**Visions of Jewish Education** Seymour Fox, Israel Scheffler, Daniel Marom, 2003-07-07 This book looks at the philosophical consideration of Jewish existence in our time as reflected in Jewish education its alternative visions its purposes and instrumentalities the values it should serve and the personal and social character it ought to foster Prevalent conceptions and practices of Jewish education are neither sufficiently reflective nor thoroughgoing enough to meet the multiple challenges that the world now poses to Jewish existence and continuity New efforts are needed to develop an education of the future that will honor the riches of the Jewish past and grasp the opportunities of fruitful interactions with the general culture of the present To promote such efforts six leading scholars in this book formulate their variant visions of an ideal Jewish education for the contemporary world This book also translates these visions into educational practice and finally articulates a vision abstracted from a case study of a school s ongoing practice *Jewish Women's Torah Study* Ilan Fuchs, 2013-11-20 One of the cornerstones of the religious Jewish experience in all its variations is Torah study and this learning is considered a central criterion for leadership Jewish Women s Torah Study addresses the question of women s integration in the halachic religious system at this pivotal intersection The contemporary debate regarding women s Torah study first emerged in the second half of the 19th century As women s status in general society changed offering increased legal rights and opportunities for education a debate on the need to change women s participation in Torah study emerged Orthodoxy was faced with the question which parts if any of modernity should be integrated into Halacha Exemplifying the entire array of Orthodox responses to modernity this book is a valuable addition to the scholarship of Judaism in the modern era and will be of interest to students and scholars of Religion Gender Studies and Jewish Studies *התורה והמצוה: The laws of Torah study, The laws of Teshuvah-Repentance* Moses Maimonides, Avraham Yaakov Finkel, 2001 [Leo Strauss on Maimonides](#) Leo Strauss, 2013-04-23 Leo Strauss is widely recognized as one of the foremost interpreters of Maimonides His studies of the medieval Jewish philosopher led to his rediscovery of esotericism and deepened his sense that the tension between reason and revelation was central to modern political thought His writings throughout the twentieth century were chiefly responsible for restoring Maimonides as a philosophical thinker of the first rank Yet to appreciate the extent of Strauss s contribution to the scholarship on Maimonides one has traditionally had to seek out essays he published separately spanning almost fifty years With *Leo Strauss on Maimonides* Kenneth Hart Green presents for the first time a comprehensive annotated collection of Strauss s writings on Maimonides comprising sixteen essays three of which appear in English for the first time Green has also provided careful translations of materials that had originally been quoted in Hebrew Arabic Latin German and French written an informative introduction highlighting the original contributions found in each essay and brought references to out of print editions fully up to date The result will become the standard edition of Strauss s writings on Maimonides **On Repentance and Repair** Danya Ruttenberg, 2022-09-13 Winner NATIONAL JEWISH BOOK AWARDS

there must be legitimation from within and a theory of how interreligious relations can be justified from the resources of different faith traditions Friendship Across Religions explores these very issues seeking to develop a robust theory of interreligious friendship from the resources of each of the participating traditions It also features individual cases as models and precedents for such relations in particular the friendship of Gandhi and Charlie Andrews his closest personal friend Contributors Balwant Singh Dhillon Timothy J Gianotti Alon Goshen Gottstein Maria Reis Habito Ruben L F Habito Ryan McAnnally Linz Stephen Butler Murray Eleanor Nesbitt Anantanand Rambachan Meir Sendor Johann M Vento and Miroslav Volf ABOUT VOLUME TWO This book tackles the core problem of how painful historical memories between diverse religious communities continue to impact even poison present day relations Its operative notion is the healing of memory developed by John Paul II Chapters explore how painful memories of yesteryear can be healed and so address some of the root causes Strategies from six different faith traditions are brought together in what is in some ways a cross religious brainstorming session that identifies tools to improve present day relations At the other pole of the conceptual axis of this book is the notion of hope If memory informs our past hope sets the horizon for our future How does the healing of memory open new horizons for the future And what is the notion of hope in each of our traditions that could lead to a common vision of good Between memory and hope this book seeks to offer a vision of healing that can serve as a resource in contemporary interfaith relations Contributors Rahuldeep Singh Gill Alon Goshen Gottstein Maria Reis Habito Flora A Keshgegian Anantanand Rambachan Meir Sendor Muhammad Suheyl Umar and Michael von Br ck ABOUT VOLUME THREE The essays collected here prepared by a think tank of the Elijah Interfaith Academy explore the challenges associated with sharing wisdom learning teachings messages for good living How should religions go about sharing their wisdom These chapters representing six faith tradition Jewish Christian Muslim Hindu Sikh and Buddhist explore what wisdom means in each of these traditions why and how it should be shared internally and externally and the role of love and forgiveness in sharing This book offers a theory that can enrich ongoing encounters between members of faith traditions by suggesting a tradition based practice of sharing wisdom while preserving the integrity of the teaching and respecting the identity of anyone with whom wisdom is shared Contributors Pal Ahluwalia Timothy Gianotti Alon Goshen Gottstein Sallie B King Anantanand Rambachan Meir Sendor Miroslav Volf ABOUT VOLUME FOUR All the world s religions are experiencing rapid change due to a confluence of social and economic global forces Factors such as the pervasive intrusion of globalizing political and economic developments polarized and morally equivalent presentations seen in the media and the sense of surety demanded in and promised by a culture dominated by science are some of the factors that have placed extreme pressure on all religious traditions This has stimulated unprecedented responses by religious groups ranging from fundamentalism to the syncretistic search for meaning As religion takes on new forms the balance between individual and community is disrupted and reconfigured Religions often lose the capacity to recall their ultimate purpose or lead their adherents toward it This is the situation we call the crisis of the

