Rakes Wager:

Behind the Rake's Wicked Wager Sarah Mallory, 2013 **Rakes, Highwaymen, and Pirates** Erin Mackie, 2022-02-03 A study of the depiction and development of masculine figures in eighteenth century British literature Erin Mackie explores the shared histories of the modern polite English gentleman and other less respectable but no less celebrated eighteenth century masculine types the rake the highwayman and the pirate Mackie traces the emergence of these character types to the seventeenth and early eighteenth centuries when traditional aristocratic authority was increasingly challenged She argues that the development of the modern polite gentleman as a male archetype can only be fully comprehended when considered alongside figures of fallen nobility which although criminal were also glamorous enough to reinforce the same ideological order In *Evelina* s *Lord Orville* *Clarissa* s *Lovelace* *Rookwood* s *Dick Turpin* and *Caleb Williams* s *Falkland* Mackie reads the story of the ideal gentleman alongside that of the outlaw revealing the parallel lives of these seemingly contradictory characters Synthesizing the histories of masculinity manners and radicalism *Rakes Highwaymen and Pirates* offers a fresh perspective on the eighteenth century aristocratic male In this well researched study Mackie makes a strong case for the inclusion of alternative criminal masculinities in understanding the development of the modern English gentleman and patriarchy in the eighteenth century Situated at the nexus of gender theory and literary studies her book adds to the study of modern and late modern cultural norms of gender and sexuality through discourse analysis of literary and nonliterary texts Srividhya Swaminathan *Journal of British Studies* The topic is lively the writing clear and the argument persuasive Bringing together histories of criminality of gender and of manners cuts across the period in a new way that promises to produce lively debate James Thompson *University of North Carolina at Chapel Hill* The central concern of this book is the transformation of the British gentleman from the so called Glorious Revolution through reformulations of patriarchy as exhibited in taste sensibility and virtue in the 18th century and beyond Choice **Waking Up With a Rake** Connie Mason, Mia Marlowe, 2013-01-01 The Fate of England s Monarchy Is In The Hands of Three Notorious Rakes To prevent three royal dukes from marrying their way onto the throne heroic selfless agents for the crown will be dispatched to seduce the dukes intended brides These wickedly debauched rakes will rumple sheets and cause a scandal But they just might fall into their own trap After he s blamed for a botched assignment during war former cavalry officer Rhys Warrick turns his back on honor He spends his nights in brothels doing his best to live down to the expectations of his disapproving family But one last mission could restore the reputation he s so thoroughly sullied All he has to do is seduce and ruin Miss Olivia Symon and his military record will be cleared For a man with Rhys s reputation ravishing the delectably innocent miss should be easy But Olivia s honesty and bold curiosity stir more than Rhys s desire Suddenly the heart he thought he left on the battlefield is about to surrender Celebrate the 80th birthday of Regency Romance with great books from Sourcebooks Casablanca *A Rake's Guide to Pleasure* Victoria Dahl, 2009-05 A bankrupt woman sets out to bewitch London s noblemen by engaging them
