The California Teacher ,1865 *Lepidus* Richard D. Weigel,2002-09-11 Marcus Aemilius Lepidus was a significant force in Roman political religious and military affairs during the late Republic However in most accounts he is dismissed quickly made sport of or bitterly attacked Through a careful examination of Lepidus s career Richard Weigel has shown why many of the sources are hostile and how these have created an inaccurate assessment of Lepidus s role in history Weigel shows that Lepidus was a competent administrator and that he was consistent in serving the Republic s needs as he understood them
