Caraleigh Steven A. Hill,2022-05-03 The Caraleigh neighborhood in south Raleigh was founded in 1892 with the opening of a cotton mill fertilizer plant and workers town The old textile complex with its immense brick structures continue to evoke a strong impression of a bygone period The old mill remains the community s focal point as of 2022 leading some to worry that Caraleigh s modernized structure may conceal dark secrets After the Civil War cotton mills were at the heart of the

South's frenzied pursuit of economic and psychological regeneration between 1880 and 1915. As Raleigh's greatest textile venture, Caraleigh itself was founded by a group of cotton investors. The origins of Raleigh's north-south divide can be seen in the many economic, psychological, social, and political perils. While the Downtown South project promises a bright future for Raleigh in 2022, a close examination of the city's economic and social stratification in the past reveals the city's inequality, resulting in an affluent north Raleigh and a pauperized south Raleigh ghetto. This work illuminates previously unrecognized aspects of Raleigh's history, such as how an outskirts neighborhood shaped the city's development during the twentieth century.

The Easter Monday Baseball Game Tim Peeler, 2013-04-06. The fifty-eight year Easter Monday baseball rivalry between North Carolina State University and Wake Forest University had a traditional fraternity celebration known as the PIKA Ball held on the N.C. State campus that followed it on Monday evening. Told from the viewpoint of sports journalists, players, fans, and PIKA members, the narrative reveals the excitement and developing strategies as the contest traverses several baseball eras. At the height of its popularity, the game drew astonishingly large crowds of spectators, many of whom were absentee government workers, providing the impetus for the North Carolina State Legislature to declare Easter Monday to be a state holiday.
