varied individuals some good some wicked some humorous some inventive and all moving intricately together toward the most delightful conclusion You will enjoy the humor and wit of Ed Dave s longtime friend And you will most certainly enjoy the inventiveness of Peekaboo Bob and the flamboyance of Detective Lane The first case provides an examination of the homeless society in America as viewed from the beaches of Southern California It brings to light several sides of this community Most of us view homeless people in a very negative light This case story is an expose of crime mental illness and poverty very real aspects of this lost society But the case also reveals a side of the homeless not often thought about It includes folks who care about others perform positive and loving acts and even assist in dealing with the community in helpful ways Dave begins helping some of these people in some very creative ways He begins to become known as an advocate for the homeless In the second case Dave discovers a mysterious young girl who has been separated from her father Dave and his team work together to discover who her father is and create a plan to reunite them It also provides a fun romp with a sailing trip through the Mediterranean The book ends with the third case which involves Dave and his family in a very personal and dramatic way Some very direct threats and circumstances evolve which place Dave outside his normal comfort zone both at home and in the courtroom
