## **Poverty Knock:**

**Tunnel Tigers** Alexander Cordell, 2014-08-21 Brunel Stephenson Locke and Vignoles these were the magic names And under them 10 000 laboured blasting shovelling and digging changing the contours of Britain for a new age of railways Among them is Nick Wortley whose love for the daughter of the local mill owner is cruelly thwarted Taking flight he is drawn by the irresistible clamour of the great Sheffield to Manchester a railway which is preparing to drive a path of steel under the Pennines Stephenson said it was impossible Nick and his companions will prove him wrong but at a terrible price

**Rhythms of Labour** Marek Korczynski, Michael Pickering, Emma Robertson, 2013-04-25 Whether for weavers at the handloom labourers at the plough or factory workers on the assembly line music has often been a key texture in people's working lives This book is the first to explore the rich history of music at work in Britain and charts the journey from the singing cultures of pre industrial occupations to the impact and uses of the factory radio via the silencing effect of industrialisation The first part of the book discusses how widespread cultures of singing at work were in pre industrial manual occupations The second and third parts of the book show how musical silence reigned with industrialisation until the carefully controlled introduction of Music while You Work in the 1940s Continuing the analysis to the present day Rhythms of Labour explains how workers have clung to and reclaimed popular music on the radio in desperate and creative ways

**Rap to Mars** Dr. Oliver Akamnonu, 2012-01-23 Rap to Mars a book of poetry satire and prose attempts by words and art to dissect and sift through diverse aspects of the life of man in his quest to assert himself as the king or queen of the universe This is even in spite of man's obvious lapses frailties and entrapment During the course of various attempts sometimes success smiles on man But when failures present themselves arrogant and deceitful man refuses to accept his obvious limitations Often in his ever willing efforts to deceive the more gullible man in his cowardice plays the monkey that uses the cat's paws to extract nuts from the fire From a safe distance the minion man details his more gullible fellow men to sacrifice themselves and others in silly and assumed defense of the Almighty Maker The martyr and suicide bomber along with their victims become the willing and unwilling by products But even in spite of his sometimes comical shenanigans man who unsuccessfully plays the angel on Earth remains man and suffers or causes others to suffer the pains arising from a perpetual struggle between the good and the bad as represented in Rap to Mars by Earth's angels suicide bombers and whores At the end of the day man mere mortal man still finds himself trapped in his self imposed cocoon of a shanty or a mansion In the latter man again plays the elitist parent of a lone child while the downtrodden find their pleasure by doggedly obeying the injunction of increase and multiply Rap to Mars is a mixed grill of fun challenges and what the evolving society was what it is and what it should fight hard not to be

Dead Man's Land Robert Ryan, 2013-01-03 Where better to get away with murder than a place where thousands are dying every day Deep in the trenches of Flanders Fields men are dying in their thousands every day So one more death shouldn't be a surprise But then a body turns up with bizarre injuries and Sherlock Holmes

former sidekick Dr John Watson unable to fight for his country due to injury but able to serve it through his medical expertise finds his suspicions raised The face has a blue ish tinge the jaw is clamped shut in a terrible rictus and the eyes are almost popping out of his head as if the man had seen unimaginable horror Something is terribly wrong But this is just the beginning Soon more bodies appear and Watson must discover who is the killer in the trenches Who can he trust Who is the enemy And can he find the perpetrator before he kills again Surrounded by unimaginable carnage amidst a conflict that is ripping the world apart Watson must for once step out of the shadows and into the limelight if he is to solve the mystery behind the inexplicable deaths A vivid account of life in the trenches this is a genuinely fascinating and finely researched piece of war fiction Daily Express A hugely powerful depiction of wartime horror a cunning murder mystery and a brilliant reinvention of Dr John Watson Conan Doyle would most definitely approve Mark Billingham Land of Heart's Desire Alexander Cordell, 2014-09-04 Iestyn Mortymer was sentenced to twenty one years transportation to the colonies for his part in the Chartist Rebellion of 1839 But three years on he escaped during the massacre of the British Army in Afghanistan and returned to Wales under a false identity His beautiful Afghan lover Durrani granddaughter of Dost Mahommed the King of Kabul having been banished from her country because of her relationship with Iestyn joins him with their son Suresh to begin a new life in West Wales farming at Cae White near Carmarthen However Durrani's grandfather has other ideas His kingship is under threat from Akbar Khan his traitorous warrior son To prevent Akbar from seizing the throne Dost Mahommed changes his mind about his granddaughter's banishment and now seeks to have young Suresh returned to Kabul in order for the child to take the throne with his mother as Queen regent The Dost's insistent command finds little welcome among the residents of Cae White Farm however and Iestyn prepares for battle **Work Songs** Ted Gioia, 2006-04-13 DIV The place of music in different forms of work from the earliest hunting and planting to the contemporary office div **The Song and the Story** Isla St. Clair, 1981 *A Student's Guide to GCSE Music for the OCR Specification* David Bowman, 2002-11 Song and Democratic Culture in Britain Ian Watson, 2015-12-22 Originally published in 1983 Song has always been a natural way to record everyday experiences an expression of celebration commiseration complaint and protest This innovative book is a study of popular and working class song combining several approaches to the subject It is a history of working class song in Britain which concentrates not simply on the songs and the singers but attempts to locate such song in its cultural context and apply principles of literary criticism to this essentially oral medium It triggered controversy some critics castigated its Marxist approach others enthused that such unabashed partisanship amply reveals the outstanding characteristic of Watson's book The author discusses the way in which the popular song from Victorian times onwards has been forced by the entertainment industry out of its roots in popular culture to become a blander form of art with minimal critical potential The book ends by considering the possibilities for a continued flourishing of a genuine popular song culture in an electronic age It has become a standard title in bibliographies and curricula Much has changed since 1983 not least in music but this then