holy It is a confluence of threats challenges and opportunities for all religions This volume explores the contours of pressures changes and transformations and reflects on how all our religions are changing By identifying commonalities across religions as they respond to these pressures The Crisis of the Holy recommends ways religious traditions might cope with these changes and how they might join forces in doing so Contributors Vincent J Cornell Alon Goshen Gottstein Sidney H Griffith Maria Reis Habito B Barry Levy Deepak Sarma Michael von Br ck ABOUT VOLUME FIVE The chapters collected in this book prepared by a think tank of the Elijah Interfaith Academy address the subject of religious leadership The subject is of broad relevance in the training of religious leaders and in the practice of religious leadership As such it is also germane to religious thought where reflections on religious leadership occupy an important place What does it mean to be a religious leader in today s world To what degree are the challenges that confront religious leadership today the same perennial challenges that have arrested the attention of the faithful and their leaders for generations and to what degree do we encounter challenges today that are unique to our day and age One dimension is surely unique and that is the very ability to explore these issues from an interreligious perspective and to consider challenges opportunities and strategies across religious traditions Studying the theme across six faith traditions Christianity Islam Judaism Sikhism Hinduism and Buddhism The Future of Religious Leadership World Religions in Conversation recognizes the common challenges to present day religious leadership Contributors Awet Andemicael Timothy J Gianotti Alon Goshen Gottstein Anantanand Rambachan Maria Reis Habito Meir Sendor Balwant Singh Dhillon Miroslav Volf VOLUME SIX One of the biggest challenges for relations between religions is the view of the religious Other The question touches the roots of our theological views The Religious Other Hostility Hospitality and the Hope of Human Flourishing explores the views of multiple religious traditions on how to regard otherness How does one move from hostility to hospitality How can hospitality be understood not simply as social hospitality but as theological hospitality making room for the religious Other on theological grounds What is our vision for the flourishing of the Other while respecting his otherness This volume is an exercise in constructive interreligious theology By including Abrahamic and non Abrahamic traditions it approaches these challenges from multiple perspectives highlighting commonalities in approach and ways in which one tradition might inspire another Contributors Vincent J Cornell Alon Goshen Gottstein Richard P Hayes Lord Rabbi Jonathan Sacks Deepak Sarma Stephen W Sykes Dharma Master Hsin Tao Ashok Vohra Nahmanides Moshe Halbertal,2020-09-22 A broad systematic account of one of the most original and creative kabbalists biblical interpreters and Talmudic scholars the Jewish tradition has ever produced Rabbi Moses b Nahman 1194 1270 known in English as Nahmanides was the greatest Talmudic scholar of the thirteenth century and one of the deepest and most original biblical interpreters Beyond his monumental scholastic achievements Nahmanides was a distinguished kabbalist and mystic and in his commentary on the Torah he dispensed esoteric kabbalistic teachings that he termed By Way of Truth This broad systematic account of Nahmanides s thought explores his conception of halakhah and his approach to the central concerns of

**The Image of Bar Kokhba in Traditional Jewish Literature** Richard G. Marks,1993-09-15 Bar Kokhba led the Jewish rebellion against Rome in 132 135 A D which resulted in massive destruction and dislocation of the Jewish populace of Judea In early rabbinic literature Bar Kokhba was remembered in two ways as an imposter claiming to be the Messiah and as a glorious military leader whose successes led Rabbi Akiba one of the great rabbinic authorities of Jewish tradition to acclaim him the Messiah These two earliest images formed the core of most later perceptions of Bar Kokhba so that he became the prototypical false messiah and the paradigmatic rebel of Jewish history The Image of Bar Kokhba in Traditional Jewish Literature is a history of the perceptions that later Jewish writers living in the fourth through seventeenth centuries formed of this legendary hero villain whose actions in their eyes had caused enormous suffering and disappointed messianic hopes Richard Marks examines each writer s account individually and in the context of its period exploring particularly political and religious implications He builds a history of images and looks at larger patterns such as the desacralizing of traditional imagery His findings raise timely political questions about Bar Kokhba s image among Jews today

**Medieval Jewish Philosophy and Its Literary Forms** Aaron W. Hughes,James T. Robinson,2019-07-11 This well written accessible essay collection demonstrates a maturation in Jewish studies and medieval philosophy Choice Too often the study of philosophical texts is carried out in ways that do not pay significant attention to how the ideas contained within them are presented articulated and developed This was not always the case The contributors to this collected work consider Jewish philosophy in the medieval period when new genres and forms of written expression were flourishing in the wake of renewed interest in ancient philosophy Many medieval Jewish philosophers were highly accomplished poets for example and made conscious efforts to write in a poetic style This volume turns attention to the connections that medieval Jewish thinkers made between the literary the exegetical the philosophical and the mystical to shed light on the creativity and diversity of medieval thought As they broaden the scope of what counts as medieval Jewish philosophy the essays collected here consider questions about how an argument is formed how text is put into the service of philosophy and the social and intellectual environment in which philosophical texts were produced      **The Experience of Jewish Liturgy** Debra Reed Blank,2011-09-09 This edited collection honors Menahem Schmelzer s influence upon the field of Jewish liturgy Three generations of scholars apply different analytical methods to varying texts and ritual occasions providing an up to date picture of the field and its implications for related areas
