Prophet And Teacher An Introduction To The Historical Jesus:

Prophet and Teacher William R. Herzog, 2005 Offering a unique introduction to the historical person Jesus of Nazareth respected New Testament scholar William Herzog traces the history of discussion and scholarship of the historical Jesus including that of the recent and very public Jesus Seminar He does so however with an eye toward the theological No other introduction is tied so closely to the biblical texts By exploring in depth Jesus words the parables and Jesus deeds miracles Herzog presents a holistic picture of Jesus that will explain how Jesus followers would have understood his miracles and his role as prophet With its accessibility and clear connections to what the gospels are saying Prophet and Teacher will appeal to general readers with little theological background and be a popular primary text in undergraduate and seminary classes Publisher

The Consciousness of the Historical Jesus Austin Stevenson, 2024-02-22 In this book Austin Stevenson argues that it is not the divinity of Jesus that causes problems for historians but his humanity To insist that Jesus was fully human as both theologians and historians do still leaves us with the question of what it means to be human It turns out that theologians and historians often have different answers to this question on both a philosophical and a theological register Furthermore historians frequently misunderstand the historiographical implications of classical Christology and thus the compatibility between traditional beliefs about Jesus and critical historical inquiry Through close engagement with the thought of Thomas Aquinas c 1225-74 this book offers a new path toward the reconciliation of these disciplines by focusing on human knowledge and subjectivity which are central issues in both historical method and Christology By interrogating and challenging the normative metaphysical assumptions operative in Jesus scholarship a range of possibility is opened up for approaches to Jesus that are genuinely historical but not naturalistic

Inventing Christic Jesuses, Volume 1 Charles A. Wilson, 2017-11-09 Inventing Christic Jesuses is the first comprehensive proposal for how revisionist theology can deploy historical Jesus research in a methodologically sophisticated way Rejecting positions that insulate theology from Jesus research the proposal sets out warrants and rules for a quested Christology in dialogue with an analysis of the conduct of historians of Jesus from the period of the Third Quest c 1980-2010 The volume Method analyzes for theology the methods and values of historical research on Jesus It argues that the methodic construction of historical images of Jesus in conversation with sources is simultaneously a retrojective activity of value production First in defining the terms of the inquiry Wilson locates a middle ground between hostility to questing and a too ready application of historical results to Christology He then identifies rules and warrants for the deployment of Jesus research in theology and reconstructs the notion of the retrojection of value in the production of a historical Jesus The volume ends with a case study of retrojective Jesus production an analysis and assessment of the new notion that Jesus is a sage in the tradition of wisdom

The Empathic God Frank Woggon, 2024-05-07 What if Jesus did not come to die for our sins What if instead Jesus's life and death was intended to provide a way out of our shame While traditional Christian teachings about the atonement emphasize sin as guilt and

transgression against God's will and commandments Frank Woggon points out that clinical spiritual care reveals that the human condition is predominantly marked by shame rather than guilt In *The Empathic God* Woggon examines myopic readings of the Jesus event that in turn have embedded distortions into traditional paradigms of the atonement In contrast Woggon mines narratives of the human condition to engage in a critical examination of the Jesus story As a clinician and ordained Baptist minister Woggon presents the Jesus event as God's empathic initiative toward humanity and convincingly argues that salvation comes through empathy rather than forgiveness Woggon's work constructs a clinical theology of atonement from the perspective of clinical spiritual care *The Empathic God* calls for a practical response of caring participation in God's ongoing work of salvation through an empathic praxis of spiritual care Most importantly *The Empathic God* takes seriously that lived human experience is the starting point for theological exploration rather than doctrine This book will help practitioners and students of spiritual care in the Christian tradition to reflect more critically on the intersection of spiritual care practice and theology The book also will challenge pastors ministers of pastoral care chaplains pastoral counselors spiritually oriented therapists to interrogate and re-interpret traumatic shame filled Christian teachings about the atonement so that they too can join in God's ongoing and liberating work of salvation *Jesus and the Gospels, Third Edition* Craig L. Blomberg, 2022-11-15 In *Jesus and the Gospels* New Testament scholar Craig Blomberg immerses the reader in the historical and cultural world of Gospel narratives for them to better understand and appreciate their focal point Jesus of Nazareth

Towards the Prophetic Church John M. Hull, 2014-09-30 Thirty years ago John Hull wrote *What Prevents Christian Adults from Learning* This new book asks *What Prevents Christian Adults from Acting* How has it come about that the Church appears to be so preoccupied with itself What happened to the quest for the social justice of the Kingdom of God John Hull's search for understanding took him back to the prophetic tradition of the Bible and he discovered that this has become neglected and even betrayed Christian discipleship must be more than church going and prayer Christians must resist the unjust structures of society in the prophetic tradition Theological reflection is not enough ***Hearing Beyond the Words*** Emma J. Justes, 2010-09-01 Only when pastors hear beyond the words can they care fully minister Pastors listen all the time Or do they Listening is more than a developed skill it is an awesome gift of hospitality offered to others According to Dr Emma Justes hearing beyond the words signifies an intimate relationship characterized by humility thoughtful availability vulnerability and mutuality Listening requires focused attention and openness To help the reader learn this essential skill the author includes exercises at the end of each chapter to build needed competency for this healing ministry *The Gospels and Acts* Margaret Aymer, Cynthia Briggs Kittredge, David A. Sanchez, 2016-10-10 This commentary on the Gospels and Acts excerpted from the *Fortress Commentary on the Bible* The New Testament engages readers in the work of biblical interpretation Contributors from a diversity of perspectives connect historical critical analysis with sensitivity to current theological cultural and interpretive issues Each chapter Matthew through Acts includes an introduction and commentary