*Song of Lawino & Song of Ocol* Okot p'Bitek,2013-01-31 During his lifetime Okot p'Bitek was concerned that African nations including his native Uganda be built on African and not European foundations Traditional African songs became a regular feature in his work including this pair of poems originally written in Acholi and translated into English Lawinos wordsin the first poemare not fancy but their creative patterns convey compelling images that reveal her dismay over encroaching Western traditions and her Westernized husbands behavior Ocols poem underlines Lawinos points and confirms her view of him as a demeaning and arrogant person whose political energies and obsession with wasting time are destructive to his family and his community The gripping poems of Lawino and Ocol capture two opposing approaches to the cultural future of Africa at the time and paint a picture that belongs in every modern readers cognitive gallery

**The Comic Imagination in Modern African Literature and**

**Cinema** Maik Nwosu, 2016-02-05 This book is a seminal study that significantly expands the interdisciplinary discourse on African literature and cinema by exploring Africa's under-visited carnivalesque poetics of laughter. Focusing on modern African literature as well as contemporary African cinema, particularly the direct-to-video Nigerian film industry known as Nollywood, the book examines the often-neglected aesthetics of the African comic imagination. In modern African literature, which sometimes creatively traces a path back to African folklore, and in Nollywood with its aesthetic relationship to Onitsha Market Literature, the pertinent styles range from comic simplicitas to comic magnitude with the facilitation of language characterization and plot by a poetics of laughter or lightness as an important aspect of style. The poetics at work is substantially carnivalesque, a comic preference or tendency that is attributable in different contexts to a purposeful comic sensibility or an unstructured but ingrained or virtual comic mode. In the best instances of this comic vision, the characteristic laughter or lightness can facilitate a revaluation or reappreciation of the world, either because of the aesthetic structure of signification or the consequent chain of signification. This referentiality or progressive signification is an important aspect of the poetics of laughter as the African comic imagination variously reflects across genres, both the festival character of comedy and its pedagogical value. This book marks an important contribution to African literature, postcolonial literature, world literature, comic imagination, poetics, critical theory, and African cinema. The Human Journey Kevin

Reilly, 2018-05-04 The Human Journey offers a truly concise yet satisfyingly full history of the world from ancient times to the present. The book's scope, as the title implies, is the whole story of humanity in planetary context. Its themes include not only the great questions of the humanities: nature versus nurture, the history and meaning of human variation, the sources of wealth and causes of revolution, but also the major transformations in human history: agriculture, cities, iron, writing, universal religions, global trade, industrialization, popular government, justice and equality. In each conceptually rich chapter, Kevin Reilly concentrates on a single important period and theme, sustaining a focused narrative and analytical perspective. Free of either a confined limiting focus or a mandatory laundry list of topics, this book begins with our most important questions and searches all of our past for answers. Well-grounded in the latest scholarship, this is not a fill-in-the-blanks text, but world history in a grand humanistic tradition. An instructor's manual includes questions for classroom discussion, substance exam questions, evaluative questions, critical thinking questions, and multiple choice questions, also available in a test bank format.