based on three lenses ancient context the interpretive tradition and contemporary questions and challenges The Gospels and Acts introduces fresh perspectives and draws students preachers and interested readers into the challenging work of interpretation

Talking Back to the Bible Edward G. Simmons, 2016-02-25 Talking Back to the Bible by Dr Edward G Simmons In a fascinating rumination Edward G Simmons combines a lifetime s experiences and biblical research in a voice that is as comfortable and welcoming as if one was seated in an easy chair in his study With his fierce intellect and honesty Simmons layers his philosophical lessons with personal insights and the latest discoveries of science The audience I hope will be anyone who enjoys studying the Bible and prefers seeking new and challenging insights rather than devotional rehashing of traditional messages Pastors scholars students and anyone in quest of spiritual insight through Bible study should find these conversations entertaining challenging and inspirational My hopes would be met if such readers found the insights presented here did indeed promote a stronger sense of relationship with God Edward G Simmons

Reasons for Living Marisa Crawford, Graham Rossiter, 2006-11-01 Reasons for Living begins by exploring the development and psychological function of meaning identity and spirituality in the lives of young people This exploration can contribute significantly to the professional background of those engaged in the education and care of youth in various contexts The book then focuses on what it means to educate young people in meaning identity and spirituality Implications are considered for three school contexts the spiritual and moral dimension to the general curriculum in public and independent schools religious education in religious schools and state based Religion Studies courses Reasons for Living makes a much needed contribution to the philosophy of education by discussing the links between education and young people s spiritual and moral development It also provides new insights and approaches to values education and religious education Areas of fundamental importance in Australian education have long been held back not only by the gap between theory and practice but also by the very complexities of young people s personal development in contemporary Western Culture Reasons for Living offers a constructive and practical way forward

Fortress Commentary on the Bible Margaret Aymer, Cynthia Briggs Kittredge, David A. Sánchez, 2014-10-01 The Fortress Commentary on the New Testament presents a balanced synthesis of current scholarship The contributors bring a rich diversity of perspectives to the task of connecting solid historical critical analysis of Scripture with sensitivity to theological cultural and interpretive issues arising in our encounter with the text The volume includes introductory articles section introductions and individual book articles that explore key sense units through three lenses The Text in Its Ancient Context The Text in the Interpretive Tradition The Text in Contemporary Discussion Comprehensive and useful for preaching teaching and research

Idol and Grace Orlando E. Espin, 2013-12-13 Proposes a theology that draws out the subversive hope of the gospels and the role of the marginalized in passing along the Christian message

Mark and Empire Laurel Cobb, 2014-04-10 The journey to Galilee where Mark s Jesus said he would meet us lies open on roads across the globe Laurel Cobb s career of social work and advocacy on behalf of the disadvantaged in

emerging countries around the globe inform this powerful book on the Gospel of Mark Cobb combines academic insights into scripture with personal experiences of social inequities and a strongly articulated argument for resistance against Empire then and now as a crucial component of any life of Christian discipleship Using her personal experiences of faith economic struggle in the face of a globalized consumer culture dictated from the United States and gender inequality Cobb asks the reader to view one's own responsibilities to a world in need of resistance against imperial power in all its forms through the lens of Mark's Gospel such resistance is needed today as much as when Jesus stood against Empire twenty centuries ago

Fortress Commentary on the Bible set Gale A. Yee, Cynthia Briggs Kittredge, David A. Sanchez, Hugh R. Page Jr., Margaret Aymer, Matthew J. M. Coomber, 2015-06-02 The Fortress Commentary on the Bible The Old Testament and Apocrypha and Fortress Commentary on the Bible The New Testament present a balanced synthesis of current scholarship on the Bible enabling readers to interpret scripture for a complex and pluralistic world Introductory articles in each volume discuss the dramatic challenges that have shaped contemporary interpretation of the Bible Commentary articles set each book of the Old and New Testaments and the Apocrypha in its historical and cultural context discuss the themes in each book that have proven most important for the Christian interpretive tradition and introduce the most pressing questions facing the responsible use of the Bible today The writers are renowned authorities in the historical interpretation of the Old and New Testaments sensitive to theological and cultural issues arising in our encounter with the text richly diverse in social locations and vantage points representing a broad array of theological commitment Protestants Catholics Jews and others and alive to the ethical consequences of interpretation today A team of six scholar editors and seventy contributors provides clear and concise commentary on key sense units in each book of the Old Testament Apocrypha and New Testament Each unit is explored through the lenses of three levels of commentary based on these critical questions The result is a commentary that is comprehensive and useful for gaining insights on the texts for preaching teaching and research In addition to the commentary essays on each book the volumes also contain major essays that introduce each section of Scripture and explore critical questions as well as up to date and comprehensive bibliographies for each book and essay *Jesus, Skepticism, and the Problem of History* Zondervan, 2019-10-08 In recent years a number of New Testament scholars engaged in academic historical Jesus studies have concluded that such scholarship cannot yield secure and illuminating conclusions about its subject arguing that the search for a historically authentic Jesus has run aground *Jesus Skepticism and the Problem of History* brings together a stellar lineup of New Testament scholars who contend that historical Jesus scholarship is far from dead These scholars all find value in using the tools of contemporary historical methods in the study of Jesus and Christian origins While the skeptical use of criteria to fashion a Jesus contrary to the one portrayed in the Gospels is methodologically unsound and theologically unacceptable these criteria properly formulated and applied yield positive results that support the Gospel accounts and the historical narrative in Acts This book presents a nuanced and vitally needed alternative to the

skeptical extremes of revisionist Jesus scholarship that on the one hand uses historical methods to call into question the Jesus of the Gospels and on the other denies the possibility of using historical methods to learn about Jesus Israel's Last Prophet David L. Turner, 2015-08-01 Jesus words of indictment and judgment in the Gospel according to Matthew have fueled centuries of Christian anti Judaism But what did those words originally mean within Matthew's narrative David L Turner examines how Matthew has taken up Deuteronomic themes of prophetic rejection and judgment and woven them throughout the Gospel culminating in Matthew 23 32 Matthew was engaged in a heated intramural dispute with other Jewish groups Turner argues The legacy of Christian anti Jewish violence reflects a gross misunderstanding of Matthew by generations who have failed to recognize the author's worldview and allusions *Jesus the Storyteller* Stephen I. Wright, 2015-11-17 While it is widely acknowledged that Jesus told stories there has not been much focus on why he did so and how these stories contributed to his ministry Stephen Wright approaches this topic afresh to analyze how considering the parables as stories can help our understanding of Jesus and his mission Wright begins by looking for insights in scholarship from recent decades on the parables and the historical Jesus He goes on to imagine how these stories would have resonated with hearers in each of the Synoptic Gospels and considers the dynamics between Jesus and his hearers in different locations like Galilee and Jerusalem Finally Wright considers the purpose of these parables as an element of Jesus ministry and looks at Jesus himself as a storyteller This book will provide a solid basis for understanding why Jesus spoke in parables and how this distinctive style of speech functioned in his ministry **Ancient Laws and Contemporary Controversies** Cheryl Anderson, 2009-11-16 The Ten Commandments condone slavery and Deuteronomy 22 deems the rape of an unmarried woman to injure her father rather than the woman herself While many Christians ignore most Old Testament laws as obsolete or irrelevant with others picking and choosing among them in support of specific political and social agendas it remains a basic tenet of Christian doctrine that the faith is contained in both the Old and the New Testament If the law is ignored an important aspect of the faith tradition is denied In *Ancient Laws and Contemporary Controversies* Cheryl B Anderson tackles this problem head on attempting to answer the question whether the laws of the Old Testament are authoritative for Christians today The issue is crucial some Christians actually believe that the New Testament abolishes the law or that the Protestant reformers Luther Calvin and Wesley rejected the law Acknowledging the deeply problematic nature of some Old Testament law especially as it applies to women the poor and homosexuals Anderson finds that contemporary controversies are the result of such groups now expressing their own realities and faith perspectives Anderson suggests that we approach biblical law in much the same way that we approach the U S Constitution While the nation's founding fathers all privileged white men did not have the poor women or people of color in mind when they referred in its preamble to We the people Subsequently the Constitution has evolved through amendment and interpretation to include those who were initially excluded Although it is impossible to amend the biblical texts themselves the way in which they are interpreted can and

should change With previous scholarship grounded in the Old Testament as well as critical legal and feminist theory Anderson is uniquely qualified to apply insights from contemporary law to the interpretive history of biblical law and to draw out their implications for issues of gender class and race ethnicity In so doing she lays the groundwork for an inclusive mode of biblical interpretation **The Writing of the Christian Gospels** Rick Herrick, 2025-01-28 Biblical scholarship has come a long way from the notion that the four Gospels were written by an evangelist who was an eyewitness follower of Jesus The story of how these Gospels were actually written is a fascinating one Anyone with an intellectual interest in the New Testament should not miss this book **The Insurgency of the Spirit** Robert E. Shore-Goss, 2020-10-06 The Insurgency of the Spirit taps mutli disciplinary methodologies of post colonial biblical scholarship and anthropology liberation theologies indigenous studies grief trauma research and nature meditation writings to shape a constructive retrieval of the animist Jesus The vision that emerges is one that sets forward an Earth loving Jesus who challenges Christians in particular to mobilize against the destructive relationship that exists between imperial religion and political systems
